**SUBJECT: Filing of Notice of Determination in compliance with Section 21108 or 21152 of the Public Resources Code.**

State Clearinghouse Number (if submitted to State Clearinghouse): 2024090486

Project Title: Wastewater Plant Consolidation Project

Project Applicant: City of Rio Vista

Project Location (include county): City of Rio Vista, Solano County, cross streets: Beach Dr, South 2nd St, Bruning Ave, Front St, St. Francis Way, Airport Rd

**Project Description:**

The proposed project would enable the transfer of wastewater treatment services to the Northwest Wastewater Treatment Plant (WWTP) and cease all operations at the Beach WWTP. The project would include new force mains between 3' and 14' from the Beach WWTP to the Northwest WWTP and four lift stations (two new and two improved). The lift stations would pump wastewater through the new force mains to the Northwest WWTP. Additional treatment and process improvements would be made at the Northwest WWTP to add to the efficiencies of the existing process. Improvements would be made, to the extent feasible, to existing wastewater lines within existing roadways and previously disturbed right-of-way, urbanized areas, and to minimize alterations to undeveloped areas. The proposed project is needed to enable the City to improve and rehabilitate the existing wastewater service capacities and protect water quality and beneficial uses of the Sacramento River. The project is intended to enable transfer of service from the Beach WWTP and would not increase the overall capacity beyond what was previous planned.

This is to advise that the City of Rio Vista has approved the above  
( Lead Agency or  Responsible Agency)

described project on 5/20/2025 and has made the following determinations regarding the above  
(date)  
described project.

- 1. The project [ will  will not] have a significant effect on the environment.
- 2.  An Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA.  
 A Mitigated Negative Declaration was prepared for this project pursuant to the provisions of CEQA.
- 3. Mitigation measures [ were  were not] made a condition of the approval of the project.
- 4. A mitigation reporting or monitoring plan [ was  was not] adopted for this project.
- 5. A statement of Overriding Considerations [ was  was not] adopted for this project.
- 6. Findings [ were  were not] made pursuant to the provisions of CEQA.

This is to certify that the final EIR with comments and responses and record of project approval, or the negative Declaration, is available to the General Public at:
