
Central Valley Regional Water Quality Control Board

California Environmental Quality Act Notice of Determination in compliance with Section 21008 or 21152 of the Public Resources Code

To: Office of Planning and Research
P.O. Box 3044
Sacramento, CA 95812-3044

From: California Regional Water Quality Control Board
Central Valley Region, Redding Office
364 Knollcrest Drive, Suite 205
Redding, CA 96002

Date: 10 October 2025

State Clearinghouse Number:
2024010756

Project Title:
City of Redding Pump Station 1 Replacement Project (WDID 5A45CR00668)

Project Location - Specific:
The project coordinates are as follows: Latitude: 40.5918° and Longitude: -122.4118°

Project Location - County:
Shasta County

Name of Applicant:
Amber Kelley
City of Redding
777 Cypress Avenue
Redding, CA 96001

Description of Nature, Purpose, and Beneficiaries of Project:
The City of Redding Pump Station 1 Replacement Project involves the construction of a new state-of-the-art fish screen, intake, and pumping plant to replace the existing Pump Station 1 (PS1), which has reached the end of its useful life, and demolition of the existing PS1 facility and restoration of the site. The project would also restore Jenny Creek to an open channel along its historical alignment and remove the existing Jenny Creek culverts.

Name of Public Agency Approving Project:

This is to advise that the Central Valley Regional Water Quality Control Board, as a Responsible Agency, has approved the above-described project on 8 October 2025 and has made the following determinations regarding the above-described project:

1. The Central Valley Regional Water Quality Control Board considered the Environmental Impact Report (EIR) as prepared by the City of Redding.
2. The Project will have a significant effect on the environment.
3. Mitigation measures were made a condition of the approval of the project.
4. A mitigation reporting or monitoring plan was adopted for this project.
5. A Statement of Overriding Considerations was adopted for this project.
6. Findings were made pursuant to the provisions of CEQA.

The final EIR is available to the general public at:
Redding City Hall, 777 Cypress Avenue, Redding, California.

The record of project approval is available to the general public at: [Central Valley Regional Water Quality Control Board's Adopted Orders Web page](https://www.waterboards.ca.gov/centralvalley/board_decisions/adopted_orders/401_wq_certs/)
(https://www.waterboards.ca.gov/centralvalley/board_decisions/adopted_orders/401_wq_certs/).
