County Clerk

12400 Imperial Hwy. Norwalk, CA 90650

To: Office of Planning and Research P.O. Box 3044, Room 113 Sacramento, CA 95812-3044

County of: Los Angeles

From: (Public Agency): City of Los Angeles Department of Cannabis Regulation

221 N. Figueroa St., Suite 1245, Los Angeles, CA 90012

(Address)

Project Title: DCR CORE RECORD NO. 100026

Project Applicant: Compassion Union, Inc.

Project Location - Specific:

11669, 11669 1/2, 11671, 11671 1/2 Vanowen Street North Hollywood, CA 91605 / Va

Project Location - City: North Hollywood Project Location - County: Los Angeles

Description of Nature, Purpose and Beneficiaries of Project:

Retail sales, cultivation, manufacturing and distribution of commercial cannabis products under State and local law.

Name of Public Agency Approving Project: City of Los Angeles, Department of Cannabis Regulation

Name of Person or Agency Carrying Out Project: Compassion Union, Inc.

Exempt Status: (check one):

- □ Ministerial (Sec. 21080(b)(1); 15268);
- \Box Declared Emergency (Sec. 21080(b)(3); 15269(a));
- □ Emergency Project (Sec. 21080(b)(4); 15269(b)(c));
- Categorical Exemption. State type and section number: CEQA Sections 15301 & 15332/Class 1 & 32
- □ Statutory Exemptions. State code number:

Reasons why project is exempt:

Environmentally benign infill project consistent with the General Plan, Zoning requirements and consistent with the criteria for a Class 1 & Class 32 Categorical Exemption pursuant to CEQA Guidelines Section 15301 & 15332 and does not require further analysis based on the exceptions in CEQA Guidelines Section 15300.2, and thus, DCR finds that no further CEQA analysis is required.

RECOMMENDATION REPORT FOR RETAIL WITH ON-SITE SALES COMMERCIAL CANNABIS LICENSE

Pursuant to Los Angeles Municipal Code (LAMC) Section 104.06, the following application for commercial cannabis activity is complete and the Department of Cannabis Regulation (DCR) has determined the Applicant meets the requirements for the issuance of an Annual License for the commercial cannabis activity listed below. DCR recommends that the Cannabis Regulation Commission approve the issuance of an Annual License. DCR also has determined this project is categorically exempt from the requirements of the California Environmental Quality Act (CEQA) pursuant to the Class 1 and Class 32 categorical exemptions.

DCR Core Record No.:	100026
Applicant Name:	Compassion Union, Inc.
DCR Record No. / Activities Requested:	LA-R-24-100026-ANN / Retail w/ on-site sales (Type 10)
Proposed Project:	The Applicant seeks an Annual License for the Type 10 Retail Storefront with on-site sales commercial cannabis activity pursuant to LAMC section 104.06 et. al.
Business Premises Address/ Project Location:	11669, 11669 1/2, 11671, 11671 1/2 Vanowen Street North Hollywood, CA 91605
Council District: Closest Neighborhood Council (NC): Business Improvement District: Community Plan Area: Zoning:	2 North Hollywood Northeast None North Hollywood - Valley Village M1-1VL
LAMC Section / "Phase":	LAMC 104.07 / Phase 1
Evidence of Offer to Meet with NC:	Yes
Complaint Portal Entry: Recent Compliance Inspection:	No No
Social Equity Applicant / Ownership %:	No
Environmental Analysis/Clearance: ENV-100026-ANN	Notice of Exemption pursuant to the Class 1 and Class 32 categorical exemptions (tit. 14, Cal. Code Regs., §§ 15301, 15332)

BACKGROUND:

The Business Premises is located at 11669 - 11671¹/₂ Vanowen Street, North Hollywood, CA 91605, a parcel zoned for Limited Manufacturing purposes. The Applicant was issued Temporary Approval by DCR with an effective date of January 1, 2018. Since that time, the Applicant has completed all requirements for the issuance of an Annual License in accordance with LAMC Section 104.06. The Applicant currently possesses a State provisional License, C12-0000106-LIC, to conduct Retail with on-site sales Commercial Cannabis Activity, which is active through June 25, 2025. The Applicant is not subject to the requirements of LAMC Section 104.20 for the Social Equity Program.

DEPARTMENT ANNUAL LICENSING RECOMMENDATION:

DCR recommends approving the Annual License for the Applicant based on the following factors:

- The Applicant has met the Application requirements under LAMC Section 104.03.
- The Business Premises location meets the requirements under LAMC Section 105.02.
- The Application does not contain any grounds for denial under LAMC Section 104.04.

COMMUNITY INPUT:

On or about September 4, 2024, DCR provided notice of the community meeting and Cannabis Regulation Commission meeting by mail to the owners and occupants of all property within 700 feet of the property line of the Business Premises. Notice was also provided to the nearest Neighborhood Council, Business Improvement District, and Council Office.

The virtual community meeting was held on September 26, 2024. During the meeting, members of the public were afforded two minutes each to speak about the Application. DCR also accepted online written input through the date of the community meeting. DCR did not receive oral or written testimony for this Applicant.

Total Number of Comments	0

The Applicant provided timely proof to DCR that it contacted the nearest Neighborhood Council and offered to appear before the Neighborhood Council in accordance with LAMC Section 104.06(b)(1)(ii).

COMPLIANCE REVIEW:

DCR has not recently performed a compliance inspection for this Applicant. However, this business shall be subject to multiple, future inspections by DCR and several other agencies prior to the receipt of an Operating Permit. An Operating Permit is the final authorization from DCR to conduct Commercial Cannabis Activity, and is issued only after a licensee has passed a Final Inspection by DCR, and obtained all permits, clearances, or other authorizations required by law, which may include a Certificate of Occupancy from the Los Angeles Department of Building and Safety, clearance from the Los Angeles Fire Department and/or permit from the Los Angeles County Department of Public Health.

THERE ARE NO EXISTING REASONS TO DENY AN ANNUAL LICENSE:

DCR or the Cannabis Regulation Commission may deny an Annual Application for the reasons stated in LAMC section 104.04. These denial reasons include, but are not limited, to:

- The Business Premises is substantially different from the diagram of the Business Premises submitted by the Applicant or Licensee;
- Denying DCR employees or agents access to the Business Premises;
- Procuring a License by fraud or deceit, making a material misrepresentation, false statement, or knowingly failing to disclose a material fact;
- Failing to timely to provide DCR with requested information, forms or documents;
- Denial of a license, permit or other authorization to engage in Commercial Cannabis Activity by any state or other local licensing authority;
- Creation a significant public safety problem as documented by a law enforcement agency;
- Failure to adhere to the requirements of this article or the Rules and Regulations;
- Engaging in unlicensed Commercial Cannabis Activity in violation of Section 104.15;

- Revocation of Temporary Approval;
- Failing a Business Premises inspection by DCR, another City agency, or the Los Angeles County Department of Public Health; or
- The Business Premises was the site of a utility disconnect, padlocking or certain criminal convictions for a period of 5 years from the date of the conviction, padlock or disconnect;
- Improper zoning or distancing of the Business Premises from Sensitive Uses under LAMC Section 105.00 *et seq.*;
- An Owner is an individual who holds office in, is employed by any agency of the State of California and any
 of its political subdivisions when the individual's duties include the enforcement or regulation of Commercial
 Cannabis Activity or any other penal provisions of law of the State of California prohibiting or regulating
 Commercial Cannabis Activity; and,
- An Owner is an entity incorporated outside of the United States.

At present, DCR is not aware of any existing facts or circumstances to deny this Annual License for the reasons in LAMC Section 104.04. Thus, DCR recommends the Commission approve the issuance of this Annual License.

