(Address)

Project Title: DCR CORE RECORD NO. 402020

Project Applicant: AKFC LLC

Project Location - Specific:

12212 West Pico Boulevard, Los Angeles, CA 90064 / S Wellesley Ave

Project Location - City: Los Angeles

Project Location - County: Los Angeles

Description of Nature, Purpose and Beneficiaries of Project:

**Non-Storefront Retail sales of commercial cannabis products under State and local law.**

Name of Public Agency Approving Project: City of Los Angeles, Department of Cannabis Regulation

Name of Person or Agency Carrying Out Project: AKFC LLC

Exempt Status: **(check one):**

- ☐ Ministerial (Sec. 21080(b)(1); 15268);
- ☐ Declared Emergency (Sec. 21080(b)(3); 15269(a));
- ☐ Emergency Project (Sec. 21080(b)(4); 15269(b)(c));
- ☒ Categorical Exemption. State type and section number: CEQA Sections 15301 & 15332/Class 1 & 32
- ☐ Statutory Exemptions. State code number: \_\_\_\_\_

Reasons why project is exempt:

Environmentally benign infill project consistent with the General Plan, Zoning requirements and consistent with the criteria for a Class 1 & Class 32 Categorical Exemption pursuant to CEQA Guidelines Section 15301 & 15332 and does not require further analysis based on the exceptions in CEQA Guidelines Section 15300.2, and thus, DCR finds that no further CEQA analysis is required.

## NOTICE OF EXEMPTION

(PRC Section 21152; CEQA Guidelines Section 15062)

2025 015727

FILED  
Jan 31 2025

Dana C. Logan, Registrar - Recorder/County Clerk

Electronically signed by SAVANNAH RODRIGUEZ

REGISTRAR-RECORDER/COUNTY CLERK

Pursuant to Public Resources Code § 21152(b) and CEQA Guidelines § 15062, the notice should be posted with the County Clerk by mailing the form and posting fee payment to the following address: Los Angeles County Clerk/Recorder, Environmental Notices, P.O. Box 1208, Norwalk, CA 90650. Pursuant to Public Resources Code § 21167 (d), the posting of this notice starts a 35-day statute of limitations on court challenges to reliance on an exemption for the project. Failure to file this notice as provided above, results in the statute of limitations being extended to 180 days.

## **DETERMINATION AND APPROVAL OF COMMERCIAL CANNABIS ANNUAL LICENSE(S)**

Pursuant to Los Angeles Municipal Code (LAMC) Section 104.06, the following application for commercial cannabis activity is complete and the Department of Cannabis Regulation (DCR) has determined the Applicant meets the requirements for the issuance of an Annual License for the commercial cannabis activity listed below. DCR also has determined this project is categorically exempt from the requirements of the California Environmental Quality Act (CEQA) pursuant to the Class 1 and Class 32 categorical exemptions.

<b>DCR Record No.:</b>	LA-S-24-402020-ANN
<b>Applicant Name:</b>	AKFC LLC
<b>Activities Requested:</b>	Non-Storefront Retail (Type 9)
<b>Proposed Project:</b>	The Applicant seeks an Annual License for the commercial cannabis activity(ies) listed above pursuant to LAMC section 104.06 et. al.
<b>Business Premises Address/ Project Location:</b>	12212 West Pico Boulevard, Los Angeles, CA 90064
Council District: Closest Neighborhood Council: Business Improvement District: Community Plan Area: Zoning:	11 West Los Angeles - Sawtelle - Palms - Mar Vista - Del Rey C2-1VL
<b>LAMC Section / "Phase":</b>	LAMC 104.06.1 / Phase 3 Delivery
<b>Environmental Analysis/Clearance:</b> ENV-402020-ANN	Notice of Exemption pursuant to the Class 1 and Class 32 categorical exemptions (tit. 14, Cal. Code Regs., §§ 15301, 15332)

**BACKGROUND:**

The Applicant was issued Temporary Approval by DCR with an effective date of February 6, 2023. Since that time, the Applicant has adhered to the requirements of the Los Angeles Municipal Code (LAMC) and DCR's Rules and Regulations, and completed all requirements for the issuance of an Annual License. The Applicant currently possesses a State Provisional License, [C9-0000534-LIC], to conduct Non-Storefront Retail (Type 9), active through March 28, 2025.

The Applicant is subject to the requirements of LAMC Section 104.20 for the Social Equity Program. The Business Premises is located at 12212 West Pico Boulevard, Los Angeles, CA 90064, a parcel zoned for General Commercial purposes.

**DEPARTMENT ANNUAL LICENSING DETERMINATIONS:**

DCR recommends approving the Annual License for the Applicant based on the following factors:

- The Applicant has met the Application requirements under LAMC Section 104.03.
- The Business Premises location meets the requirements under LAMC Section 105.02.
- The Application does not contain any grounds for denial under LAMC Section 104.04.
- The Applicant has met the requirements under LAMC Section 104.20.

**THERE ARE NO EXISTING REASONS TO DENY AN ANNUAL LICENSE:**

DCR or the Cannabis Regulation Commission may deny an Annual Application for the reasons stated in LAMC section 104.04. These denial reasons include, but are not limited, to:

- The Business Premises is substantially different from the diagram of the Business Premises submitted by the Applicant or Licensee;
- Denying DCR employees or agents access to the Business Premises;
- Procuring a License by fraud or deceit, making a material misrepresentation, false statement, or knowingly failing to disclose a material fact;
- Failing to timely to provide DCR with requested information, forms or documents;
- Denial of a license, permit or other authorization to engage in Commercial Cannabis Activity by any state or other local licensing authority;
- Creation a significant public safety problem as documented by a law enforcement agency;
- Failure to adhere to the requirements of this article or the Rules and Regulations;
- Engaging in unlicensed Commercial Cannabis Activity in violation of Section 104.15;
- Failing to comply with any requirement in LAMC Section 104.20;
- The Business Premises was the site of a utility disconnect, padlocking or certain criminal convictions for a period of 5 years from the date of the conviction, padlock or disconnect;
- Improper zoning or distancing of the Business Premises from Sensitive Uses under LAMC Section 105.00 *et seq*; and,
- An Owner is an individual who holds office in, is employed by, any agency of the State of California and any of its political subdivisions when the individual's duties include the enforcement or regulation of Commercial Cannabis Activity or any other penal provisions of law of the State of California prohibiting or regulating Commercial Cannabis Activity.

At present, DCR is not aware of any existing facts or circumstances to deny this Annual License for the reasons in LAMC Section 104.04.

## **CALIFORNIA ENVIRONMENTAL QUALITY ACT (CEQA) PROJECT DESCRIPTION:**

The Applicant seeks conversion of an existing Non-Storefront Retail (Type 9), Temporary Approval to an Annual License to be located on an existing site zoned for General Commercial, C2-1VL at 12212 West Pico Boulevard, Los Angeles, CA 90064 (Assessor's Parcel Number 4259-040-010). The Project-Specific Information (LIC-4013-FORM) submitted by the Applicant states the existing structure will remain with no expansion or physical changes proposed (Exhibit A). The Project's activities are comprised of a cannabis facility selling medical and adult-use cannabis products. Applicant states the cannabis facility will receive finished cannabis products from licensed distributors and will offer direct delivery to customers and patients. The Project will not be open to the general public. There are two work shifts per day, Monday through Sunday: 7:00am to 3:00pm and 3:00pm to 11:00pm (Exhibit A). Existing City sewer service is provided to the project site, and water and electricity are provided by the City of Los Angeles Department of Water and Power. Pre-application review has found the project to be consistent with planning and zoning. Further project site information is provided in the Project Parcel Profile Report from the City's Zone Information and Map Access System (ZIMAS) (Exhibit B). Compliance with Los Angeles Municipal Code Sections 104.00 et seq. and 105.00 et seq., as well as DCR's Rules and Regulations, does not waive or otherwise circumvent any other City or State requirements or necessary permits from the City, State, or other public agencies, such as the Los Angeles Department of Building and Safety, the Los Angeles Fire Department, or the Los Angeles County Public Health Department. Full compliance with all applicable regulations for the proposed cannabis use(s) are assumed in this analysis.

## **CEQA PROJECT ANALYSIS & FINDINGS:**

### **Land Use/Zoning Designations**

General Commercial /C2-1VL

### **Surrounding Land Use/Zoning Designations**

General Commercial/C2-1VL

Limited Manufacturing/M1-1

Public Facilities-Freeway/PF-1XL

### **Subject Property**

The subject site is a fully developed lot within the Palms - Mar Vista - Del Rey Community Plan Area, Council District 11. The 2,651 sq ft lot is approximately 112 feet deep with a width of 25 feet along W. Pico Blvd. The site is currently developed with a 1,016 sq ft commercial building built in 1938 and is proposed to be maintained. The Project consists of a retail space of approximately 572 square feet in the existing 1,016 sq ft freestanding commercial building. The site has a General Commercial land use designation and is zoned C2-1VL. No physical changes to the site are proposed.

### **Abutting Properties**

Abutting uses include a one-story 1,331 sq ft commercial building to the east and a one-story 2,556 sq ft commercial building to the west. To the north, across W. Pico Blvd., are commercial uses. To the south, across an unnamed alley, are industrial uses.

The immediate area along W. Pico Blvd. is predominantly developed with commercial uses, zoned C2-1VL. (See Exhibit A)

### CEQA Findings

CEQA Guidelines Sections 15300 to 15332 include a list of classes of projects which have been determined not to have a significant effect on the environment and which shall, therefore, be exempt from the provisions of CEQA.

CEQA Guidelines Section 15301, Class 1 – Existing Facilities, consists of the operation, repair, maintenance, permitting, leasing, licensing, or minor alteration of existing public or private structures, facilities, mechanical equipment, or topographical features, involving negligible or no expansion of existing or former use. The project meets these conditions as the existing structure on-site will remain with no expansion or physical changes proposed. The Project consists of a retail space of approximately 572 square feet in an existing freestanding commercial building of approximately 1,016 square feet situated on a 2,651.2 square foot parcel. The proposed use is consistent with the General Plan/Zoning designations for the site and the Project will operate similar to previous retail uses on the site.

CEQA Guidelines Section 15332, Class 32 - In-Fill Development Projects, consists of projects characterized as in-fill development meeting the following 5 conditions: (a) The project is consistent with the applicable general plan designation and all applicable general plan policies as well as with the applicable zoning designation and regulations; (b) The proposed development occurs within city limits on a project site of no more than five acres substantially surrounded by urban uses; (c) The project site has no value as habitat for endangered, rare or threatened species; (d) Approval of the project would not result in any significant effects relating to traffic, noise, air quality, or water quality; and (e) The site can be adequately served by all required utilities and public services.

These conditions are met as follows:

- a) The project is consistent with the applicable general plan designation and all applicable general plan policies as well as with the applicable zoning designation and regulations for the continued use of cannabis non-storefront retail. The site is currently developed with a 1,016 sq ft commercial building built in 1938 and is proposed to be maintained. The project consists of a retail space of approximately 572 square feet in the existing 1,016 sq ft freestanding commercial building. The site has a General Commercial land use designation and is zoned C2-1VL. No physical changes to the site are proposed and no relief has been requested from any applicable provision or requirement of the Los Angeles Municipal Code.
- b) The subject site is wholly within the City of Los Angeles, on an approximately 2,651 sq ft lot (0.06 acres) and is substantially surrounded by urban uses. Abutting uses include a one-story 1,331 sq ft commercial building to the east and a one-story 2,556 sq ft commercial building to the west. To the north, across W. Pico Blvd., are commercial uses. To the south, across an unnamed alley, are industrial uses. The immediate area along W. Pico Blvd. is predominantly developed with commercial uses, zoned C2-1VL.
- c) The project site has no value as habitat for endangered, rare or threatened species. The project is located within an established, fully developed, neighborhood. The project does not propose the removal of any trees on-site and/or within the adjacent public right-of-way.
- d) Approval of the project would not result in any significant effects relating to traffic, noise, air quality, or water quality. As the project will result in no physical changes to the site, the project would not have direct physical impacts to the environment. Daily trip generation to the site is consistent with similar retail uses previously operated on the site. Cannabis products are scheduled to be received a minimum of 24 hours ahead of time and may be limited to one hour before opening, as many as three times per week, or as necessary for operations. Cannabis sale orders would be scheduled for delivery to customers in batches of four or more, and 40 cannabis sale orders are anticipated per day (approximately 10 delivery trips originating from the project site per day). The number of employees anticipated to be on-site is 4 during operating hours. Occupancy during operating hours is estimated to be between 3-6 persons per hour on average.

