## NOTICE OF EXEMPTION

(PRC Section 21152; CEQA Guidelines Section 15062)

2025 029279

FILED

Feb 12 2025

Dean C. Logan, Registrar-Recorder/County Clerk

Electronically signed by JACQUES MCCOY

Pursuant to Public Resources Code § 21152(b) and CEQA Guidelines § 15062, the notice should be posted with the County Clerk by mailing the form and posting fee payment to the following address: Los Angeles County Clerk/Recorder, Environmental Notices, P.O. Box 1208, Norwalk, CA 90650. Pursuant to Public Resources Code § 21167 (d), the posting of this notice starts a 35-day statute of limitations on court challenges to reliance on an exemption for the project. Failure to file this notice as provided above, results in the statute of limitations being extended to 180 days.

## **DETERMINATION AND APPROVAL OF COMMERCIAL CANNABIS ANNUAL LICENSE(S)**

Pursuant to Los Angeles Municipal Code (LAMC) Section 104.06, the following application for commercial cannabis activity is complete and the Department of Cannabis Regulation (DCR) has determined the Applicant meets the requirements for the issuance of an Annual License for the commercial cannabis activity listed below. DCR also has determined this project is categorically exempt from the requirements of the California Environmental Quality Act (CEQA) pursuant to the Class 1 categorical exemption.

<b>DCR Record No.:</b>	LA-S-24-401937-ANN
<b>Applicant Name:</b>	Cumberland Blues LLC
<b>Activities Requested:</b>	Non-Storefront Retailer (Type 9)
<b>Proposed Project:</b>	The Applicant seeks an Annual License for the commercial cannabis activity(ies) listed above pursuant to LAMC section 104.06 et. al.
<b>Business Premises Address/ Project Location:</b>	904 W Anaheim St Wilmington, CA 90744
Council District: Closest Neighborhood Council: Business Improvement District: Community Plan Area: Zoning:	15 Wilmington - Wilmington - Harbor City [Q]C2-1VL-O-CUGU
<b>LAMC Section / "Phase":</b>	LAMC 104.06.1 / Phase 3 Delivery
<b>Environmental Analysis/Clearance:</b> ENV-401937-ANN	Notice of Exemption pursuant to the Class 1 categorical exemption (tit. 14, Cal. Code Regs., §§ 15301)

**BACKGROUND:**

The Applicant was issued Temporary Approval by DCR with an effective date of February 15, 2023. Since that time, the Applicant has adhered to the requirements of the Los Angeles Municipal Code (LAMC) and DCR's Rules and Regulations, and completed all requirements for the issuance of an Annual License. The Applicant currently possesses a State Provisional License, C9-0000546-LIC, to conduct Non-Storefront Retailer (Type 9), active through April 18, 2025.

The Applicant is subject to the requirements of LAMC Section 104.20 for the Social Equity Program. The Business Premises is located at 901 West Anaheim Street, Wilmington, CA 90744, a parcel zoned for General Commercial purposes.

**DEPARTMENT ANNUAL LICENSING DETERMINATIONS:**

DCR recommends approving the Annual License for the Applicant based on the following factors:

- The Applicant has met the Application requirements under LAMC Section 104.03.
- The Business Premises location meets the requirements under LAMC Section 105.02.
- The Application does not contain any grounds for denial under LAMC Section 104.04.
- **(Social Equity only):** The Applicant has met the requirements under LAMC Section 104.20.

