MEMO TO UPDATE SCH NUMBER 2024060491

Summary

On June 12, 2024, the Department of Cannabis Regulation (DCR) submitted a Notice of Exemption (NOE) under the project title "LA-R-24-100610-ANN" that was posted on June 12, 2024. The NOE that was attached to the posting inadvertently included the incorrect commercial cannabis activities in the "Description of Nature, Purpose, and Beneficiaries of Project" (Page 1) and in various sections on the Los Angeles Registrar-Recorder / County Clerk NOE (Page 2).

DCR has attached to this memo a combined PDF that includes the corrected NOEs on Pages 1 and 2. The project specific information (Pages 3-42) behind the NOEs remain unchanged from the original posting.

Project Title: DCR CORE RECORD NO. 100610

Project Applicant: California Herbal Remedies, Inc.

Project Location - Specific:

5470 E. Valley Blvd., Los Angeles, CA 90032 / Lillyvale Ave & Vandalia Ave

Project Location - City: Los Angeles

Project Location - County: Los Angeles

Description of Nature, Purpose and Beneficiaries of Project:

Retail on-site sales and Manufacturing of commercial cannabis products under State and local law.

Name of Public Agency Approving Project: City of Los Angeles, Department of Cannabis Regulation

Name of Person or Agency Carrying Out Project: California Herbal Remedies, Inc.

Exempt Status: **(check one):**

- ☐ Ministerial (Sec. 21080(b)(1); 15268);
- ☐ Declared Emergency (Sec. 21080(b)(3); 15269(a));
- ☐ Emergency Project (Sec. 21080(b)(4); 15269(b)(c));
- ☒ Categorical Exemption. State type and section number: CEQA Sections 15301 & 15332/Class 1 & 32
- ☐ Statutory Exemptions. State code number: _____

Reasons why project is exempt:

Environmentally benign infill project consistent with the General Plan, Zoning requirements and consistent with the criteria for a Class 1 & Class 32 Categorical Exemption pursuant to CEQA Guidelines Section 15301 & 15332 and does not require further analysis based on the exceptions in CEQA Guidelines Section 15300.2, and thus, DCR finds that no further CEQA analysis is required.

RECOMMENDATION REPORT FOR RETAIL WITH ON-SITE SALES COMMERCIAL CANNABIS LICENSE

Pursuant to Los Angeles Municipal Code (LAMC) section 104.06, please be advised that the following application for commercial cannabis activity is complete; staff determined this project is categorically exempt from the requirements of CEQA pursuant to the Class 1 and Class 32 categorical exemptions, as well as determined the Applicant meets the requirements for the issuance of an Annual License for the commercial cannabis activity listed below:

DCR Record No.:	LA-R-24-100610-ANN
Applicant Name:	California Herbal Remedies, Inc.
Activities Requested:	Retail with on-site sales (Type 10)
Proposed Project:	Applicant seeks an Annual License for the Retail with on-site sales (Type 10) commercial cannabis activity pursuant to LAMC section 104.06 et. al.
Business Premises Address/ Project Location:	5470 E VALLEY BLVD, LOS ANGELES, CA 90032
Council District: Closest Neighborhood Council: Business Improvement District, if applicable: Community Plan Area: Zoning:	14 LA-32 None Northeast Los Angeles [Q]C2-1VL
Environmental Analysis/Clearance: ENV-100610-ANN	Notice of Exemption pursuant to the Class 1 and Class 32 categorical exemptions (tit. 14, Cal. Code Regs., §§ 15301, 15332)

PROJECT DESCRIPTION:

The Applicant seeks conversion of an existing Retail Storefront (Type 10) Temporary Approval to an Annual License to be located on an existing commercially zoned site ([Q]C2-1VL) at 5470 E. Valley Blvd. (Assessor's Parcel Number 5221-012-034). The Project-Specific Information (LIC-4013-FORM) submitted by the Applicant states that existing structures will remain with no expansion proposed (Exhibit A). Existing City sewer service is provided to the project site, and water and electricity are provided by the City of Los Angeles Department of Water and Power. Operations would be seven days per week from 6:00 a.m. to 10:00 p.m. Pre-application review has found the project to be consistent with planning and zoning. Further project site information is provided in the Project Parcel Profile Report from the City's Zone Information and Map Access System (ZIMAS) (Exhibit A). Full compliance with applicable regulations for the proposed cannabis use(s) are assumed in this analysis.

PROJECT ANALYSIS & FINDINGS:

Land Use/Zoning Designations

General Commercial/C2

Surrounding Land Use/Zoning Designations

General Commercial/C2; Limited Manufacturing/MR1; Low Medium II Residential/RD1.5

Subject Property

The subject site is a fully developed lot within the Northeast Los Angeles Community Plan Area. The lot is approximately 113 feet deep and a width of 25 feet along Valley Blvd. The site is currently developed with a commercial building, built in 1953, proposed to be maintained.

The site has a general commercial land-use designation and is zoned C2-1. The site is located within Council District 14, LA-32 Neighborhood Council, the lot is flat and contains pre-existing building to be used by the Applicant.

Abutting Properties

Abutting uses include a restaurant, tobacco shop, liquor store, and multi-family dwellings within 200 feet of the site. The immediate area along Prairie Street is predominantly developed with general commercial uses, zoned C2-1. (See Exhibit A)

CEQA Findings

CEQA Guidelines, Section 15332, Class 1 and Class 32, consists of projects characterized as in-fill development meeting the following 5 conditions: (a) The project is consistent with the applicable general plan designation and all applicable general plan policies as well as with the applicable zoning designation and regulations; (b) The proposed development occurs within city limits on a project site of no more than five acres substantially surrounded by urban uses; (c) The project site has no value as habitat for endangered, rare or

threatened species; (d) Approval of the project would not result in any significant effects relating to traffic, noise, air quality, or water quality; and (e) The site can be adequately served by all required utilities and public services.

These conditions are met as follows: The project is consistent with the applicable general plan designation and all applicable general plan policies as well as with the applicable zoning designation and regulations for the requested commercial cannabis activities.

a) The site is comprised of one lot totaling approximately 2,841 gross square feet, zoned C2-1 (general commercial), and is currently developed with a 2,725 square-foot commercial building originally constructed in 1953. No relief has been requested from any applicable provision or requirement of the Los Angeles Municipal Code.

b) The subject site is wholly within the City of Los Angeles, on an approximately 2,841 gross square foot property (i.e., less than five acres), and is substantially surrounded by urban uses. The surrounding area is zoned General Commercial/C2; Limited Manufacturing/MR1; Low Medium II Residential/RD1.5, and developed with a mix of commercial buildings and multi-family dwellings along E. Valley Blvd.

c) The project site has no value as habitat for endangered, rare or threatened species. The project is located within an established, fully developed, neighborhood. The project site has no value as habitat for endangered, rare or threatened species. The project does not propose the removal of any trees on-site and/or within the adjacent public right-of-way.

d) Approval of the project would not result in any significant effects relating to traffic, noise, air quality, or water quality.

e) The site can be adequately served by all required utilities and public services. The project site will be adequately served by all required public utilities and services, given that the site is currently served by the City's Department of Water and Power, the City's Bureau of Sanitation, the Southern California (SoCal) Gas Company, the Los Angeles Police Department, the Los Angeles Fire Department, Los Angeles Unified School District, Los Angeles Public Library, and other public services. Compliance with Regulatory Compliance Measures as enforced through the Department of Building and Safety permitting process will ensure that any needed improvements are made in order to provide adequate delivery of utilities and services to the proposed project.

