Project Title: Butte Slough Outfall Gates Repair Project (Streambed Alteration Agreement EPIMS Notification No. COL-52026-R2)

Project Location: The project is located at Butte Slough tributary to Sacramento River and Sacramento River, in the County of Colusa, State of California; 39.195171, -121.93597 (WGS 84 datum, decimal degrees); Assessor's Parcel Number 015-250-016-000.

Project Description: The California Department of Fish and Wildlife (CDFW) has executed Lake and Streambed Alteration Agreement EPIMS Notification Number No. COL-52026-R2, pursuant to section 1602 of the Fish and Game Code to the project Applicant, Mitra Emami, Department of Water Resources.

The project consists of maintenance repairs and improvements to address structural and operational degradation of the existing structure, as well as project site improvements. Maintenance repairs and improvements will include the installation of supplemental outlet headwall support, replacing the existing inlet catwalk, repairing the inlet slides gates, and installing water flow/condition monitoring equipment.

This is to advise that the California Department of Fish and Wildlife, acting as a Responsible Agency, executed the above-described project on the date signed below and has made the following determinations regarding the project pursuant to California Code of Regulations section 15096, subdivision (i):

1. The project will not have a significant effect on the environment. This determination is limited to effects within CDFW's permitting jurisdiction as a Responsible Agency.
2. CDFW considered the mitigated negative declaration prepared by the Lead Agency for this project pursuant to California Code of Regulations section 15096, subdivision (f).
3. Mitigation measures were made a condition of CDFW's approval of the project.
