Various

Project Description: (please use a separate page if necessary)

The Project would improve resiliency and reliability of the segment of the San Diego Subdivision within the cities of Del Mar and San Diego where the rail line runs along a terrace on the eroding coastal bluffs. This includes doubletracking the alignment between the future Special Events Platform that will be constructed as part of the San Dieguito Double Track Project in the City of Del Mar and the north end of Sorrento Valley in the City of San Diego. This is the Updated NOP as of May 2025. The original NOP was released in June 2024.

Note: The State Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in.