CEQA Section 15300.2: Exceptions to the Use of Categorical Exemptions. The City has further considered whether the proposed project is subject to any of the exceptions set forth in State CEQA Guidelines Section 15300.2, that would prohibit the use and reliance on the categorical exemptions. None of the exceptions are triggered. As the proposed project will result in no physical changes to the site, the project would not have physical impacts to the environment. As such, it would not have a combined impact with other projects in the area that would result in cumulative impacts. There are no unusual circumstances associated with the project, which is proposed in general plan designation and zoning classification that allow the proposed use. The project will not physically change the site or the existing structures. Therefore, the project would have no impact on scenic resources, City ZIMAS records do not identify a historic building or district for the site, and the site is not on the lists that satisfy Government Code Section 65962.5, commonly referred to as the "Cortese List," as being affected by hazardous wastes or clean-up problems.

Based on the analysis above, the proposed project is consistent with the criteria for a Class 1 and Class 32 Categorical Exemption pursuant to CEQA Guidelines Section 15331 and does not require further analysis based on the exceptions in CEQA Guidelines Section 15300.2, and thus, DCR finds that no further CEQA analysis is required.

In conclusion, since the project meets all of the requirements for categorical exemption as set forth at CEQA Guidelines, Section 15332, and none of the applicable exceptions to the use of an exemption apply to the project, it is appropriate to determine this project is categorically exempt from the requirements of CEQA.

DEPARTMENT OF CANNABIS REGULATION RECOMMENDED ACTIONS:

That the Cannabis Regulation Commission:

1. Determine, based on the whole of the administrative record, that the project is exempt from the California Environmental Quality Act (CEQA) pursuant to Article 19, Section 15301, Class 1, and Article 19, Section 15332, Class 32 of the State CEQA Guidelines (tit. 14, Cal. Code Regs., §§ 15301, 15332), and there is no substantial evidence demonstrating that an exception to a categorical exemption pursuant to CEQA Guidelines Section 15300.2 applies;
2. Pursuant to Los Angeles Municipal Code Section 104.06(b)(2), approve the Annual License for Type 10 Storefront Retail Commercial Cannabis Activity at the Business Premises location; and,
3. Adopt DCR's Project Analysis & Findings, and Notice of Exemption (Exhibit B) included in the Department's written report as the findings of the Commission.

Categorical Exemption Evaluation Form

Instructions: Before the Department of Cannabis Regulation (DCR) can grant an Annual License, DCR must independently evaluate the document prepared for the project in compliance with the California Environmental Quality Act (CEQA), or documentation provided by the Applicant as evidence of exemption from CEQA. To conduct this evaluation, DCR must have a complete description of the proposed project that provides information about the project site, including existing conditions and facilities, proposed facilities and improvements, and the construction methods and operations practices of the proposed project. DCR can complete its review more quickly and efficiently when applicants provide as much of the information needed by DCR to complete an independent evaluation of the proposed project as is available.

Please provide detailed responses. If more space is needed, additional pages may be added. Missing, incomplete, or inconsistent information may delay the processing of your Annual License Application.

Project Description: *Insert project description information or reference where this information is located.*

California Herbal Remedies, Inc. ("Licensee") currently operates a commercial cannabis retail business at the project site. Licensee also conducts commercial cannabis manufacturing activities at the project site. With the exception of the manufacturing activities, no other commercial cannabis activities are conducted at the project site. The project site is located in a commercial area and operates in an existing retail storefront built prior to the commencement of Licensee's operations.

Categorical Exemption Evaluation Form**Class 1: Existing Facilities**

1. Is the project site currently operating as a cannabis activity site or a similar use, or has it recently operated for this purpose? ☒ Yes ☐ No

Provide details of current or prior operation(s). Cite source(s) of information.

Licensee currently operates a commercial cannabis retail business at the project site. Licensee also conducts commercial cannabis manufacturing activities at the project site. With the exception of the manufacturing activities, no other commercial cannabis activities are conducted at the project site.

2. Does the project involve an expansion of existing structures that would be considered negligible or no expansion of existing or former use? (If no, skip to Question 6) ☐ Yes ☒ No

Provide expansion details, if applicable. Cite source(s) of information.

