Irrigation/Recreation District

Project Description: (please use a separate page if necessary)

Merced ID proposes to rehabilitate, upgrade, and expand recreation facilities and utilities at five recreation areas (Bagby, Barrett Cove, Horseshoe Bend, McClure Point, and McSwain) and to develop one new recreation area (Mack Island). Collectively, these individual projects comprise the Proposed Project.

Component projects include, but are not limited to: improvements to and rehabilitation of campsites, restrooms, boating takeouts, marinas, on and off-lake swim areas, roads, parking lots, recreational trails, and upgrades to utilities (electrical, sewerage, water, communications).

Note: The State Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in.