(3-6 employees and 0 customers). No loud activities occur as part of the non-storefront retail operations so the project will not have any substantive noise impacts. No substantive increase in impacts to air quality or water quality.

e) The site can be adequately served by all required utilities and public services. The project site will be adequately served by all required public utilities and services, given that the site is currently served by the City's Department of Water and Power, the City's Bureau of Sanitation, the Southern California (SoCal) Gas Company, the Los Angeles Police Department, the Los Angeles Fire Department, Los Angeles Unified School District, Los Angeles Public Library, and other public services. Compliance with Regulatory Compliance Measures as enforced through the Department of Building and Safety permitting process will ensure that any needed improvements are made in order to provide adequate delivery of utilities and services to the project.

CEQA Guidelines Section 15300.2: Exceptions to the Use of Categorical Exemptions. The City has further considered whether the proposed project is subject to any of the exceptions set forth in State CEQA Guidelines Section 15300.2 that would prohibit the use and reliance on the categorical exemptions. None of the exceptions are triggered. As the proposed project will result in no physical changes to the site, the project would not have direct physical impacts to the environment. As such, it would not have a combined impact with other projects in the area that would result in cumulative impacts. There are no unusual circumstances associated with the project; the site's general plan designation and zoning classification allow the proposed use. The project will not physically change the site or the existing structure. Therefore, the project would have no impact on scenic resources or historic building(s). The site is not on the lists that satisfy Government Code Section 65962.5, commonly referred to as the "Cortese List," as being affected by hazardous wastes or clean-up problems.

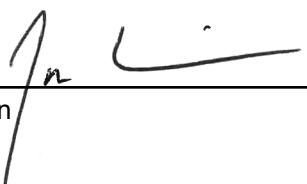

Based on the analysis above, the proposed project is consistent with the criteria for Class 1 and Class 32 categorical exemptions (tit. 14, Cal. Code Regs., §§ 15301, 15332) and does not require further analysis based on the exceptions in CEQA Guidelines Section 15300.2. Thus, DCR finds that no further CEQA analysis is required.

In conclusion, since the project meets all of the requirements for categorical exemption as set forth at CEQA Guidelines Sections 15301 & 15332, and none of the applicable exceptions to the use of an exemption apply to the project, it is appropriate to determine this project is categorically exempt from the requirements of CEQA.

#### DEPARTMENT OF CANNABIS REGULATION ACTIONS:

The Department of Cannabis Regulation:

1. Determined, based on the whole of the administrative record, that the project is exempt from the California Environmental Quality Act (CEQA) pursuant to Article 19, Section 15301, Class 1, and Article 19, Section 15332, Class 32 of the State CEQA Guidelines (tit. 14, Cal. Code Regs., §§ 15301, 15332), and there is no substantial evidence demonstrating that an exception to a categorical exemption pursuant to CEQA Guidelines Section 15300.2 applies;
2. Pursuant to Los Angeles Municipal Code Section 104.06(b)(2), approved the Annual License for Non-Storefront Retail (Type 9) Commercial Cannabis Activity at the Business Premises location; and,
3. Adopted the Project Analysis & Findings and Notice of Exemption.

### Categorical Exemption Evaluation Form

**Instructions:** Before the Department of Cannabis Regulation (DCR) can grant an Annual License, DCR must independently evaluate the document prepared for the project in compliance with the California Environmental Quality Act (CEQA), or documentation provided by the Applicant as evidence of exemption from CEQA. To conduct this evaluation, DCR must have a complete description of the proposed project that provides information about the project site, including existing conditions and facilities, proposed facilities and improvements, and the construction methods and operations practices of the proposed project. DCR can complete its review more quickly and efficiently when applicants provide as much of the information needed by DCR to complete an independent evaluation of the proposed project as is available.

Please provide detailed responses. If more space is needed, additional pages may be added. Missing, incomplete, or inconsistent information may delay the processing of your Annual License Application.

**Project Description:** *Insert project description information or reference where this information is located.*

AKFC LLC dba WeeDeliver has a city and state license at the premises to operate a medical and adult-use non-storefront retailer. The project's activities are comprised of a cannabis facility selling medical and adult-use cannabis products. WeeDeliver's cannabis facility will receive finished cannabis products from licensed distributors and will offer direct delivery to customers and patients.

Upon arrival to the delivery address, the delivery employee confirms the customer or patient is at least 21 years of age using an electronic age verification device, or if a patient, at least 18. Once the age of customers are properly verified, the delivery employees process customer sales using a hand-held point of sale system. All cannabis goods purchased by a customer are then placed in opaque exit packaging prior to delivery.

Incoming shipments of products are inspected by employees in the intake area before moving accepted inventory into a separate, secured storage room. The loading and unloading area is monitored and recorded 24 hours per day by the video surveillance system.

**Categorical Exemption Evaluation Form**

**Class 1: Existing Facilities**

1. Is the project site currently operating as a cannabis activity site or a similar use, or has it recently operated for this purpose? ☐ Yes ☒ No

*Provide details of current or prior operation(s). Cite source(s) of information.*

WeeDeliver is currently preparing for operations as an adult-use and medical non-storefront cannabis retailer.

Prior to WeeDeliver's lease and occupation of the premises, the site has been used for other retail purposes, including, most recently, a general retail store.

2. Does the project involve an expansion of existing structures that would be considered negligible or no expansion of existing or former use? (If no, skip to Question 6) ☐ Yes ☒ No

*Provide expansion details, if applicable. Cite source(s) of information.*

No expansion of existing structures and no expansion of existing or former use.

3. Project Expansion: \_\_\_\_\_  
Size of expansion in square feet: \_\_\_\_\_

*Cite source(s) of information.*

- a. Would the expansion be less than or equal to 2,500 square feet or 50 percent of the floor area before expansion? (If yes, skip to Question 6.) ☐ Yes ☐ No

*Cite source(s) of information.*

- b. Would the expansion be more than 2,500 square feet or 50 percent of the floor area before expansion? (If yes, skip to Question 4.) ☐ Yes ☐ No

*Cite source(s) of information.*

- c. Would the expansion be greater than 10,000 square feet? ☐ Yes ☐ No

*Cite source(s) of information.*

4. Is the project site served by all public services sufficient to serve the project (e.g., water, sewer, electricity, gas)? ☐ Yes ☐ No

*Describe which public services serve the project site. Cite source(s) of information.*

5. Is there evidence that the project site is located in an environmentally sensitive area?

☐ Yes ☐ No

*Describe the environmentally sensitive area (if applicable). Cite source(s) of information, if available.*

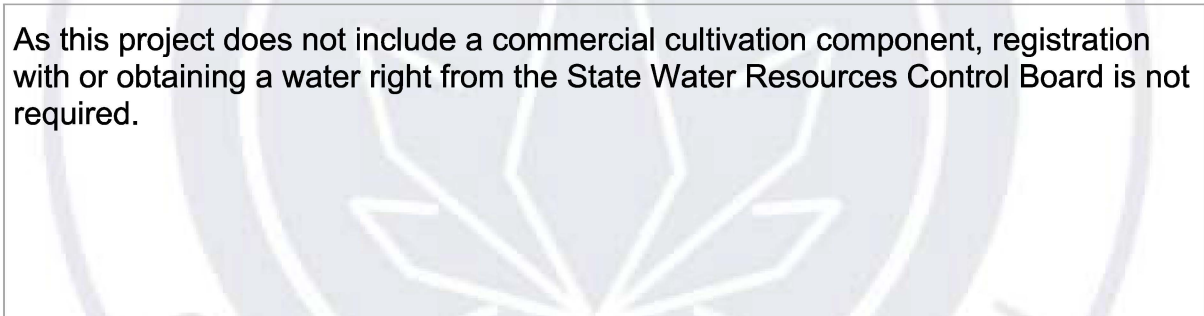

6. Does the project require a water right permit or another environmental permit that could result in physical changes to the environment? (If yes, see instructions.)

☐ Yes ☒ No

*List permits required and any potential physical changes that could occur. Cite source(s) of information.*

As this project does not include a commercial cultivation component, registration with or obtaining a water right from the State Water Resources Control Board is not required.

7. Does the project require demolition and removal of individual small structures (e.g., one single-family residence, a duplex or similar multifamily structure, a store, motel or restaurant or accessory structures)?

☐ Yes ☒ No

*Describe size of structure to be demolished and location.*

**Categorical Exemption Evaluation Form**

**Class 2: Replacement or Reconstruction**

1. Does the project involve the replacement or reconstruction of an existing structure on the same site as the structure being replaced or reconstructed? ☐ Yes ☒ No

*Describe both the existing structure and replacement structure, including the location on the site. Cite source(s) of information.*

2. Would the new structure have substantially the same purpose and capacity as the existing structure? ☐ Yes ☒ No

*Provide information on the purpose of both the existing and replacement structures to ensure they are the same. Cite source(s) of information.*

No replacement or reconstruction.

3. Does the project require a water right permit or another environmental permit that could result in physical changes to the environment? (If yes, see instructions.) ☐ Yes ☒ No

*List permits required and any potential physical changes that could occur. Cite source(s) of information.*

**Categorical Exemption Evaluation Form**

**Class 3: New Construction or Conversion of Small Structures**

1. Does the project involve the conversion of existing small structures including only minor modifications, or the installation of small equipment and facilities in small structures?

☐ Yes ☒ No

*Provide information regarding the nature of modifications to existing small structures, if applicable. Cite source(s) of information.*

No conversion of existing small structures or the installation of small equipment and facilities in small structures.

2. Does the project involve the construction of new small structures?

☐ Yes ☒ No

*Provide information regarding the size and purpose of the proposed new structures, if applicable. Cite source(s) of information.*

No construction of new small structures.

**Please check instructions for directions on how to proceed, based on answers to Questions 1 and 2.**

3. Is the project within an urbanized area? (If no, skip to [Question 9.](#))

☒ Yes ☐ No

*Cite source(s) of information.*

Per the City's Biological Resource Area map, the property is within an urbanized area.

**FOR SITES IN URBANIZED AREAS**

4. Does the project involve the construction of four or fewer structures totaling 10,000 square feet or less? ☐ Yes ☒ No

*Provide information regarding size of new structure(s), if applicable. Cite source(s) of information.*

No construction of new small structures.

5. Is the parcel zoned for the proposed use? ☒ Yes ☐ No

*Cite source(s) of information.*

LAMC 105.02(a)(1)(A)(1) permits retailers in C2 zones.

6. Does the project involve the use of significant amounts of hazardous substances? ☐ Yes ☒ No

*Provide details of any hazardous substances used including amount of product(s), if applicable. Cite source(s) of information.*

There are no hazardous materials stored, used, or disposed of at the project site.

7. Are all necessary public services and facilities available to the project? ☒ Yes ☐ No

*List all services and facilities provided. Cite source(s) of information.*

LADWP provides municipal water and power.

8. Do either the project site or the surrounding lands contain a sensitive environmental area? (If no, skip to [Question 11.](#)) ☐ Yes ☒ No

*Provide information on the nature of any sensitive environmental areas. Cite source(s) of information, if available.*

The property is not known to serve as a habitat for sensitive species during one or more seasons of the year, the project site is not immediately adjacent to undeveloped natural open space containing native vegetation, and there are no nearby natural water sources adjacent to the site.