**THERE ARE NO EXISTING REASONS TO DENY AN ANNUAL LICENSE:**

DCR or the Cannabis Regulation Commission may deny an Annual Application for the reasons stated in LAMC section 104.04. These denial reasons include, but are not limited, to:

- The Business Premises is substantially different from the diagram of the Business Premises submitted by the Applicant or Licensee;
- Denying DCR employees or agents access to the Business Premises;
- Procuring a License by fraud or deceit, making a material misrepresentation, false statement, or knowingly failing to disclose a material fact;
- Failing to timely to provide DCR with requested information, forms or documents;
- Denial of a license, permit or other authorization to engage in Commercial Cannabis Activity by any state or other local licensing authority;
- Creation a significant public safety problem as documented by a law enforcement agency;
- Failure to adhere to the requirements of this article or the Rules and Regulations;
- Engaging in unlicensed Commercial Cannabis Activity in violation of Section 104.15;
- **(Social Equity Only)** Failing to comply with any requirement in LAMC Section 104.20;
- The Business Premises was the site of a utility disconnect, padlocking or certain criminal convictions for a period of 5 years from the date of the conviction, padlock or disconnect;
- Improper zoning or distancing of the Business Premises from Sensitive Uses under LAMC Section 105.00 *et seq*; and,
- An Owner is an individual who holds office in, is employed by, any agency of the State of California and any of its political subdivisions when the individual's duties include the enforcement or regulation of Commercial Cannabis Activity or any other penal provisions of law of the State of California prohibiting or regulating Commercial Cannabis Activity.

At present, DCR is not aware of any existing facts or circumstances to deny this Annual License for the reasons in LAMC Section 104.04.

**CALIFORNIA ENVIRONMENTAL QUALITY ACT (CEQA) PROJECT DESCRIPTION:**

The Applicant is seeking renewal of a Commercial Non-storefront Cannabis Retailer License for an existing delivery business located on a site zoned for General Commercial, [Q]C2-1VL-O-C at 901 West Anaheim Street, Wilmington Ca 90744 (Assessor's Parcel Number 7416-013-033). The Project-Specific Information (LIC-4013-FORM) submitted by the Applicant states that existing structures will remain with no expansion proposed (Exhibit A). Existing City water, sewer, and electrical service is provided to the project site by the City of Los Angeles Department of Water and Power.

The business currently makes an estimated average of 30 cannabis deliveries per day from 7:00 a.m. to 11:00 p.m., employing a total of two drivers during the morning shift, and three drivers during the afternoon shift. Aerial images confirm that the parking area is sufficient to accommodate employees and delivery activities.

Pre-application review has found the project to be consistent with existing land use and zoning designations. Further project site information is provided in the Project Parcel Profile Report from the City's Zone Information and Map Access System (ZIMAS) (Exhibit A). Compliance with Los Angeles Municipal Code Sections 104.00 et seq. and 105.00 et seq., as well as DCR's Rules and Regulations, does not waive or otherwise circumvent any other City or State requirements or necessary permits from the City, State, or other public agencies, such as the Los Angeles Department of Building and Safety, the Los Angeles Fire Department, or the Los Angeles County Public Health Department. Full compliance with all applicable regulations for the proposed cannabis use(s) are assumed in this analysis.

**CEQA PROJECT ANALYSIS & FINDINGS:**

**Land Use/Zoning Designations**

General Commercial / [Q]C2-1VL-O-C

**Surrounding Land Use/Zoning Designations**

General Commercial / [Q]C2-1VL-O-C

Low Medium Residential / [Q]RD1.5-1XL-O-CUGU

Low Residential R1-1XI-O-CUGU

**Subject Property**

The subject site is a fully developed lot within the Wilmington – Harbor City Community Plan Area. The lot is approximately 125 feet deep with a width of 55 feet along West Anaheim Street. The site is currently developed with a one-story non-storefront delivery cannabis retailer, built in 1940, which is proposed to be maintained in its current condition.

The site has a General Commercial land use designation and is zoned [Q]C2-1VL-O-C. The site is located within Council District 15, Wilmington Neighborhood Council, the lot is flat and contains a pre-existing building to be used by the Applicant.

**Abutting Properties**

Abutting uses include residential, and general/neighborhood commercial building uses within 200 feet of the site. The immediate area along West Anaheim Street is predominately developed with general commercial uses, zoned [Q]C2-1VL-O-C (See Exhibit A).

