Project Description: (please use a separate page if necessary)

This Use Permit Major Modification application was processed under the County's Code Compliance Program as described in Resolution No. 2018-164 adopted by the Napa County Board of Supervisors on December 4, 2018. The proposal is to grant a modification to Use Permit No. 97506-UP, and subsequent modifications, to recognize and approve items that are out of compliance with permitted entitlements and expand beyond existing entitlements. Project components include an increase in employees, daily visitation, marketing events, the addition of on-premises consumption of wine produced on-site, conversion of office space to tasting rooms, parking spaces, and infrastructure improvements. Additionally, installation of a new replacement well on a parcel across Redwood Road to be used exclusively to serve the winery property.

Note: The State Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in.