**FOR SITES NOT IN URBANIZED AREAS**

9. Does the project involve the construction of a single structure totaling 2,500 square feet or less?

☐ Yes ☐ No

*Provide information regarding size of new structure, if applicable. Cite source(s) of information.*

TM

10. Does the project involve the use of significant amounts of hazardous substances?

☐ Yes ☐ No

*Provide list of any hazardous substances used, including amount of product(s), if applicable and available. Cite source(s) of information.*

**FOR ALL SITES**

11. Does the project require a water right permit or another environmental permit that could result in physical changes to the environment? (If yes, see instructions.)

☐ Yes ☒ No

*List permits required and any potential physical changes that could occur. Cite source(s) of information.*

**Categorical Exemption Evaluation Form**

**Class 4: Minor Alterations to Land**

1. Does the project involve the removal of healthy, mature, scenic trees (except for forestry and agricultural purposes)? ☐ Yes ☒ No

*Provide details, if needed. Cite source(s) of information.*

2. Does the project involve alterations to land, water, or vegetation that would be considered minor? ☐ Yes ☒ No

*Provide details, if needed. Cite source(s) of information.*

3. Would the alterations consist of grading on lands of 10 percent slope or steeper? ☐ Yes ☒ No

*Provide details, if needed. Cite source(s) of information.*

4. Would the alterations consist of grading in an area determined to be a wetland? ☐ Yes ☒ No

*Cite source(s) of information.*

5. Would the alterations consist of grading in a scenic area officially designated by a federal, state, or local agency? ☐ Yes ☒ No

*Provide name of scenic area (if applicable). Cite source(s) of information.*

6. Would the alterations consist of grading in an officially mapped area of severe geologic hazard, such as an Alquist- Priolo Earthquake Fault Zone, or within an official Seismic Hazard Zone designated by the State Geologist? ☐ Yes ☒ No

*Provide the name of the zone (if applicable). Cite source(s) of information.*

7. Does the project require a water right permit or another environmental permit that could result in physical changes to the environment? (If yes, see instructions.) ☐ Yes ☒ No

*List permits required and any potential physical changes that could occur. Cite source(s) of information.*

**Categorical Exemption Evaluation Form**

**Class 11: Accessory Structures**

1. Does the project include the construction or placement of accessory structures? ☐ Yes ☒ No

*Describe new and/or replacement accessory structures. Cite source(s) of information.*

2. Does the project require a water right permit or another environmental permit that could result in physical changes to the environment? (If yes, see instructions.) ☐ Yes ☒ No

*List permits required and any potential physical changes that could occur. Cite source(s) of information.*

## Categorical Exemption Evaluation Form

## Class 32: Infill Development Projects

1. Is the project consistent with the general plan designation, all applicable general plan policies, and zoning designation and regulations for the site? ☒ Yes ☐ No

*Cite source(s) of information.*

LAMC 105.02(a)(1)(A)(1) permits retailers in C2 zones and retail uses are consistent with the general commercial general plan designation.

2. Project Size and Location

- a. Is the project site 5 acres in size or less? ☒ Yes ☐ No

*Indicate the size of the project site, in acres. Cite source(s) of information.*

The project consists of a retail space of approximately 572 square feet in an existing freestanding commercial building of approximately 1,016 square feet situated on a 2,651.2 square foot parcel.

- b. Is the project site substantially surrounded by urban uses? ☒ Yes ☐ No

*Describe the uses of the surrounding properties. Cite source(s) of information.*

The abutting land uses include commercial, manufacturing and public facilities which are designated as General Commercial, Limited Manufacturing and Public Facilities. The project site is located in a commercial corridor abutted by commercial businesses and surrounded by public facilities. The surrounding zoning designations within a one-half mile radius [see the attached map showing this area outlined in blue] include: [Q]C1-1VL; [Q]C2-1D; [Q]C2-1L-0; [Q]C2-2-CDO; [Q]C4-1VL-CDO; [Q]M1-2; [Q]PF-1XL; [Q]R3-1; [Q]RD1.5-1; [T][Q]C2-1VL-CDO; [T][Q]R3-1; C2-1VL; C4-1VL-POD; M1-1; M1-1-0; M2-1; NI(EC); NMU(EC)-POD; P-1; PF-1XL; R1-1; R1-1-0; R1V2; R2-1; R3-1; R4-1; and RE9-1. The surrounding land uses within a one-half mile radius are: Community Commercial; General Commercial; High Medium Residential; Hybrid Industrial; Light Manufacturing; Limited Manufacturing; Low / Low I Residential; Low Medium / Low Medium I Residential; Medium Residential; Neighborhood Office Commercial; Open Space; and Public Facilities. The land uses/business in the surrounding area include: residences, offices, restaurants, shopping mall, religious institutions, public university, furniture store, plumber, HVAC contractor; tattoo shop, dentist, flooring store, beauty store, park, clothing store, office supply store, juice shop, book store, candy store, fitness center, coffee shops, metro station; county court; cannabis retailer; supermarket; nursery; emergency room; credit union; auto repair shop, library, preschool, middle school, elementary school, middle school, high school, library, grocery store; park; shoe repair store, gas station, banks, parks, shipping and mailing services.

3. Does the project site have value as habitat for endangered, rare, or threatened species? ☐ Yes ☒ No

*Describe any habitat for endangered, rare, or threatened species identified on or near the project site (if applicable). Cite source(s) of information.*

Per the City's Biological Resource Area map, the property is within an urbanized area and not within a sensitive biological resource area. The property is not known to serve as a habitat for sensitive species during one or more seasons of the year, the project site is not immediately adjacent to undeveloped natural open space containing native vegetation, and there are no nearby natural water sources adjacent to the site. The activities at the project site would not have a substantial adverse effect on any special status species, riparian habitat, other sensitive natural community, or State or federally protected wetlands.

