Zoning: High Density Mixed Use/Planned Development; General Plan Designation: High Density Mixed Use/Research and Development

**Project Description:** *(please use a separate page if necessary)*

The Campbell Tech Park Project includes the development of a 290 units residential development that consists of 27 two-story single-family detached homes, three-story townhome-style condominiums with 149 units across 28 buildings, and four-story townhome-style condominiums with 114 units across 15-buildings. The Project would demolish the existing structures onsite to redevelop the site with the residential development and would include utility and infrastructure improvements, landscaping, construction of a new stormwater drainage system, and offsite improvements.

Note: The State Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in.
