Subject: EXTENSION - Public Review Period for the Draft Environmental Impact Report for the Clearlake Airport Redevelopment Project (SCH Number 2024070264).

Dear Agencies, Organizations and Interested Parties:

On June 17, 2026, the City of Clearlake distributed the Notice of Availability (NOA) via email, initiating the public review and comment period for the Draft Environmental Impact Report (Draft EIR) for the Clearlake Airport Redevelopment Project.

The public review and comment period for the Draft EIR began on June 18, 2026, and was originally scheduled to close at 5:00 p.m. on August 3, 2026. To provide responsible agencies, interested organizations, and members of the public with additional time to review the Draft EIR, the City has determined that extending the public review period is appropriate.

Therefore, the deadline for submitting written comments on the Draft EIR is hereby extended to 5:00 p.m. on Monday, August 31, 2026. Agencies and organizations submitting comments are requested to identify a contact person in their correspondence and may be submitted by mail or email to the following:
