Present Land Use/Zoning/General Plan Designation:

Open Space and Rural Residential

Project Description: *(please use a separate page if necessary)*

EBRPD is proposing a new 2.5-mile regional trail segment of the Proposed Calaveras Ridge Regional Trail in Contra Costa County (Project). The Project proposed to construct 1.2- miles of new trail and will utilize 1.3-miles of an existing dirt roadway. Much of the Project is within an easement owned by EBRPD over private land. This trail segment would connect to the existing Lafayette/Moraga Regional Trail, then continue south to Rohrer Drive and the Rohrer Trail and eventually Las Trampas Regional Preserve. The Calaveras Ridge Regional Trail is one of the originally designated regional trail corridors in the EBRPD Master Plan. Once constructed, this multi-use trail corridor parallels the Interstate 680 corridor connecting six regional parks.

Note: The State Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in.

Reviewing Agencies Checklist

Lead Agencies may recommend State Clearinghouse distribution by marking agencies below with an "X".
If you have already sent your document to the agency please denote that with an "S".