N/A

3. Project Expansion: N/A
Size of expansion in square feet: N/A

Cite source(s) of information.

N/A

- a. Would the expansion be less than or equal to 2,500 square feet or 50 percent of the floor area before expansion? (If yes, skip to Question 6.) ☐ Yes ☐ No

N/A

- 3. Would the project result in a substantial adverse change in the significance of a historical resource?** ☐ Yes ☒ No

List the historic resource(s) potentially affected and describe the potential effects (if applicable). Cite source(s) of information.

Project site is located in an already developed commercial area. The area was developed as a commercial area many years ago predating the Licensee's project. There are no historic resources located in the vicinity of the Project site.

4. Is there evidence of the potential for the project to contribute to a significant cumulative impact? ☐ Yes ☒ No

Describe the potential cumulative impact(s) and evidence (if applicable). Cite source(s) of information.

N/A

5. Is there evidence of a reasonable possibility of a significant environmental impact due to unusual circumstances? ☐ Yes ☒ No

Describe the potential impact(s), circumstances, and evidence (if applicable). Cite source(s) of information.

N/A

6. Would the project impact an environmental resource of hazardous or critical concern? ☐ Yes ☒ No

Provide details, if needed. Cite source(s) of information.

N/A

7. Does the project involve the removal of healthy, mature, scenic trees (except for forestry and agricultural purposes)? ☐ Yes ☒ No

Provide details, if needed. Cite source(s) of information.

Project site is located in an already developed commercial area. The area was developed as a commercial area many years ago predating the Licensee's project.

CEQA Exemption PetitionClass: 1 Category: Existing Facilities

Explanation of how the project fits the CEQA exemption indicated above:

The Project is for the licensing of an existing private structure/storefront that has been in operation in a commercial area. Although expansion is not anticipated, any such expansion would be negligible at the most.

1. **Source(s) of Information:** Identify Sources: *Indicate the document(s) or other sources of information reviewed to complete this form.*

Zimas, Google maps, and Licensee supplied information.

2. **Project Location and Surrounding Land Use.**

- (a) Describe Project Location: *Provide detailed information about the project location and any other physical description that clearly indicates the project site location.*

Location: 5470 Valley Blvd., Los Angeles, CA 90032
APN: 5221012034
Cross Streets: Valley Blvd & the 710 Freeway

- (b) Existing Land Uses/Zoning: *Describe the current land uses on the project site and any existing buildings and structures. Describe the surrounding land uses and zoning designations within a one-half mile radius of the project and list all abutting land uses.*

Surrounding and abutting zoning to project site is C2 General Commercial Zone and commercial uses. There are surrounding uses such as retail, restaurants and food takeout

The existing buildings and structures on site are connected buildings located in a small strip center with parking adjacent to the street.

- (c) Previous Use: Describe the previous use of the Project site or facility, if known. Include an estimate of the time such previous operations ceased, if such information is available.

The site was developed for commercial use many years ago predating Licensee's operations. Licensee has been operating on the site since approx. 2018

- (d) Was the site previously used for a similar use? The key consideration is whether the project involves negligible or no expansion of an existing use.

The site has been used for commercial uses for many years predating Licensee's operations. Licensee has been operating on the site since approx. 2018. The Project does not involve an expansion of the existing use and no expansion is anticipated at this time. Any expansion would be negligible.

- (e) Maps to be Included: Provide a vicinity map and aerial image to show the project location. Include photographs, not larger than 8½ by 11 inches, of existing visual conditions as observed from publicly accessible vantage point(s).

3. Project Operations/Description. Provide the following information about project operation and maintenance activities. If more than one type of cannabis activity is occurring on-site, provide a description of the project operations for each activity. This should include the following relevant information.

- (a) Activities Occurring Onsite: Describe the activities included in the project application and identify any other commercial cannabis activity or activities occurring at the proposed premises, including other proposed cannabis activities occurring on the property. Describe the cannabis business operation methods and activities (e.g. cultivation methods, manufacturing and/or distribution operations).

