Project Title: Westwood Elementary School Master Plan Project

Project Applicant: Santa Clara Unified School District

Project Location (include county): 435 Saratoga Avenue, Santa Clara, Santa Clara County

Project Description:

The project is the implementation of a Master Plan for facility improvements at Westwood Elementary School. Full buildout of the Master Plan includes replacing most of the buildings on campus, and construction of a new administration building, kitchen and multipurpose room building, kinder and preschool classrooms, and a new two-story elementary school classroom. The new buildings would be located in the same built area of the campus where buildings are currently. Other improvements include expansion and reconfiguration of the parking lot and drop off areas on the western side of the campus. The intent of the Master Plan is to modernize the campus and update facilities for current and projected school needs. The Master Plan supports an overall decrease in student population at the site.

This is to advise that the Santa Clara Unified School District has approved the above