4. Would the project have significant impacts related to traffic, noise, air quality, or water quality? ☐ Yes ☒ No

*Describe potential impact(s) and evidence (if applicable). Cite source(s) of information.*

Daily trip generation to the site is consistent with other retail uses. The number of employees anticipated to be on-site is 4 during operating hours. Occupancy during operating hours is estimated to be between 3-6 persons per hour on average (3-6 employees and 0 customers). No loud activities occur as part of the non-storefront retail operations so the project will not have any noise impact. No potential impacts to air quality or water quality. Hazardous materials will not be stored or used on site and water usage at the facility is limited to domestic uses and hand-washing.

5. Can the project site be adequately served by all required utilities and public services? ☐ Yes ☒ No

*Describe which utilities and public services serve the project site. Cite source(s) of information.*

LADWP provides municipal water and power.

6. Does the project require a water right permit or another environmental permit that could result in physical changes to the environment? (If yes, see instructions.) ☐ Yes ☒ No

*List permits required and any potential physical changes that could occur. Cite source(s) of information.*

As this project does not include a commercial cultivation component, registration with or obtaining a water right from the State Water Resources Control Board is not required. No other environmental permits are required.

**Exceptions to Exemptions****1. Scenic Highways**

- a. Is the project visible from an official State Scenic Highway? ☐ Yes ☒ No

*List State Scenic Highway(s) from which the project is visible (if applicable).  
Cite source(s) of information.*

TM

- b. If yes, would the project result in damage to scenic resources? ☐ Yes ☒ No

*Describe scenic resources and potential damage (if applicable). Cite source(s) of information.*

2. Is the project located on a site included on any list compiled pursuant to Government Code § 65962.5 (Cortese List)? ☐ Yes ☒ No

*Describe the type of hazardous site (if applicable). Cite source(s) of information.*

The project address does not appear on any compiled list pursuant to the Cortese List found at <https://calepa.ca.gov/SiteCleanup/CorteseList/>.

3. Would the project result in a substantial adverse change in the significance of a historical resource? ☐ Yes ☒ No

*List the historic resource(s) potentially affected and describe the potential effects (if applicable). Cite source(s) of information.*

The property and existing building do not have historic designations. The site was not listed on the California Office of Historic Preservation's Built Environment Resource Directory (BERD) or the National Register Database. Further, the site is not listed as a historical resource in the LA City Historic Resources Inventory.

4. **Is there evidence of the potential for the project to contribute to a significant cumulative impact?**

☐ Yes ☒ No

*Describe the potential cumulative impact(s) and evidence (if applicable). Cite source(s) of information.*

TM

5. **Is there evidence of a reasonable possibility of a significant environmental impact due to unusual circumstances?**

☐ Yes ☒ No

*Describe the potential impact(s), circumstances, and evidence (if applicable). Cite source(s) of information.*

The project consists of a retail space of approximately 572 square feet in an existing freestanding commercial building of approximately 1,016 square feet situated on a 2,651.2 square foot parcel. The use and project is consistent with the building's use and the surrounding commercial corridor.

6. **Would the project impact an environmental resource of hazardous or critical concern?**

☐ Yes ☒ No

*Provide details, if needed. Cite source(s) of information.*

CANAL LOS ANGELES REGULATION

7. **Does the project involve the removal of healthy, mature, scenic trees (except for forestry and agricultural purposes)?**

☐ Yes ☒ No

*Provide details, if needed. Cite source(s) of information.*

**CEQA Exemption Petition**Class: 1 Category: Existing Facilities

Explanation of how the project fits the CEQA exemption indicated above:

A compliant, licensed adult-use and medical cannabis non-storefront retailer in an eligible commercial zone is consistent with the applicable general plan designations, all applicable general plan policies, and applicable zoning designation and regulations. The non-storefront retailer is within an urbanized area within Los Angeles city limits on a project site less than five acres and is substantially surrounded by other urban, retail, and commercial uses. The project site has no value, as habitat for endangered, rare or threatened species. Further, the project would not result in any significant effects relating to traffic, noise, air quality, or water quality and the site can be adequately served by all required utilities and public services.

1. **Source(s) of Information:** Identify Sources: *Indicate the document(s) or other sources of information reviewed to complete this form.*

Zimas; Google Maps; Los Angeles County Assessor's Office; California Office of Historic Preservation's Built Environment Resource Directory (BERD); Cortese List, National Register of Historic Places; Community Plan Area Plan; CalTrans State Scenic Highway Map; LA Municipal Code; LA CEQA Thresholds Guide; LA Historic Resources Inventory; US Energy Information Administration.

2. **Project Location and Surrounding Land Use.**

- (a) Describe Project Location: *Provide detailed information about the project location and any other physical description that clearly indicates the project site location.*

The project is located at 12212 W Pico Blvd, Los Angeles, CA 90064; APN: 4259-040-010; Cross streets are Pico Blvd and Amherst Ave. The project consists of a retail space of approximately 572 square feet in an existing freestanding commercial building of approximately 1,016 square feet situated on a 2,651.2 square foot parcel.

- (b) Existing Land Uses/Zoning: *Describe the current land uses on the project site and any existing buildings and structures. Describe the surrounding land uses and zoning designations within a one-half mile radius of the project and list all abutting land uses.*