Licensee currently operates a commercial cannabis retail business at the project site. Licensee also conducts commercial cannabis manufacturing activities at the project site. With the exception of the manufacturing activities, no other commercial cannabis activities are conducted at the project site.

- (b) Cannabis Operation Activities Owned by the Same or Different Businesses: *Describe any additional cannabis operation activities existing or proposed either owned by the same or different businesses on the property.*

N/A

- (c) Project Size: *Quantify the project size (total floor area of the project), and the lot size on which the project is located, in square feet.*

Total floor area: 2,725.0 sq ft.
Total lot area: 2,841.2 sq ft.

- (d) State License: *Identify whether the applicant is licensed by, or has applied for licensure from, the California Department of Cannabis Control to engage in commercial cannabis activity at the proposed premises.*

Licensee currently holds state provisional commercial cannabis licenses at the premises.

- (e) Hours of Operation/Work Shifts: *Identify the hours of operation/work shifts for the project.*

Licensee is open from 6:00 a.m. to 10:00 p.m. Monday through Sunday.

- (f) Number of employees (total and by shift): *Estimate the number of anticipated employees onsite and occupancy during operating hours.*

Licensee has approx. 8 employees onsite during operating hours.

- (g) Estimated Daily Trip Generation: *Estimate the frequency of deliveries or shipments originating from and/or arriving to the project site. Identify the approximate number of vehicle trips per day to be generated by the project and information regarding the days and times most trips are expected to occur.*

There will be approximately 5 deliveries/shipments daily or 35 weekly.

- (h) Source(s) of Water: *Name all sources of water, and indicate whether a new or amended water right must be obtained from the State Water Resources Control Board.*

Water is supplied by the LADWP. No new or amended water rights must be obtained for the Project.

- (i) Wastewater Treatment Facilities: *Describe the facilities for treatment of wastewater (e.g., leach field, City wastewater collection facilities).*

City waste water collection facilities run by the Sanitation Districts of LA County.

4. Environmental Setting:

- (a) Describe natural characteristics on the project site:

Retail storefront situated in a commercial area amongst other retailers and food operators on a paved city road.

- (b) General Topographic Features (slopes and other features):

Commercial Street. Flat industrial area

- (c) Natural characteristics (general vegetation types, drainage, soil stability, habitat, etc.):

The Project site is located in a commercial area surrounded by etailers and food operators and paved throughout.

- (d) Identify whether there are any watercourses and riparian habitats within 150- feet of the proposed premises (e.g., drainage swales, stream courses, springs, ponds, lakes, creeks, tributary of creeks, wetlands):

N/A

- (e) Identify whether the property contains natural features of scenic value of rare or unique characteristics (e.g., rock outcroppings, mature trees):

N/A

- (f) Identify whether the property has any historic designations or archeological remains onsite:

N/A

- (g) Identify whether the property contains habitat for special status species:

N/A

- (h) Identify the location, type, and quantity of hazardous materials, as defined by Health and Safety Code section 25260, that are stored, used, or disposed of at the project site and a copy of the Hazardous Material Business Plan (HMBP) prepared for the proposed premises, if any:

N/A

- (i) Discuss whether the project will increase the quantity and type of solid waste, as defined by Public Resources Code section 40191, or hazardous waste, as defined by Health and Safety Code section 25117, that is generated or stored onsite:

The project does not create or increase the quantity or type of solid or hazardous waste at the site, if any. Waste will be disposed of in proper waste bins provided by a licensed waste management company.

- (j) Describe the project's anticipated operational energy needs, identify the source of energy supplied for the project and the anticipated amount of energy per day, and explain whether the project will require an increase in energy demand and the need for additional energy resource:

Energy is supplied by the Department of Water and Power. The building 400 amps of power. The project site will not require an increase in energy demand.

