NOTICE OF DETERMINATION

City of Oceanside, California

TO:
Recorder/County Clerk
County of San Diego
P.O. Box 1750
San Diego, CA. 92112-4147

FROM:
City of Oceanside
Planning Division
300 N. Coast Highway
Oceanside, CA 92054

Subject: Filing of Notice of Determination in compliance with Public Resources Code, Sections 21108 and 21152.

SCH No.: 2024010965

Lead Agency: City of Oceanside

Project Manager: Kirill Dolinskiy, PMP, Water Utilities Department

Applicant: City of Oceanside Water Utilities Department

Applicant Phone: (760) 435-5800

Project Location: The proposed project involves improvements at two locations, the City of Oceanside's (City's) existing Mission Basin Groundwater Purification Facility (MBGPF) site and new production well (Well 12) site, both located within the City of Oceanside, San Diego County, California. The MBGPF site is located at 215 Fireside Street. The proposed Well 12 site is located along Mission Avenue and immediately east of the City's Fire Station No. 7, which is located at 3350 Mission Avenue.

Project Title: Mission Basin Groundwater Purification Facility Brine Minimization and Production Well Expansion Project

Description: The proposed project involves a request for the approval of two Development Plans (D23-00002/3) and two Conditional Use Permits (CUP23-00002/3) to increase the utilization of the existing MBGPF to bolster its supply of locally sourced water by (1) reducing the volume of brine produced and thus increasing the amount of product water recovered at the MBGPF by adding a third stage reverse osmosis train and (2) increasing the amount of groundwater supplied to the MBGPF through installation of a new groundwater production well. The project would include the installation of a new groundwater production well, emergency generator, and associated equipment, and the demolition of the existing 3,600 SF building located at the MBGPF and the construction of a new 9,000 SF building to house reverse osmosis treatment equipment.

This is to advise that the Planning Commission of the City of Oceanside, as Lead Agency, approved the project on August 25, 2025, and determined that:

1. The project will not have a significant effect on the environment.
2. A Mitigated Negative Declaration was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures were made a condition of the approval of the project.
4. A Mitigation Monitoring and Reporting Program was adopted for this project.
5. Findings were not made pursuant to CEQA Guidelines Sections 15091.

The Mitigated Negative Declaration, Mitigation Monitoring and Reporting Program, and record of project approval are available to the General Public at: the Oceanside City Hall, 300 N. Coast Hwy, Oceanside, CA 92054.

A handwritten signature in black ink, appearing to read "Kirill Dolinskiy".

Kirill Dolinskiy, Project Manager
