State of California - Department of Fish and Wildlife
2024 ENVIRONMENTAL DOCUMENT FILING FEE
CASH RECEIPT
DFW 753.5a (REV. 01/01/24) Previously DFG 753.5a

NOTICE

Each project applicant shall remit to the county clerk the environmental filing fee before or at the time of filing a Notice of Determination (Pub. Resources Code, § 21152; Fish & G. Code, § 711.4, subdivision (d); Cal. Code Regs., tit. 14, § 753.5). Without the appropriate fee, statutory or categorical exemption, or a valid No Effect Determination issued by the California Department of Fish and Wildlife (CDFW), the Notice of Determination is not operative, vested, or final, and shall not be accepted by the county clerk.

COUNTY DOCUMENTARY HANDLING FEE

The county clerk may charge a documentary handling fee of fifty dollars (\$50) per filing in addition to the environmental filing fee (Fish & G. Code, § 711.4, subd. (e); Cal. Code Regs., tit. 14, § 753.5, subd. (g)(1)). A county board of supervisors shall have the authority to increase or decrease the fee or charge, that is otherwise authorized to be levied by another provision of law, in the amount reasonably necessary to recover the cost of providing any product or service or the cost of enforcing any regulation for which the fee or charge is levied (Gov. Code, § 54985, subd. (a)).

COLLECTION PROCEDURES FOR COUNTY GOVERNMENTS

Filing Notice of Determination (NOD):

- ☐ Collect environmental filing fee or copy of previously issued cash receipt. *(Do not collect fee if project applicant presents a No Effect Determination signed by CDFW. An additional fee is required for each separate environmental document. An addendum is not considered a separate environmental document. Checks should be made payable to the county.)*
- ☐ Issue cash receipt to project applicant.
- ☐ Attach copy of cash receipt and, if applicable, previously issued cash receipt, to NOD.
- ☐ Mail filing fees for **CRP** document to CDFW prior to filing the NOD or equivalent final approval (Cal. Code Regs. Tit. 14, § 753.5 (b)(5)). The CRP should request receipt from CDFW to show proof of payment for filing the NOD or equivalent approval. Please mail payment to address below made attention to the Cash Receipts Unit of the Accounting Services Branch.

If the project applicant presents a **No Effect Determination** signed by CDFW, also:

- ☐ Attach No Effect Determination to NOD *(no environmental filing fee is due)*.

Filing Notice of Exemption (NOE) (Statutorily or categorically exempt project (Cal. Code Regs., tit. 14, §§ 15260-15285, 15300-15333))

- ☐ Issue cash receipt to project applicant.
- ☐ Attach copy of cash receipt to NOE *(no environmental filing fee is due)*.

Within 30 days after the end of each month in which the environmental filing fees are collected, each county shall summarize and record the amount collected on the monthly State of California Form No. CA25 (TC31) and remit the amount collected to the State Treasurer. Identify the remittance on Form No. CA25 as "Environmental Document Filing Fees" per Fish and Game Code section 711.4.

The county clerk shall mail the following documents to CDFW on a monthly basis:

- ✓ A photocopy of the monthly State of California Form No. CA25 (TC31)
- ✓ CDFW/ASB copies of all cash receipts (including all voided receipts)
- ✓ A copy of all CDFW No Effect Determinations filed in lieu of fee payment
- ✓ A copy of all NODs filed with the county during the preceding month
- ✓ A list of the name, address and telephone number of all project applicants for which an NOD has been filed. If this information is contained on the cash receipt filed with CDFW under California Code of Regulations, title 14, section 753.5, subdivision (e)(6), no additional information is required.

DOCUMENT RETENTION

The county shall retain two copies of the cash receipt (for lead agency and county clerk) and a copy of all documents described above for at least 12 months.

RECEIPT NUMBER

- # The first two digits automatically populate by making the appropriate selection in the County/State Agency of Filing drop down menu.
- # The next eight digits automatically populate when a date is entered.
- # The last three digits correspond with the sequential order of issuance for each calendar year. For example, the first receipt number issued on January 1 should end in 001. If a county issued 252 receipts for the year ending on December 31, the last receipt number should end in 252. CDFW recommends that counties and state agencies 1) save a local copy of this form, and 2) track receipt numbers on a spreadsheet tabbed by month to ensure accuracy.

DO NOT COMBINE THE ENVIRONMENTAL FEES WITH THE STATE SHARE OF FISH AND WILDLIFE FEES.

Project Title:

SSJID Surface Water Connection Project

Project Applicant:

City of Escalon

Project Location (include county):

Along Escalon-Bellota Road within San Joaquin County and the City of Escalon's Sphere of Influence. Specifically, the Project Components are located on Assessor's Parcel Number (APN): 207-190-06 and 225-020-11.

Project Description:

The Project is proposed to create a more reliable water supply during the summer months for the City of Escalon and to provide a large long-term supply of high-quality water for land use allowed under the approved general plan. Project components consist of a tee connection underground near the intersection of Escalon-Bellota Road and Dodds Road; a pipeline extension of 19,500 linear feet of 18-inch diameter PVC pipe; a flow control facility with above and below ground structures (flow meter vault, valve vault, electrical panel, 10-kW propane generator, communications equipment); a City-owned Booster Pump Station with above and below ground structures (pump station, 125-kW diesel generator, CMU block electrical room, 10,000-gallon storage tank, wet well, four pumps). No impacts on historically significant resources are indicated in the CEQA Initial Study prepared for the Project. The Project will be installed within existing and proposed easements using open trench and bore and

jack methods of construction. The City initiated outreach with the Native American Tribes Most Likely Descendent affiliated with the Project location pursuant to AB 52 were contacted: Buena Vista Rancheria of Me-Wuk Indians, California Valley Miwok Tribe, Chicken Rancho Rancheria of Me-Wuk Indians, Lone Band of Miwok Indians, Nashville Enterprise Miwok-Maidu-Nishinam Tribe, North Valley Yokuts Tribe, The Confederated Villages of Lisjan, Tule River Indian Tribe, Wilton Rancheria, Wuksache Indian Tribe/ Eshom Valley Band, and the United Auburn Indian Community of the Auburn Rancheria. On September 5, 2024, the City received a response from the California Valley Miwok Tribe. The tribe indicated that they understood the nature and purpose of the proposed Project and the tribe did not have any further comments or concerns

This is to advise that the City of Escalon (Lead Agency) has approved the above-described project on October 21, 2024 and has made the following determinations regarding the above described project.

1. The Project **will not** have significant effect on the environment
2. A Mitigated Negative Declaration was prepared for this project pursuant to the provisions of CEQA.
3. As a result of the public review process (September 5, 2024, to October 5, 2024) a modified mitigation measures BIO-01, BIO-02, BIO-03, BIO-04, UTL-02 were adopted.
4. Mitigation measures **were** made a condition of the approval of the project.
5. A mitigation reporting or monitoring plan **was** adopted for the project.
6. A statement of Overriding Consideration **was not** adopted for this project.
7. Findings **were** made pursuant to the provisions of CEQA.

This is to certify that the final negative Declaration, is available to the General Public at:
http://cityofescalon.org/government/departments/development_services/planning