The abutting land uses include commercial, manufacturing and public facilities which are designated as General Commercial, Limited Manufacturing and Public Facilities. The project site is located in a commercial corridor abutted by commercial businesses and surrounded by public facilities. The surrounding zoning designations within a one-half mile radius [see the attached map showing this area outlined in blue] include: [Q]C1-1VL; [Q]C2-1D; [Q]C2-1L-0; [Q]C2-2-CDO; [Q]C4-1VL-CDO; [Q]M1-2; [Q]PF-1XL; [Q]R3-1; [Q]RD1.5-1; [T][Q]C2-1VL-CDO; [T][Q]R3-1; C2-1VL; C4-1VL-POD; M1-1; M1-1-0; M2-1; NI(EC); NMU(EC)-POD; P-1; PF-1XL; R1-1; R1-1-0; R1V2; R2-1; R3-1; R4-1; and RE9-1. The surrounding land uses within a one-half mile radius are: Community Commercial; General Commercial; High Medium Residential; Hybrid Industrial; Light Manufacturing; Limited Manufacturing; Low / Low I Residential; Low Medium / Low Medium I Residential; Medium Residential; Neighborhood Office Commercial; Open Space; and Public Facilities. The land uses/business in the surrounding area include: residences, offices, restaurants, shopping mall, religious institutions, public university, furniture store, plumber, HVAC contractor, tattoo shop, dentist, flooring store, beauty store, park, clothing store, office supply store, juice shop, book store, candy store, fitness center, coffee shops, metro station; county court; cannabis retailer; supermarket; nursery; emergency room; credit union; auto repair shop, library, preschool, middle school, elementary school, middle school, high school, library, grocery store; park; shoe repair store, gas station, banks, parks, shipping and mailing services.

- (c) Previous Use: Describe the previous use of the Project site or facility, if known. Include an estimate of the time such previous operations ceased, if such information is available.

Prior to WeeDeliver's lease and occupation of the premises, the site was used for other retail purposes including, most recently, a general retail store.

- (d) Was the site previously used for a similar use? The key consideration is whether the project involves negligible or no expansion of an existing use.

The site was used for other retail purposes including, most recently, a general retail store.

- (e) Maps to be Included: Provide a vicinity map and aerial image to show the project location. Include photographs, not larger than 8½ by 11 inches, of existing visual conditions as observed from publicly accessible vantage point(s).

**3. Project Operations/Description.** Provide the following information about project operation and maintenance activities. If more than one type of cannabis activity is occurring on-site, provide a description of the project operations for each activity. This should include the following relevant information.

- (a) Activities Occurring Onsite: Describe the activities included in the project application and identify any other commercial cannabis activity or activities occurring at the proposed premises, including other proposed cannabis activities occurring on the property. Describe the cannabis business operation methods and activities (e.g. cultivation methods, manufacturing and/or distribution operations).

WeeDeliver's project's activities are comprised of a non-storefront retail facility selling medical and adult-use cannabis products. WeeDeliver's non-storefront retail facility will receive finished cannabis products from licensed distributors and will offer direct delivery to customers and patients. There are no cultivation, manufacturing, or distribution operations occurring at the site. There are no other commercial cannabis licensees or activities occurring at the property besides those to be operated by licensee, AKFC LLC.

An employee inspects received shipments of products in the intake area before moving accepted inventory into a separate, secured storage room. The loading and unloading area is monitored and recorded 24 hours per day by the video surveillance system.

- (b) Cannabis Operation Activities Owned by the Same or Different Businesses: *Describe any additional cannabis operation activities existing or proposed either owned by the same or different businesses on the property.*

WeeDeliver does not propose any additional commercial cannabis activities at the site. There are no other commercial cannabis licensees or activities occurring at the property besides those operated by licensee, AKFC LLC.

- (c) Project Size: *Quantify the project size (total floor area of the project), and the lot size on which the project is located, in square feet.*

The project consists of a retail space of approximately 572 square feet in an existing freestanding commercial building of approximately 1,016 square feet situated on a 2,651.2 square foot parcel.

- (d) State License: *Identify whether the applicant is licensed by, or has applied for licensure from, the California Department of Cannabis Control to engage in commercial cannabis activity at the proposed premises.*

AKFC LLC holds a state provisional license from the DCC which expires on March 28, 2024.

- (e) Hours of Operation/Work Shifts: *Identify the hours of operation/work shifts for the project.*

The project will not be open to the general public. There are two work shifts per day Monday through Sunday: 7:00am to 3:00pm and 3:00pm to 11:00pm.

- (f) Number of employees (total and by shift): *Estimate the number of anticipated employees onsite and occupancy during operating hours.*

The number of employees anticipated to be on-site is 4 during operating hours. Occupancy during operating hours is estimated to be between 3-6 persons per hour on average (3-6 employees and 0 customers).

- (g) Estimated Daily Trip Generation: *Estimate the frequency of deliveries or shipments originating from and/or arriving to the project site. Identify the approximate number of vehicle trips per day to be generated by the project and information regarding the days and times most trips are expected to occur.*

Cannabis products are scheduled to be received a minimum of 24 hours ahead of time and may be limited to one hour before opening, as many as three times per week, or as necessary for operations. Cannabis sale orders are scheduled for delivery to customers by WeeDeliver in batches of four or more, and 40 cannabis sale orders are anticipated per day (approximately 10 delivery trips originating from the project site per day). Implementing batch deliveries significantly reduces the frequency of deliveries from the project site.

- (h) Source(s) of Water: *Name all sources of water, and indicate whether a new or amended water right must be obtained from the State Water Resources Control Board.*

The water source for the project site is municipal, LADWP. As this project does not include a commercial cultivation component, registration with or obtaining a water right from the State Water Resources Control Board is not required.

- (i) Wastewater Treatment Facilities: *Describe the facilities for treatment of wastewater (e.g., leach field, City wastewater collection facilities).*

Wastewater is disposed of in the municipal wastewater treatment facility, City of Los Angeles' wastewater system. Activities that produce wastewater will be limited to domestic uses including hand-washing.

**4. Environmental Setting:**

- (a) Describe natural characteristics on the project site:

There is a tree in front of the commercial building.

- (b) General Topographic Features (slopes and other features):

The property is flat and has a slope of approximately 0.

- (c) Natural characteristics (general vegetation types, drainage, soil stability, habitat, etc.):

There is a tree in front of the commercial building.

- (d) Identify whether there are any watercourses and riparian habitats within 150- feet of the proposed premises (e.g., drainage swales, stream courses, springs, ponds, lakes, creeks, tributary of creeks, wetlands):

There are no watercourses and riparian habitats within 150-feet of the proposed premises. The activities at the project site would not have a substantial adverse effect on any special status species, riparian habitat, other sensitive natural community, or State or federally protected wetlands.

