SUBJECT: Filing of Notice of Determination pursuant to Public Resources Code Section 21108.

State Clearinghouse Number (SCH No.): 2024010756

Project Title: Permit No. 20020 – City of Redding Pump Station 1 Replacement Project

Project Applicant/Lead Agency/Parties Undertaking Project: City of Redding Department of Public Works, 777 Cypress Avenue, Amber Kelley, Environmental Compliance Manager, 530-225-4170, akelley@cityofredding.org

Project Location/City/County: The project is located approximately 0.5 miles upstream of the Benton Drive bridge that spans the Sacramento River in the City of Redding, Shasta County (40.591802°, -122.411794°).

Project Description: Approval of Permit No. 20020, under California Code of Regulations, Title 23, Article 3, Section 6, for work within an adopted plan of flood control: The project proposes to remove an existing pump station and intake structure located on the right (south) bank of the Sacramento River and replace it with a new pumping plant located approximately 0.3 miles upstream of the existing pump station; to remove two 60-inch-diameter culverts, place new riprap, and place woody material within Jenny Creek for erosion control and habitat restoration; and to construct a new access road which includes two precast concrete arch bridges.

This is to advise that the Board, as the **Responsible Agency**, approved the above-described project on February 27, 2026, and made the following determinations regarding the above-described project:

1. The project [will / will not] have a significant effect on the environment (This determination is limited to effects within the Board’s permitting jurisdiction as a responsible agency).
2. [An Environmental Impact Report (EIR) / A Mitigated Negative Declaration] was prepared by the lead agency for the original project.
3. Additional mitigation measures [were / were not] made a condition of the Board’s approval of the project.
4. A Mitigation Monitoring and Reporting Plan [was / was not] adopted by the Board for this project
5. A Statement of Overriding Considerations [was / was not] adopted by the Board for this project.
6. Findings [were / were not] made by the Board pursuant to the provisions of CEQA.

Responsible Agency Statement: The EIR, prepared by the lead agency for the project, is available to the general public at the lead agency’s office listed above. The Board’s administrative record related to the Board permit is available for public review at the Board’s office.