### **CEQA Findings**

CEQA Guidelines, Sections 15301, Class 1 would apply to the proposed non-storefront cannabis retailer. Class 1 applies to projects that are integrated into existing facilities or structures. The proposed continuation of the non-storefront cannabis retailer use would be located within an existing structure with no expansion of the physical structure. Class 1 conditions are met as follows: (a) The project is consistent with the applicable general plan designation and all applicable general plan policies as well as with the applicable zoning designation and regulations; (b) The proposed development occurs within city limits on a project site of no more than five acres substantially surrounded by urban uses; (c) The project site has no value as habitat for endangered, rare or threatened species; (d) Approval of the project would not result in any significant effects relating to traffic, noise, air quality, or water quality; and (e) The site can be adequately served by all required utilities and public services. The proposed license renewal would be in compliance with CEQA Guidelines Section 15301, Existing Facilities.

CEQA Class 1 exemption criteria are met as follows:

a) The project is consistent with the applicable general plan designation and all applicable general plan policies as well as with the applicable zoning designation and regulations for the requested commercial cannabis activities. The site is comprised of one lot totaling approximately 7,223 square feet, zoned [Q]C2-1VL-O-C and contains an existing building that consists of 210 square feet, with an existing non-storefront cannabis delivery building, originally constructed in 1940. No relief has been required from any applicable provision or requirements of the Los Angeles Municipal Code.

b) The subject site is wholly within the City of Wilmington, on an approximately 7,223 gross square foot property (i.e., less than five acres), and is substantially surrounded by urban uses. The surrounding area is zoned general commercial, low medium residential, and low residential, and developed with a mix of residential commercial buildings along West Anaheim Street.

c) The project site has no value as habitat for endangered, rare or threatened species. The project is located within an established, fully developed, neighborhood. The project site has no value as habitat for endangered, rare or threatened species. The project does not propose the removal of any trees on-site and/or within the adjacent public right-of-way.

d) Approval of the project would not result in any significant effects relating to traffic, noise, air quality, or water quality as no expansion of use or operations is proposed at this time.

e) The site can be adequately served by all required utilities and public services. The project site will be adequately served by all required public utilities and services, given that the site is currently served by the City's Department of Water and Power, the City's Bureau of Sanitation, the Southern California (SoCal) Gas Company, the Los Angeles Police Department, the Los Angeles Fire Department, Los Angeles Unified School District, Los Angeles Public Library, and other public services. Compliance with Regulatory Compliance Measures as enforced through the Department of Building and Safety permitting process will ensure that any needed improvements are made in order to provide adequate delivery of utilities and services to the proposed project.

CEQA Section 15300.2: Exceptions to the Use of Categorical Exemptions. The City has further considered whether the proposed project is subject to any of the exceptions set forth in State CEQA Guidelines Section 15300.2, that would prohibit the use and reliance on the categorical exemptions. None of the exceptions are triggered. As the proposed project will result in no physical changes to the site, the project would not have physical impacts to the environment. As such, it would not have a combined impact with other projects in the area that would result in cumulative impacts. There are no unusual circumstances associated with the project, which is proposed in general plan designation and zoning classification that allow the proposed use. The project will not physically change the site or the existing structures. Therefore, the project would have no impact on scenic resources, historic building(s), and the site is not on the lists that satisfy Government Code Section 65962.5, commonly referred to as the "Cortese List," as being affected by hazardous wastes or clean-up problems.

Based on the analysis above, the proposed project is consistent with the criteria for Class 1 categorical exemption (tit. 14, Cal. Code Regs., §§ 15301) and does not require further analysis based on the exceptions in CEQA Guidelines Section 15300.2, and thus, DCR finds that no further CEQA analysis is required.

In conclusion, since the project meets all of the requirements for categorical exemption as set forth at CEQA Guidelines, Sections 15301, and none of the applicable exceptions to the use of an exemption apply to the project, it is appropriate to determine this project is categorically exempt from the requirements of CEQA.

