Project Title: El Camino Real Specific Plan

Project Applicant: City of Santa Clara

Project Location (include county): El Camino Real between Lafayette Street on the east and the City limit

Project Description:

The EIR provides CEQA clearance for the adoption of the El Camino Real Specific Plan (Specific Plan). The Specific Plan will provide guidance for the transformation of land uses along the El Camino Real corridor and support a multimodal transportation facility, consistent with the General Plan vision. In addition to providing the standards and guidelines that would apply to all development in the plan area, the Specific Plan also defines four land use designations with corresponding character areas along the El Camino Real and provides specific standards and guidelines for these areas.

This is to advise that the City of Santa Clara has approved the above (Lead Agency or Responsible Agency)

described project on 5/20/26 and has made the following determinations regarding the above described project.

- 1. The project will have a significant effect on the environment.
2. An Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures were made a condition of the approval of the project.
4. A mitigation reporting or monitoring plan was adopted for this project.
5. A statement of Overriding Considerations was adopted for this project.
6. Findings were made pursuant to the provisions of CEQA.

This is to certify that the final EIR with comments and responses and record of project approval, or the negative Declaration, is available to the General Public at:
