State Clearing House Number 2024010434 Notice of Determination (NOD)

Dear Alicea Norsby,

I am Requesting that the NOD submitted on February 24, 2026, from the California Department of Fish and Wildlife, acting as a responsible agency under CEQA, be withdrawn and replaced with the attached NOD. A typographical error was found within the signed agreement for CESA ITP 2081-2024-032-06-A1.

To ensure accuracy and consistency, the typo was corrected, and the document has been resigned by the Regional Manager. An updated NOD reflecting the revised date has been prepared.

Please see the attached updated NOD and advise if any additional information is needed to process this request.

Thank you.
