Project Title: PD-24-21 – Sacramento River Floodplain Enhancement Project at Rancho Caleta (Restoration Management Permit No. RMP-2026-0050-R2 (RMP))

Project Location The Project is located on two parcels owned by River Partners along the Sacramento River at River Mile 142L and River Mile 141L. The Project is located in the County of Colusa, State of California; Latitude 39.1935881 and Longitude -121.9845097; Assessor's Parcel Numbers 015-130-020 and 015-130-132. The total Project area encompasses approximately 58 acres.

Project Description: The Project consists of removing existing earthen berms, grading floodplain habitat to increase frequency of swale inundation and create positive drainage towards the Sacramento River, restoring and enhancing riparian habitat, and monitoring and adaptively managing the restored land following initial restoration activities. The Project will restore and improve seasonal floodplain connectivity, improve juvenile salmonid rearing habitat, eliminate fish stranding hazards created by artificial barriers, and restore natural geomorphic and hydrologic processes within the Sacramento River floodplain.

CDFW has determined that the Project is a Qualifying Restoration Project pursuant to section 1671(d)(1) of the Fish and Game Code, and the Project is expected to result in a substantial, cumulative benefit to native fish, wildlife, plants, and their habitat, or any

combination thereof. This notice is to advise that CDFW issued the above-described RMP and has made the following determinations regarding the project pursuant to California Code of Regulations section 15096, subdivision (i).

This is to advise that CDFW, acting as a Responsible Agency, approved the Project described above on the date signed below and made the following determinations regarding the Project pursuant to California Code of Regulations section 15096, subdivision (i):

1. The Project will not have a significant effect on the environment. This determination is limited to effects within CDFW's permitting jurisdiction as a Responsible Agency.
2. CDFW considered the environmental impact report prepared by the Lead Agency for this project pursuant to California Code of Regulations section 15096, subdivision (f).
3. Mitigation measures were made a condition of CDFW's approval of the Project.
4. A Mitigation Reporting or Monitoring Plan was not adopted by CDFW for this Project.
5. A Statement of Overriding Considerations was not adopted by CDFW for this Project.
6. Findings were not made by CDFW pursuant to California Code of Regulations section 15091.

The Final EIR prepared for the project is available to the general public at the office location listed above for the Lead Agency. CDFW's record of project approval as a Responsible Agency is available at CDFW's regional office.