**DEPARTMENT OF CANNABIS REGULATION ACTIONS:**

The Department of Cannabis Regulation:

1. Determined, based on the whole of the administrative record, that the project is exempt from the California Environmental Quality Act (CEQA) pursuant to Article 19, Section 15301, Class 1 of the State CEQA Guidelines (tit. 14, Cal. Code Regs., §§ 15301), and there is no substantial evidence demonstrating that an exception to a categorical exemption pursuant to CEQA Guidelines Section 15300.2 applies;
2. Pursuant to Los Angeles Municipal Code Section 104.06(b)(2), approved the Annual License for Non-Storefront Retailer (Type 9) Commercial Cannabis Activity at the Business Premises location; and,
3. Adopted the Project Analysis & Findings and Notice of Exemption.

### Categorical Exemption Evaluation Form

**Instructions:** Before the Department of Cannabis Regulation (DCR) can grant an Annual License, DCR must independently evaluate the document prepared for the project in compliance with the California Environmental Quality Act (CEQA), or documentation provided by the Applicant as evidence of exemption from CEQA. To conduct this evaluation, DCR must have a complete description of the proposed project that provides information about the project site, including existing conditions and facilities, proposed facilities and improvements, and the construction methods and operations practices of the proposed project. DCR can complete its review more quickly and efficiently when applicants provide as much of the information needed by DCR to complete an independent evaluation of the proposed project as is available.

Please provide detailed responses. If more space is needed, additional pages may be added. Missing, incomplete, or inconsistent information may delay the processing of your Annual License Application.

**Project Description:** *Insert project description information or reference where this information is located.*

The business is operating out of a small building on an empty, paved lot. There are currently no projects planned to alter the preexisting property. The location is in a commercial/urban area at 901 W Anahiem St. Wilmington, CA 90744.

**Categorical Exemption Evaluation Form**

**Class 1: Existing Facilities**

1. Is the project site currently operating as a cannabis activity site or a similar use, or has it recently operated for this purpose? ☒ Yes ☐ No

*Provide details of current or prior operation(s). Cite source(s) of information.*

Cumberland Blues has operated for a few months at this site. The business will continue to operate out of this location after renewing the annual city license.

2. Does the project involve an expansion of existing structures that would be considered negligible or no expansion of existing or former use? (If no, skip to Question 6) ☐ Yes ☒ No

*Provide expansion details, if applicable. Cite source(s) of information.*

N/A

3. Project Expansion: \_\_\_\_\_  
Size of expansion in square feet: \_\_\_\_\_

*Cite source(s) of information.*

- a. Would the expansion be less than or equal to 2,500 square feet or 50 percent of the floor area before expansion? (If yes, skip to [Question 6.](#)) ☐ Yes ☐ No

*Cite source(s) of information.*

- b. Would the expansion be more than 2,500 square feet or 50 percent of the floor area before expansion? (If yes, skip to [Question 4.](#)) ☐ Yes ☐ No

*Cite source(s) of information.*

- c. Would the expansion be greater than 10,000 square feet? ☐ Yes ☐ No

*Cite source(s) of information.*

4. Is the project site served by all public services sufficient to serve the project (e.g., water, sewer, electricity, gas)? ☐ Yes ☐ No

*Describe which public services serve the project site. Cite source(s) of information.*

5. Is there evidence that the project site is located in an environmentally sensitive area?

☐ Yes ☐ No

*Describe the environmentally sensitive area (if applicable). Cite source(s) of information, if available.*

6. Does the project require a water right permit or another environmental permit that could result in physical changes to the environment? (If yes, see instructions.)

☐ Yes ☒ No

*List permits required and any potential physical changes that could occur. Cite source(s) of information.*

N/A

7. Does the project require demolition and removal of individual small structures (e.g., one single-family residence, a duplex or similar multifamily structure, a store, motel or restaurant or accessory structures)?

