Project Title: Removal and Replacement of New Zealand Christmas Trees at Coronado Tidelands Park
Project Applicant: Kurt Brickley, Manager, Operations and Maintenance, San Diego Unified Port District, 3165 Pacific Highway, San Diego, CA 92101; (619) 686-6378
Project Location – Specific: Tidelands Park, 2000 Mullinex Dr, Coronado, CA 92118
Project location – City: Coronado
Project Location – County: San Diego

Description of Nature, Purpose, and Beneficiaries of Project: The proposed project would consist of the removal and replacement of two (2) existing New Zealand Christmas trees (scientific name *Metrosideros excelsa*) by the San Diego Unified Port District (District) at Coronado Tidelands Park in the city of Coronado, California.

The existing trees are located within the landscaped area along the western corner of the parking lot at Coronado Tidelands Park. The existing dying trees would be removed and replaced to avoid further deterioration and any potential issues or risks posed to public safety due to their decline. The District would remove and replace the existing trees with two (2) California Redbud trees (scientific name *Cercis occidentalis*) in the same planters, which would be planted with better spacing to accommodate the planting area. The tree species proposed for replanting is a non-invasive, drought tolerant plant species, and would reflect the palette of trees and shrubs approved for use throughout tidelands.

The proposed removal and replacement of the existing trees is anticipated to occur around November 2024 and is anticipated to take approximately one (1) day to complete, with operations beginning and concluding on the same day. Completion of the project would require a crew of approximately three (3) personnel and would not require special equipment other than simple chainsaws and associated landscaping tools. Due to the brief and temporary nature of the proposed project, there are no projected lane/path closures or parking impacts, and public access would be maintained during removal and replanting activities.

Due to its nature and limited scope, construction of the proposed project would generate a minor amount of vehicle trips and would require limited use of equipment. Therefore, impacts related to air quality, greenhouse gas emissions, and transportation and traffic are not anticipated to occur. Furthermore, the District would be responsible for complying with all applicable federal, state, and local laws regarding construction demolition, debris, hazards and hazardous materials, and stormwater.

Name of Public Agency Approving Project: San Diego Unified Port District (SDUPD)

Exempt Status: (Check one):
 Ministerial (Sec. 21080(b)(1); 15268);
 Declared Emergency (Sec. 21080(b)(3); 15269(a));
 Emergency Project (Sec. 21080(b)(4); 15269(b)(c));
 Categorical Exemptions: Existing Facilities (SG § 15301) (Class 1) and Minor Alterations to Land (SG § 15304) (Class 4)
 Statutory Exemption. State code number:

District Project Number: 2024-113

Reason Why Project is Exempt: The proposed project is determined to be Categorical Exempt pursuant to California Environmental Quality Act (CEQA) Sections 15301 (Existing Facilities) and 15304 (Minor Alterations to Land) and Sections 3.a. and 3.d. of the District's *Guidelines for Compliance with CEQA* because the proposed project would consist of the removal and replacement of two (2) existing trees that would involve no expansion of use beyond that previously existing, would result in no permanent effects on the environment, and would not involve the removal of mature, scenic trees. Section 3.a. and 3.d. of the District's *CEQA Guidelines* are as follows:

3.a. Existing Facilities: Includes operation, repair, maintenance, or minor alteration of existing public or private structures, facilities, mechanical equipment, or topographical features, involving negligible or no expansion of use beyond that previously existing, including but not limited to:

(12) Maintenance of existing landscaping, native growth, and water supply reservoirs;

AND/OR

3.d. Minor Alterations to Land: Includes minor alterations in the condition of land, water and/or vegetation not involving removal of mature, scenic trees, including but not limited to:

(5) New gardening or landscaping.
