**Present Land Use/Zoning/General Plan Designation:**

The Project site has an existing General Plan Land Use designation of Medium High Density Residential. The Medium High Density Residential designation allows for single-family residential development at a density of 7.1-20.0 dwelling units per acre.

**Project Description:** *(please use a separate page if necessary)*

The Project site is a ±37.92-acre property designated for Medium High-Density Residential development in the City of Clovis General Plan. The applicant is proposing to Prezone the project site to allow for the development of a planned single-family residential development with unique development standards. The Project proposes 266 single-family residences with a ±0.75-acre park, associated landscaping, and utility and pedestrian infrastructure. This section describes the components of the proposed Project in more detail, including site preparations, proposed structures, and on- and off-site improvements.

*Note: The State Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in.*
