RE: SCH# 2024081372 – Corrected Draft EIR and Public Review Time Extension.

To Whom It May Concern,

On May 28, 2025, the Draft EIR for SCH# 2024081372 was published by the State Clearinghouse. On June 3, 2025, a property owner informed the City that Section 5.1, Land Use, was missing from the Draft EIR on both the State Clearinghouse website and the City's website. The omission has been corrected and a complete Draft EIR has been posted on the City's website. All appendices and other attachments remain valid. The City of Lancaster is requesting that the corrected and complete Draft EIR be published on the State Clearinghouse website.

Additionally, the City has extended the end of the comment period on the Draft EIR from July 7, 2025 to July 21, 2025 in order ensure that all entities have 45 days to review the complete document. This change in the comment period has been noticed to all property owners and published in the local paper. The City is requesting that the extension of the comment period be shown on the State's website.

Should you have any questions or need additional information, please contact me at (661) 723-6249 or jswain@cityoflancasterca.org.

Sincerely,

Jocelyn Swain