☐ Yes ☒ No

*Describe size of structure to be demolished and location.*

N/A

**Categorical Exemption Evaluation Form****Class 2: Replacement or Reconstruction**

1. Does the project involve the replacement or reconstruction of an existing structure on the same site as the structure being replaced or reconstructed? ☐ Yes ☒ No

*Describe both the existing structure and replacement structure, including the location on the site. Cite source(s) of information.*

N/A

2. Would the new structure have substantially the same purpose and capacity as the existing structure? ☐ Yes ☒ No

*Provide information on the purpose of both the existing and replacement structures to ensure they are the same. Cite source(s) of information.*

N/A

3. Does the project require a water right permit or another environmental permit that could result in physical changes to the environment? (If yes, see instructions.) ☐ Yes ☒ No

*List permits required and any potential physical changes that could occur. Cite source(s) of information.*

2. Project Size and Location

- a. Is the project site 5 acres in size or less? ☒ Yes ☐ No

*Indicate the size of the project site, in acres. Cite source(s) of information.*

N/A

- b. Is the project site substantially surrounded by urban uses? ☒ Yes ☐ No

*Describe the uses of the surrounding properties. Cite source(s) of information.*

N/A

3. Does the project site have value as habitat for endangered, rare, or threatened species? ☐ Yes ☒ No

*Describe any habitat for endangered, rare, or threatened species identified on or near the project site (if applicable). Cite source(s) of information.*

N/A

4. Would the project have significant impacts related to traffic, noise, air quality, or water quality? ☐ Yes ☒ No

*Describe potential impact(s) and evidence (if applicable). Cite source(s) of information.*

N/A

5. Can the project site be adequately served by all required utilities and public services? ☒ Yes ☐ No

*Describe which utilities and public services serve the project site. Cite source(s) of information.*

N/A

6. Does the project require a water right permit or another environmental permit that could result in physical changes to the environment? (If yes, see instructions.) ☐ Yes ☒ No

*List permits required and any potential physical changes that could occur. Cite source(s) of information.*

N/A

**Exceptions to Exemptions****1. Scenic Highways**

- a. Is the project visible from an official State Scenic Highway? ☐ Yes ☒ No

*List State Scenic Highway(s) from which the project is visible (if applicable).  
Cite source(s) of information.*

N/A

- b. If yes, would the project result in damage to scenic resources? ☐ Yes ☒ No

*Describe scenic resources and potential damage (if applicable). Cite source(s) of information.*

2. Is the project located on a site included on any list compiled pursuant to Government Code § 65962.5 (Cortese List)? ☐ Yes ☒ No

*Describe the type of hazardous site (if applicable). Cite source(s) of information.*

N/A

3. Would the project result in a substantial adverse change in the significance of a historical resource? ☐ Yes ☒ No

*List the historic resource(s) potentially affected and describe the potential effects (if applicable). Cite source(s) of information.*

N/A

4. **Is there evidence of the potential for the project to contribute to a significant cumulative impact?**

☐ Yes ☒ No

*Describe the potential cumulative impact(s) and evidence (if applicable). Cite source(s) of information.*

N/A

5. **Is there evidence of a reasonable possibility of a significant environmental impact due to unusual circumstances?**

☐ Yes ☒ No

*Describe the potential impact(s), circumstances, and evidence (if applicable). Cite source(s) of information.*

N/A

6. **Would the project impact an environmental resource of hazardous or critical concern?**

☐ Yes ☒ No

*Provide details, if needed. Cite source(s) of information.*

N/A

7. **Does the project involve the removal of healthy, mature, scenic trees (except for forestry and agricultural purposes)?**

☐ Yes ☒ No

*Provide details, if needed. Cite source(s) of information.*

N/A

**CEQA Exemption Petition**Class: 1 Category: Existing Facilities

Explanation of how the project fits the CEQA exemption indicated above:

The project is a Retail Non Storefront-Delivery service that will utilize the existing building for storage and office space. Consists of the operation, repair, maintenance, permitting, leasing, licensing, or minor alteration of existing public or private structures, facilities, mechanical equipment, or topographical features, involving negligible or no expansion of use beyond that existing at the time of the lead agency's determination. (Cal. Code Regs., tit. 14, §15301.)