CALIFORNIA ENVIRONMENTAL QUALITY ACT (CEQA) PROJECT DESCRIPTION:

The Applicant seeks conversion of an existing Retail Storefront (Type 10) Temporary Approval to an Annual License to be located on an existing site zoned for Limited Manufacturing, M1-1VL at 11669 - 11671¹/₂ W. Vanowen Street, North Hollywood, CA 91605 (Assessor's Parcel Number 2320-011-001). The Project-Specific Information (LIC-4013-FORM) submitted by the Applicant states that existing structures will remain with no expansion proposed (Exhibit A). Existing City sewer service is provided to the project site, and water and electricity are provided by the City of Los Angeles Department of Water and Power. Operations would be seven days per week from 8:00 a.m. to 10:00 p.m. Pre-application review has found the project to be consistent with planning and zoning. Further project site information is provided in the Project Parcel Profile Report from the City's Zone Information and Map Access System (ZIMAS) (Exhibit A). Compliance with Los Angeles Municipal Code Sections 104.00 *et seq.* and 105.00 *et seq.*, as well as DCR's Rules and Regulations, does not waive or otherwise circumvent any other City or State requirements or necessary permits from the City, State, or other public agencies, such as the Los Angeles Department of Building and Safety, the Los Angeles Fire Department, or the Los Angeles County Public Health Department. Full compliance with all applicable regulations for the proposed cannabis use(s) are assumed in this analysis.

CEQA PROJECT ANALYSIS & FINDINGS:

Land Use/Zoning Designations

Limited Manufacturing/M1-1VL

Surrounding Land Use/Zoning Designations

Limited Manufacturing/M1-1VL Highway Oriented Commercial/C2-1VL Low Medium II Residential/RD1.5-1

Subject Property

The subject site is a fully developed lot within the North Hollywood - Valley Village Community Plan Area. The lot is approximately 87.5 feet deep and a width of 100 feet along Vanowen Street. The site is currently developed with a Commercial - Store Combination - Store and Office Combination - One Story building, built in 1926 proposed to be maintained.

The site has a Limited Manufacturing land-use designation and is zoned M1-1VL. The site is located within Council District 2, North Hollywood Northeast Neighborhood Council, and the lot is flat and contains a preexisting building to be used by the Applicant.

Abutting Properties

Abutting uses include medium residential and light manufacturing uses within 200 feet of the site. The immediate area along Vanowen Street is predominantly developed with Limited Manufacturing uses, zoned M1-1VL, Highway Oriented Commercial zoned C2-1VL and Medium Residential uses, zoned RD1.5-1. (See Exhibit A)

CEQA Findings

CEQA Guidelines, Sections 15301 & 15332, Class 1 & Class 32, consists of projects characterized as in-fill development meeting the following 5 conditions: (a) The project is consistent with the applicable general plan designation and all applicable general plan policies as well as with the applicable zoning designation and regulations; (b) The proposed development occurs within city limits on a project site of no more than five acres substantially surrounded by urban uses; (c) The project site has no value as habitat for endangered, rare or threatened species; (d) Approval of the project would not result in any significant effects relating to traffic, noise, air quality, or water quality; and (e) The site can be adequately served by all required utilities and public services.

These conditions are met as follows: The project is consistent with the applicable general plan designation and all applicable general plan policies as well as with the applicable zoning designation and regulations for the requested commercial cannabis activities.

a) The site is comprised of one lot totaling approximately 8,511.7 gross square feet, zoned M1-1VL with a Commercial - Store Combination - Store and Office Combination - One Story building originally constructed in 1926. No relief has been requested from any applicable provision or requirement of the Los Angeles Municipal Code.

b) The subject site is wholly within the City of Los Angeles, on an approximately 8,511.7 gross square foot property (i.e., less than five acres), and is substantially surrounded by urban uses. The surrounding area is zoned Limited Manufacturing, and developed with a mix of medium residential and light manufacturing buildings along Vanowen Street between Lankershim Boulevard and Troost Avenue.

c) The project site has no value as habitat for endangered, rare or threatened species. The project is located within an established, fully developed, neighborhood. The project site has no value as habitat for endangered, rare or threatened species. The project does not propose the removal of any trees on-site and/or within the adjacent public right-of-way.

d) Approval of the project would not result in any significant effects relating to traffic, noise, air quality, or water quality.

e) The site can be adequately served by all required utilities and public services. The project site will be adequately served by all required public utilities and services, given that the site is currently served by the City's Department of Water and Power, the City's Bureau of Sanitation, the Southern California (SoCal) Gas Company, the Los Angeles Police Department, the Los Angeles Fire Department, Los Angeles Unified School District, Los Angeles Public Library, and other public services. Compliance with Regulatory Compliance Measures as enforced through the Department of Building and Safety permitting process will ensure that any needed improvements are made in order to provide adequate delivery of utilities and services to the proposed project.

CEQA Section 15300.2: Exceptions to the Use of Categorical Exemptions. The City has further considered whether the proposed project is subject to any of the exceptions set forth in State CEQA Guidelines Section 15300.2, that would prohibit the use and reliance on the categorical exemptions. None of the exceptions are triggered. As the proposed project will result in no physical changes to the site, the project would not have physical impacts to the environment. As such, it would not have a combined impact with other projects in the area that would result in cumulative impacts. There are no unusual circumstances associated with the project, which is proposed in general plan designation and zoning classification that allow the proposed use. The project will not physically change the site or the existing structures. Therefore, the project would have no impact on scenic resources, historic building(s), and the site is not on the lists that satisfy Government Code Section 65962.5, commonly referred to as the "Cortese List," as being affected by hazardous wastes or clean-up problems.

Based on the analysis above, the proposed project is consistent with the criteria for Class 1 and Class 32 categorical exemptions (tit. 14, Cal. Code Regs., §§ 15301, 15332) and does not require further analysis based on the exceptions in CEQA Guidelines Section 15300.2, and thus, DCR finds that no further CEQA analysis is required.

In conclusion, since the project meets all of the requirements for categorical exemption as set forth at CEQA Guidelines, Sections 15301 & 15332, and none of the applicable exceptions to the use of an exemption apply to the project, it is appropriate to determine this project is categorically exempt from the requirements of CEQA.

DEPERTMENT OF CANNABIS REGULATION RECOMMENDED ACTIONS:

That the Cannabis Regulation Commission:

- Determine, based on the whole of the administrative record, that the project is exempt from the California Environmental Quality Act (CEQA) pursuant to Article 19, Section 15301, Class 1, and Article 19, Section 15332, Class 32 of the State CEQA Guidelines (tit. 14, Cal. Code Regs., §§ 15301, 15332), and there is no substantial evidence demonstrating that an exception to a categorical exemption pursuant to CEQA Guidelines Section 15300.2 applies;
- pursuant to כבמא כעומפווחפג לאכנוסה ולאסט ב מקטופג; 2. Pursuant to Los Angeles Municipal Code Section 104.06(b)(2), approve the Annual License for Type 10 Storefront Retail Commercial Cannabis Activity at the Business Premises location; and,
- 3. Adopt DCR's Project Analysis & Findings as the Commission's report on the subject.

PROJECT-SPECIFIC INFORMATION FORM

LIC-4013-FORM

Instructions: Before the Department of Cannabis Regulation (DCR) can grant an Annual License, DCR must independently evaluate the document prepared for the project in compliance with the California Environmental Quality Act (CEQA), or documentation provided by the Applicant or Licensee as evidence of exemption from CEQA. To conduct this evaluation, DCR must have a complete description of the proposed project that provides information about the project site, including existing conditions and facilities, proposed facilities and improvements, and the construction methods and operations practices of the proposed project.

Please provide detailed responses with as much information as possible. If more space is needed, additional pages may be added. Missing, incomplete, or inconsistent information may delay the processing of your Annual License Application.

