Present Land Use/Zoning/General Plan Designation:

Marina and Ferry/AG-80 (General Agriculture, 80-acre minimum)/ OS/RC (Resource Conservation)

Project Description: *(please use a separate page if necessary)*

This project is an Administrative Use Permit to expand an existing marina and associated uses on Acker Island in two phases over five years. The site previously operated as a restaurant with music and entertainment before ceasing operations in 2009. In 2022, a fire on the island destroyed the existing structures. This project includes the reconstruction of these structures in addition to construction of new structures for a total of 8,050 square feet at full build out. (Use Types: Marina, Recreation Facility-Resort).

Note: The State Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in.