1. **Source(s) of Information:** Identify Sources: *Indicate the document(s) or other sources of information reviewed to complete this form.*

<http://zimas.lacity.org/>

2. **Project Location and Surrounding Land Use.**

- (a) Describe Project Location: *Provide detailed information about the project location and any other physical description that clearly indicates the project site location.*

The project is a paved lot with a small office building at the center. This lot sits on the corner of Anaheim and Gulf St. at 901 W Anaheim. There is a metal gate surrounding the property.

- (b) Existing Land Uses/Zoning: *Describe the current land uses on the project site and any existing buildings and structures. Describe the surrounding land uses and zoning designations within a one-half mile radius of the project and list all abutting land uses.*

A majority of the land use/zoning nearby is light/medium residential or general/neighborhood commercial. There are a couple of parcels within a mile and a half that are light commercial or open space. The abutting land uses are all neighborhood commercial and one that is medium residential.

- (c) Previous Use: Describe the previous use of the Project site or facility, if known. Include an estimate of the time such previous operations ceased, if such information is available.

The Project site was previously a used car dealership. It was operating there for many years.

- (d) Was the site previously used for a similar use? The key consideration is whether the project involves negligible or no expansion of an existing use.

No

- (e) Maps to be Included: *Provide a vicinity map and aerial image to show the project location. Include photographs, not larger than 8½ by 11 inches, of existing visual conditions as observed from publicly accessible vantage point(s).*

**3. Project Operations/Description.** Provide the following information about project operation and maintenance activities. If more than one type of cannabis activity is occurring on-site, provide a description of the project operations for each activity. This should include the following relevant information.

- (a) Activities Occurring Onsite: *Describe the activities included in the project application and identify any other commercial cannabis activity or activities occurring at the proposed premises, including other proposed cannabis activities occurring on the property. Describe the cannabis business operation methods and activities (e.g. cultivation methods, manufacturing and/or distribution operations).*

The project will be a storage location for product as well as the delivery hub and office. Drivers will enter the lot to pick up orders and leave to take on delivery. An office manager will generally be on site to expedite orders and act as dispatch/customer service. Cannabis products will be received on site from distributors/vendors. No other cannabis activities will occur at the proposed premises/property.

- (b) Cannabis Operation Activities Owned by the Same or Different Businesses: *Describe any additional cannabis operation activities existing or proposed either owned by the same or different businesses on the property.*

There are no additional operations or activities on the site.

- (c) Project Size: *Quantify the project size (total floor area of the project), and the lot size on which the project is located, in square feet.*

The project size is a 210 (sq ft) building on a 7,233.9 (sq ft) lot.

- (d) State License: *Identify whether the applicant is licensed by, or has applied for licensure from, the California Department of Cannabis Control to engage in commercial cannabis activity at the proposed premises.*

The applicant is currently renewing the Business License for non-storefront Cannabis Delivery.  
C9-0000546-LIC  
LA-S-21-401937

- (e) Hours of Operation/Work Shifts: *Identify the hours of operation/work shifts for the project.*

The general hours of operation will be between 8am and 10pm. The work shifts will start as early as 7am and end as late as 11pm.

- (f) Number of employees (total and by shift): *Estimate the number of anticipated employees onsite and occupancy during operating hours.*

There will generally be a manager onsite for a day shift and one for the night shift. The number of drivers may vary by day and shift, but there will usually be 2 drivers during the day and 3 during the evening.