5. Explain whether any of the project activities will expand the existing footprint of the proposed facility beyond the current structural or parcel boundaries, increase the amount of impervious surface, or reduce any natural habitat. If the project is part of a larger project, attach a separate sheet to briefly describe the larger project.

Project activities will not expand the existing footprint of the proposed facility beyond the current boundaries, increase the amount of impervious surface, or reduce any natural habitat. The Project is not part of a larger project.

6. Environmental Commitments: *List any environmental commitments agreed to by the applicant to the protection of biological or cultural resources, energy efficiency, water efficiency, noise abatement, lighting, or other aspects of the project that may reduce impacts on the environment.*

N/A

7. Other Relevant CEQA Information: *Submit any other relevant CEQA documentation or information that will assist the Department in determining CEQA compliance (e.g., any environmental impact analysis prepared by a consultant).*

Project-Specific Information Form

Common Sense Exemption (14 Cal. Code Regs Section 15061(b)(3)):

The CEQA common sense exemption applies because the Project does not have the potential for causing a significant effect on the environment.

The Project site is located at a commercial area that has been developed for years. The Project is an existing use and Licensee has been operating since 2018. Licensee does not plan on making any modifications to the Project site or expansion of operations that would result in a significant effect on the environment. Licensee is only seeking a license for its existing operations.

8. Permits Required: *List all other required federal, state, and local permits required, including, but not limited to, all entitlements required for this project by a planning commission, local air district, or regional water board. Identify whether the commercial cannabis business(es) is licensed by or has applied for licensure from the Department, or one of the prior state cannabis licensing authorities:*

- ☒ California Department of Cannabis Control
- ☒ Los Angeles Fire Department
- ☒ Los Angeles Department of Building and Safety
- ☐ California Department of Fish and Wildlife
- ☐ State Water Resources Control Board / Regional Water Quality Control Board
- ☐ County of Los Angeles Public Health Permit
- ☐ Local Air District
- ☐ Streambed Alteration Agreement
- ☐ Water quality protection program
- ☐ Los Angeles Department of Water and Power
- ☐ Los Angeles Department of Public Works, Bureau of Sanitation

Partial List of Categorical Exemptions under CEQA

Certain commercial cannabis activities (projects) may be exempt from further environmental review pursuant to the California Environmental Quality Act (CEQA) because they fall within a class of projects determined not to have significant effect on the environment. (Cal. Code Regs., tit. 14, § 15300 et seq.) Common exemptions that may apply have been identified below.

Class	Category	Description
Class 1	Existing Facilities	Consists of the operation, repair, maintenance, permitting, leasing, licensing, or minor alteration of existing public or private structures, facilities, mechanical equipment, or topographical features, involving negligible or no expansion of use beyond that existing at the time of the lead agency's determination. (Cal. Code Regs., tit. 14, §15301.)
Class 2	Replacement or Reconstruction	Consists of replacement or reconstruction of existing structures and facilities where the new structure will be located on the same site as the structure replaced with a new structure of substantially the same size, purpose, and capacity. (Cal. Code Regs., tit. 14, § 15302.)
Class 3	New Construction or Conversion of Small Structures	Consists of construction and location of limited numbers of new, small facilities or structures; installation of small new equipment and facilities in small structures; and the conversion of existing small structures from one use to another where only minor modifications are made in the exterior of the structure. (Cal. Code Regs., tit. 14, § 15303.)
Class 4	Minor Alterations to Land	Consists of minor public or private alterations in the condition of land, water, and/or vegetation which do not involve removal of healthy, mature, scenic trees except for forestry and agricultural purposes. (Cal. Code Regs., tit. 14, § 15304.)
Class 11	Accessory Structures	Consists of construction, or placement of minor structures accessory to (appurtenant to) existing commercial, industrial, or institutional facilities. (Cal. Code Regs., tit. 14, § 15311.)
Class 32	In-Fill Development Projects	Consists of projects characterized as in-fill development meeting the conditions described in Cal. Code Regs., tit. 14, § 15332.
