Project Title: City of San Clemente Sand Compatibility and Opportunistic Use Program Project

Project Applicant: City of San Clemente

Project Location (include county): City of San Clemente, Orange County, CA 92673

Project Description: The San Diego Water Board issued a Clean Water Act section 401 water quality certification (Certification No. R9-2025-0117) to the Project Applicant to capitalize on opportunities to obtain beach-quality sand from local construction, development, or dredging projects to provide shoreline protection, recreational benefits, and habitat enhancement. The program includes placement of up to 300,000 cubic yards of sand per year at up to four designated City beach fill sites (North Beach, Linda Lane, T Street North and T Street South).

This is to advise that the San Diego Water Board, a Responsible Agency, has approved the above-described project on June 26, 2025, and has made the following determinations regarding the above-described project.

1. The project will not have a significant effect on the environment.
2. A Negative Declaration was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures were made a condition of the San Diego Water Board's approval of the project.
4. A mitigation reporting or monitoring plan was adopted by the San Diego Water Board for this project.
5. A statement of Overriding Considerations was not adopted by the San Diego Water Board for this project.
6. Findings were made by the San Diego Water Board pursuant to the provisions of CEQA.

The Negative Declaration prepared for the project is available to the general public at the office of the Lead Agency listed above. The record associated with the San Diego Water Board's decision is available at 2375 Northside Drive, Ste. 100, San Diego CA 92108, ph. 619-521-1990 (Electronic File No./PIN 255211).
