Categorical Exemption

2024 Shelly Lane Culvert Replacement Project

The following project has been determined not to have a significant effect on the environment and is classified as Categorically Exempt as outlined in Article 19 of the Regulations for Implementation of the California Environmental Quality Act of 1970 which has been promulgated pursuant to Section 21084 of the Public Resources Code.

The project falls under Class 1, Existing facilities which includes repair, maintenance, or minor alteration of existing public or private facilities including restoration or rehabilitation of deteriorated or damaged facilities.

The project falls under Class 2, Replacement or Reconstruction which includes facilities where the new structure will be located on the same site as the structure replaced and will have substantially the same purpose and capacity as the structure being replaced.

Description of Project

The work consists, in general, of replacing two existing culverts that have reached the end of their useful life. The project will replace the existing structures in the same location and for the same purpose as the existing facility, restore the damaged roadway to its original condition, and replace an existing underground utility line necessitated by the replacement of the culverts.

C. Troy Bartolomei
Director