Categorical Exemption Evaluation Form

Instructions: Before the Department of Cannabis Regulation (DCR) can grant an Annual License, DCR must independently evaluate the document prepared for the project in compliance with the California Environmental Quality Act (CEQA), or documentation provided by the Applicant as evidence of exemption from CEQA. To conduct this evaluation, DCR must have a complete description of the proposed project that provides information about the project site, including existing conditions and facilities, proposed facilities and improvements, and the construction methods and operations practices of the proposed project. DCR can complete its review more quickly and efficiently when applicants provide as much of the information needed by DCR to complete an independent evaluation of the proposed project as is available.

Please provide detailed responses. If more space is needed, additional pages may be added. Missing, incomplete, or inconsistent information may delay the processing of your Annual License Application.

Project Description: Insert project description information or reference where this information is located.

Categorical Exemption Evaluation Form

Class 1: Existing Facilities

1. Is the project site currently operating as a cannabis activity site or a similar use, or has it recently operated for this purpose?

🗆 Yes 🔳 No

Provide details of current or prior operation(s). Cite source(s) of information.

ERARTMENT OTM
CITY OF

Does the project involve an expansion of existing structures that would be considered negligible or no expansion of existing or former use? (If no, skip to Question 6)
 □ Yes ■ No

Provide expansion details, if applicable. Cite source(s) of information.

ANGE

3. Project Expansion: ______ Size of expansion in square feet: ______

Cite source(s) of information.

a. Would the expansion be less than or equal to 2,500 square feet or 50 percent of the floor area before expansion? (If yes, skip to <u>Question 6</u>.) □ Yes □ No

Cite source(s) of information.

b. Would the expansion be more than 2,500 square feet or 50 percent of the floor area before expansion? (If yes, skip to <u>Question 4</u>.)
 □ Yes □ No

Cite source(s) of information.

c. Would the expansion be greater than 10,000 square feet?

Cite source(s) of information.

4. Is the project site served by all public services sufficient to serve the project (e.g., water, sewer, electricity, gas)?

Describe which public services serve the project site. Cite source(s) of information.

□ Yes □ No

5. Is there evidence that the project site is located in an environmentally sensitive area?

□ Yes □ No

Describe the environmentally sensitive area (if applicable). Cite source(s) of information, if available.

- 6. Does the project require a water right permit or another environmental permit that could result in physical changes to the environment? (If yes, see instructions.)
 - 🗆 Yes 🔳 No

List permits required and any potential physical changes that could occur. Cite source(s) of information.

7. Does the project require demolition and removal of individual small structures (e.g., one single-family residence, a duplex or similar multifamily structure, a store, motel or restaurant or accessory structures?

🗆 Yes 🔳 No

Describe size of structure to be demolished and location.

Categorical Exemption Evaluation Form

Class 2: Replacement or Reconstruction

1. Does the project involve the replacement or reconstruction of an existing structure on the same site as the structure being replaced or reconstructed?

🗆 Yes 🔳 No

Describe both the existing structure and replacement structure, including the location on the site. Cite source(s) of information.

2. Would the new structure have substantially the same purpose and capacity as the existing structure?

🗆 Yes 🔳 No

Provide information on the purpose of both the existing and replacement structures to ensure they are the same. Cite source(s) of information.

3. Does the project require a water right permit or another environmental permit that could result in physical changes to the environment? (If yes, see instructions.) □ Yes ■ No

List permits required and any potential physical changes that could occur. Cite source(s) of information.

Class 32: Infill Development Projects

1. Is the project consistent with the general plan designation, all applicable general plan policies, and zoning designation and regulations for the site?

🗆 Yes 🔳 No

Cite source(s) of information.

3. Does the project site have value as habitat for endangered, rare, or threatened species?

🗆 Yes 🔳 No

Describe any habitat for endangered, rare, or threatened species identified on or near the project site (if applicable). Cite source(s) of information.

4. Would the project have significant impacts related to traffic, noise, air quality, or water quality?

🗌 Yes 🔳 No

Describe potential impact(s) and evidence (if applicable). Cite source(s) of information.

6. Does the project require a water right permit or another environmental permit that could result in physical changes to the environment? (If yes, see instructions.) □ Yes ■ No

List permits required and any potential physical changes that could occur. Cite source(s) of information.

Exceptions to Exemptions

1. Scenic Highways

a. Is the project visible from an official State Scenic Highway?

🗆 Yes 🔳 No

List State Scenic Highway(s) from which the project is visible (if applicable). Cite source(s) of information.

List the historic resource(s) potentially affected and describe the potential effects (if applicable). Cite source(s) of information.

4. Is there evidence of the potential for the project to contribute to a significant cumulative impact?

🗆 Yes 🔳 No

Describe the potential cumulative impact(s) and evidence (if applicable). Cite source(s) of information.

Describe the potential impact(s), circumstances, and evidence (if applicable). Cite source(s) of information.

6. Would the project impact an environmental resource of hazardous or critical concern? □ Yes ■ No

Provide details, if needed. Cite source(s) of information.

7. Does the project involve the removal of healthy, mature, scenic trees (except for forestry and agricultural purposes)?
 □ Yes ■ No

Provide details, if needed. Cite source(s) of information.

Class: Category: Category:

Explanation of how the project fits the CEQA exemption indicated above:

The Applicant moved into an existing facility. The project consists of the leasing, operation, maintenance, and repair of existing private structures involving no expansion at this time. Improvements to the facility are largely contained to the interior of the facility. LED Lighting was installed and new security equipment was installed on the interior and exterior of the facility.

1. Source(s) of Information: Identify Sources: Indicate the document(s) or other sources of information reviewed to complete this form.

http://zimas.lacity.org www.Mapquest.com Google Maps

2. Project Location and Surrounding Land Use.

(a) Describe Project Location: Provide detailed information about the project location and any other physical description that clearly indicates the project site location.

The project is a corner property consisting of 5 parking spots. The surrounding businesses are mainly industrial, body shops and paint body work for automotive.

(b) Existing Land Uses/Zoning: Describe the current land uses on the project site and any existing buildings and structures. Describe the surrounding land uses and zoning designations within a one-half mile radius of the project and list all abutting land uses.

There is no special land use. General Community Commercial use. Surrounding businesses are M1 use.

(c) Previous Use: Describe the previous use of the Project site or facility, if known. Include an estimate of the time such previous operations ceased, if such information is available.

We are not certain but previous business was a retail business for selling auto audio and tinting business that went out of business. It is known that it was considered a retail use business.

(d) Was the site previously used for a similar use? The key consideration is whether the project involves negligible or no expansion of an existing use.

Yes as a retail commercial business

- (e) Maps to be Included: Provide a vicinity map and aerial image to show the project location. Include photographs, not larger than 8½ by 11 inches, of existing visual conditions as observed from publicly accessible vantage point(s).
- 3. Project Operations/Description. Provide the following information about project operation and maintenance activities. If more than one type of cannabis activity is occurring on-site, provide a description of the project operations for each activity. This should include the following relevant information.
 - (a) Activities Occurring Onsite: Describe the activities included in the project application and identify any other commercial cannabis activity or activities occurring at the proposed premises, including other proposed cannabis activities occurring on the property. Describe the cannabis business operation methods and activities (e.g. cultivation methods, manufacturing and/or distribution operations).

The retail facility will receive finished cannabis products from licensed distributors and will offer in-store shopping, curbside pick-up for retail customers, and direct delivery to customers and patients. Since this is a micro business license there is a small indoor cultivation, manufacturing, distribution operations occurring at the site. There are no other commercial cannabis licensees or activities occurring at the property besides those to be operated by licensee, Compassion Union Inc.

An employee inspects received shipments of products in the intake area before moving accepted inventory into a separate, secured storage room. The loading and unloading area is monitored and recorded 24 hours per day by the video surveillance system.

(b) Cannabis Operation Activities Owned by the Same or Different Businesses: Describe any additional cannabis operation activities existing or proposed either owned by the same or different businesses on the property.

none			
	The second se	TM	

(c) Project Size: Quantify the project size (total floor area of the project), and the lot size on which the project is located, in square feet.

The project size is 4,621 SF. the lot size 8,511 SF

(d) State License: Identify whether the applicant is licensed by, or has applied for licensure from, the California Department of Cannabis Control to engage in commercial cannabis activity at the proposed premises.

C12-0000106

(e) Hours of Operation/Work Shifts: Identify the hours of operation/work shifts for the project.

(f) Number of employees (total and by shift): Estimate the number of anticipated employees onsite and occupancy during operating hours.

Total employees will be 7-8 and usually shift consists of 3-4 employees

(g) Estimated Daily Trip Generation: Estimate the frequency of deliveries or shipments originating from and/or arriving to the project site. Identify the approximate number of vehicle trips per day to be generated by the project and information regarding the days and times most trips are expected to occur.

2-3 incoming deliveries per day

(h) Source(s) of Water: Name all sources of water, and indicate whether a new or amended water right must be obtained from the State Water Resources Control Board.

The water source for the project site is municipal, LADWP. Sit is registered with water right from the State Water Resources Control Board.

() Wastewater Treatment Facilities: Describe the facilities for treatment of wastewater (e.g., leach field, City wastewater collection facilities).

Wastewater is disposed of in the municipal wastewater treatment facility, City of Los Angeles' wastewater system. Activities that produce wastewater will be limited to domestic uses, cultivation water is recycled and mainly including hand-washing.

4. Environmental Setting:

(a) Describe natural characteristics on the project site:

The site is a corner property a gate wraps around the property from Vanowen St and Troost Ave.

(b) General Topographic Features (slopes and other features):

NA

(c) Natural characteristics (general vegetation types, drainage, soil stability, habitat, etc.):

NA

(d) Identify whether there are any watercourses and riparian habitats within 150- feet of the proposed premises (e.g., drainage swales, stream courses, springs, ponds, lakes, creeks, tributary of creeks, wetlands):

None		

(e) Identify whether the property contains natural features of scenic value of rare or unique characteristics (e.g., rock outcroppings, mature trees):

None	8 hills	

(f) Identify whether the property has any historic designations or archeological remains onsite:

None	
Identify whether the property contains habita	at for special status species:

None

(g)

(h) Identify the location, type, and quantity of hazardous materials, as defined by Health and Safety Code section 25260, that are stored, used, or disposed of at the project site and a copy of the Hazardous Material Business Plan (HMBP) prepared for the proposed premises, if any:

None	S	
7, 0		
NVA.		

() Discuss whether the project will increase the quantity and type of solid waste, as defined by Public Resources Code section 40191, or hazardous waste, as defined by Health and Safety Code section 25117, that is generated or stored onsite:

None just boxes and general trash. All other cannabis waste is hauled from site by a registered cannabis hauling waste company Mediwaste Disposal.

() Describe the project's anticipated operational energy needs, identify the source of energy supplied for the project and the anticipated amount of energy per day, and explain whether the project will require an increase in energy demand and the need for additional energy resource:

No more than existing use. 1 AC unit for the retail building a 5 ton existing to keep air flow and a 2 ton additional for inventory room. The cultivation has 3, 5 ton AC units however we are using LED lights which are very energy efficient and limit our AC use. There are 2 additional 2 ton units inside the cultivation for the clone and mother room to keep temperatures balanced.

5. Explain whether any of the project activities will expand the existing footprint of the proposed facility beyond the current structural or parcel boundaries, increase the amount of impervious surface, or reduce any natural habitat. If the project is part of a larger project, attach a separate sheet to briefly describe the larger project.

6. Environmental Commitments: List any environmental commitments agreed to by the applicant to the protection of biological or cultural resources, energy efficiency, water efficiency, noise abatement, lighting, or other aspects of the project that may reduce impacts on the environment.

None		E Y L Y	
C			
Y.			

7. Other Relevant CEQA Information: Submit any other relevant CEQA documentation or information that will assist the Department in determining CEQA compliance (e.g., any environmental impact analysis prepared by a consultant.

None

Project-Specific Information Form

DCR Record No. LA-R-23-100026-ANN

- 8. Permits Required: List all other required federal, state, and local permits required, including, but not limited to, all entitlements required for this project by a planning commission, local air district, or regional water board. Identify whether the commercial cannabis business(es) is licensed by or has applied for licensure from the Department, or one of the prior state cannabis licensing authorities:
 - California Department of Cannabis Control
 - Los Angeles Fire Department
 - Los Angeles Department of Building and Safety
 - □ California Department of Fish and Wildlife
 - State Water Resources Control Board / Regional Water Quality Control Board
 - County of Los Angeles Public Health Permit
 - □ Local Air District
 - □ Streambed Alteration Agreement
 - □ Water quality protection program
 - Los Angeles Department of Water and Power
 - Los Angeles Department of Public Works, Bureau of Sanitation

Partial List of Categorical Exemptions under CEQA

Certain commercial cannabis activities (projects) may be exempt from further environmental review pursuant to the California Environmental Quality Act (CEQA) because they fall within a class of projects determined not to have significant effect on the environment. (Cal. Code Regs., tit. 14, § 15300 et seq.) Common exemptions that may apply have been identified below.

Class 1Existing FacilitiesConsists of the operation, repair, maintenance, perm leasing, licensing, or minor alteration of existing publ private structures, facilities, mechanical equipment, or topographical features, involving negligible or no exp of use beyond that existing at the time of the lead ag determination. (Cal. Code Regs., tit. 14, §15301.)Class 2Replacement or ReconstructionConsists of replacement or reconstruction of existing structures and facilities where the new structure will located on the same site as the structure replaced w new structure of substantially the same size, purpose capacity. (Cal. Code Regs., tit. 14, § 15302.)Class 3New Construction or Conversion of Small StructuresConsists of construction and location of limited numbr new, small facilities or structures; installation of small equipment and facilities in small structures; and the conversion of existing small structures from one use another where only minor modifications are made in exterior of the structure. (Cal. Code Regs., tit. 14, § Consists of minor public or private alterations in the of land, water, and/or vegetation which do not involvi removal of healthy, mature, scenic trees except for fa and agricultural purposes. (Cal. Code Regs., tit. 14, § 15304.)Class 11Accessory StructuresConsists of construction, or placement of minor structure	
Reconstructionstructures and facilities where the new structure will located on the same site as the structure replaced w new structure of substantially the same size, purpose capacity. (Cal. Code Regs., tit. 14, § 15302.)Class 3New Construction or Conversion of Small StructuresConsists of construction and location of limited numbric new, small facilities or structures; installation of small equipment and facilities in small structures; and the conversion of existing small structures from one use another where only minor modifications are made in exterior of the structure. (Cal. Code Regs., tit. 14, §Class 4Minor Alterations to LandConsists of minor public or private alterations in the of of land, water, and/or vegetation which do not involve removal of healthy, mature, scenic trees except for fa and agricultural purposes. (Cal. Code Regs., tit. 14, § 15304.)	or Dansion
Conversion of Small Structuresnew, small facilities or structures; installation of small equipment and facilities in small structures; and the conversion of existing small structures from one use 	be vith a
of land, water, and/or vegetation which do not involve removal of healthy, mature, scenic trees except for fo and agricultural purposes. (Cal. Code Regs., tit. 14, 15304.)	ll new to the
