Subject: Correction to Public Review Period for Draft Environmental Impact Report (EIR) for the Rio Vista 2045 General Plan Update (SCH #2024101291)

The City of Rio Vista requests to extend the public review period for the Draft Environmental Impact Report (EIR) for the Rio Vista 2045 General Plan Update (SCH #2024101291).

CORRECTION/UPDATE: The original Notice of Availability (NOA) published on August 15, 2025, provided a 45-day public review period. Due to temporary website access issues that affected the availability of the NOA and Draft EIR on the City's website, the City is extending the comment period by 30 days.

NEW DEADLINE: The extended public review period will now close on **Wednesday, November 5, 2025, at 5:00 p.m.**

This extension ensures full opportunity for public review and comment consistent with CEQA requirements. The City has resolved the website access issues, and all documents are currently available online.

If you have any questions regarding this correction, please contact:

Krystine Ball, Public Works Program Manager
City of Rio Vista Planning Department