- (e) Identify whether the property contains natural features of scenic value of rare or unique characteristics (e.g., rock outcroppings, mature trees):

The property does not contain natural features of scenic value of rare or unique characteristics.

- (f) Identify whether the property has any historic designations or archeological remains onsite:

The property and existing building do not have historic designations. The site was not listed on the California Office of Historic Preservation's Built Environment Resource Directory (BERD) or the National Register Database. Further, the site is not listed as a historical resource in the LA City Historic Resources Inventory.

- (g) Identify whether the property contains habitat for special status species:

Per the City's Biological Resource Area map, the property is within an urbanized area and not within a sensitive biological resource area. The property is not known to serve as a habitat for sensitive species during one or more seasons of the year, the project site is not immediately adjacent to undeveloped natural open space containing native vegetation, and there are no nearby natural water sources adjacent to the site.

- (h) Identify the location, type, and quantity of hazardous materials, as defined by Health and Safety Code section 25260, that are stored, used, or disposed of at the project site and a copy of the Hazardous Material Business Plan (HMBP) prepared for the proposed premises, if any:

There are no hazardous materials stored, used, or disposed of at the project site.

- (i) Discuss whether the project will increase the quantity and type of solid waste, as defined by Public Resources Code section 40191, or hazardous waste, as defined by Health and Safety Code section 25117, that is generated or stored onsite:

Provided the previous use of the site was other similar retail uses and a general retail store, the types of solid waste produced by AKFC LLC is likely similar to the solid waste produced by the previous occupant of the facility. The project will not increase the quantity or type of solid waste, as defined by Public Resources Code section 40191, or hazardous waste, as defined by Health and Safety Code section 25117, that is generated or stored on-site.

- ④ Describe the project's anticipated operational energy needs, identify the source of energy supplied for the project and the anticipated amount of energy per day, and explain whether the project will require an increase in energy demand and the need for additional energy resource:

The project's operational energy needs and the amount of energy required per day are anticipated to be equivalent to the operational energy needs and the average amount required per day by general retail uses. Per the Energy Information Administration, a retail store uses an average of 14.3 kWh per square foot per year. Assuming the project uses the average amount for a project of this size (572 sq. ft.), the project anticipates using 23 kWh of electricity per day. Presumably, WeeDeliver's energy use for their non-storefront retail facility will likely be similar to the energy used by the prior retail occupants.

5. Explain whether any of the project activities will expand the existing footprint of the proposed facility beyond the current structural or parcel boundaries, increase the amount of impervious surface, or reduce any natural habitat. If the project is part of a larger project, attach a separate sheet to briefly describe the larger project.

No, WeeDeliver is occupying an existing freestanding retail suite in an existing freestanding commercial building. No expansion of the existing footprint or reduction of any natural habitat has occurred at the project site as a result of WeeDeliver's non-storefront retail facility.

6. Environmental Commitments: *List any environmental commitments agreed to by the applicant to the protection of biological or cultural resources, energy efficiency, water efficiency, noise abatement, lighting, or other aspects of the project that may reduce impacts on the environment.*

The project includes installation of LED lighting to increase efficiencies and decrease energy use.

7. Other Relevant CEQA Information: *Submit any other relevant CEQA documentation or information that will assist the Department in determining CEQA compliance (e.g., any environmental impact analysis prepared by a consultant).*

Not applicable.

8. **Permits Required:** *List all other required federal, state, and local permits required, including, but not limited to, all entitlements required for this project by a planning commission, local air district, or regional water board. Identify whether the commercial cannabis business(es) is licensed by or has applied for licensure from the Department, or one of the prior state cannabis licensing authorities:*

- ☒ California Department of Cannabis Control
- ☒ Los Angeles Fire Department
- ☒ Los Angeles Department of Building and Safety
- ☐ California Department of Fish and Wildlife
- ☐ State Water Resources Control Board / Regional Water Quality Control Board
- ☒ County of Los Angeles Public Health Permit
- ☐ Local Air District
- ☐ Streambed Alteration Agreement
- ☐ Water quality protection program
- ☐ Los Angeles Department of Water and Power
- ☐ Los Angeles Department of Public Works, Bureau of Sanitation

**Partial List of Categorical Exemptions under CEQA**

*Certain commercial cannabis activities (projects) may be exempt from further environmental review pursuant to the California Environmental Quality Act (CEQA) because they fall within a class of projects determined not to have significant effect on the environment. (Cal. Code Regs., tit. 14, § 15300 et seq.) Common exemptions that may apply have been identified below.*

<b>Class</b>	<b>Category</b>	<b>Description</b>
Class 1	Existing Facilities	Consists of the operation, repair, maintenance, permitting, leasing, licensing, or minor alteration of existing public or private structures, facilities, mechanical equipment, or topographical features, involving negligible or no expansion of use beyond that existing at the time of the lead agency's determination. (Cal. Code Regs., tit. 14, §15301.)
Class 2	Replacement or Reconstruction	Consists of replacement or reconstruction of existing structures and facilities where the new structure will be located on the same site as the structure replaced with a new structure of substantially the same size, purpose, and capacity. (Cal. Code Regs., tit. 14, § 15302.)
Class 3	New Construction or Conversion of Small Structures	Consists of construction and location of limited numbers of new, small facilities or structures; installation of small new equipment and facilities in small structures; and the conversion of existing small structures from one use to another where only minor modifications are made in the exterior of the structure. (Cal. Code Regs., tit. 14, § 15303.)
Class 4	Minor Alterations to Land	Consists of minor public or private alterations in the condition of land, water, and/or vegetation which do not involve removal of healthy, mature, scenic trees except for forestry and agricultural purposes. (Cal. Code Regs., tit. 14, § 15304.)
Class 11	Accessory Structures	Consists of construction, or placement of minor structures accessory to (appurtenant to) existing commercial, industrial, or institutional facilities. (Cal. Code Regs., tit. 14, § 15311.)
Class 32	In-Fill Development Projects	Consists of projects characterized as in-fill development meeting the conditions described in Cal. Code Regs., tit. 14, § 15332.