- (g) Estimated Daily Trip Generation: *Estimate the frequency of deliveries or shipments originating from and/or arriving to the project site. Identify the approximate number of vehicle trips per day to be generated by the project and information regarding the days and times most trips are expected to occur.*

Deliveries to the project site may be zero to four on any given day. Each driver may come and go from the site 4-8 times throughout the day. There may be 20 up to 40 trips coming out of the site each day. All of these trips will be spread out across the operating hours.

- (h) Source(s) of Water: *Name all sources of water, and indicate whether a new or amended water right must be obtained from the State Water Resources Control Board.*

The water on site is preexisting from LADWP. There will be no other water rights required from the State Water Resources Control Board.

- (i) Wastewater Treatment Facilities: *Describe the facilities for treatment of wastewater (e.g., leach field, City wastewater collection facilities).*

Terminal Island Water Reclamation Plant uses Tertiary treatment and microfiltration-reverse osmosis, biosolids handling, and does biogas generation. Joint Water Pollution Control Plant collects solids and processes them in anaerobic digestion tanks with bacteria to produce methane gas. Then, the solids are dewatered at Solids Processing and hauled off-site to composting, land application, and landfill disposal.

#### 4. Environmental Setting:

- (a) Describe natural characteristics on the project site:

The project site is in an urban commercial setting. There is a small building at the center of a paved parking lot.

- (b) General Topographic Features (slopes and other features):

The site is flat and paved with two adjacent sidewalks and streets.

- (c) Natural characteristics (general vegetation types, drainage, soil stability, habitat, etc.):

There are a half dozen 3ft-4ft palms along the fence. Everything is paved in the Lot.

- (d) Identify whether there are any watercourses and riparian habitats within 150- feet of the proposed premises (e.g., drainage swales, stream courses, springs, ponds, lakes, creeks, tributary of creeks, wetlands):

There are no water courses or riparian habitats within 150 feet of the premises.

- (e) Identify whether the property contains natural features of scenic value of rare or unique characteristics (e.g., rock outcroppings, mature trees):

The whole site is paved except for a long planter box on one side of lot and a dozen small palm trees that line the street sides of the property.

- (f) Identify whether the property has any historic designations or archeological remains onsite:

There are no historic designations or archeological remains on the property.

- (g) Identify whether the property contains habitat for special status species:

The property contains no habitats for special status species.

- (h) Identify the location, type, and quantity of hazardous materials, as defined by Health and Safety Code section 25260, that are stored, used, or disposed of at the project site and a copy of the Hazardous Material Business Plan (HMBP) prepared for the proposed premises, if any:

There will be no hazardous materials stored, used, or disposed of on the project site.

- (i) Discuss whether the project will increase the quantity and type of solid waste, as defined by Public Resources Code section 40191, or hazardous waste, as defined by Health and Safety Code section 25117, that is generated or stored onsite:

The project will not increase the quantity or type of solid waste, or hazardous waste that is generated or stored onsite.

- ④ Describe the project's anticipated operational energy needs, identify the source of energy supplied for the project and the anticipated amount of energy per day, and explain whether the project will require an increase in energy demand and the need for additional energy resource:

The project will use LADWP for its energy source. The project will only use the average amount of energy that a small office would. No other increase in energy use will be required.

5. Explain whether any of the project activities will expand the existing footprint of the proposed facility beyond the current structural or parcel boundaries, increase the amount of impervious surface, or reduce any natural habitat. If the project is part of a larger project, attach a separate sheet to briefly describe the larger project.

The project will utilize the existing building for activities.

6. Environmental Commitments: *List any environmental commitments agreed to by the applicant to the protection of biological or cultural resources, energy efficiency, water efficiency, noise abatement, lighting, or other aspects of the project that may reduce impacts on the environment.*

No environmental commitments were made to reduce the impact on the environment. However we will strive to respect our neighbors and the natural resources provided.

7. Other Relevant CEQA Information: *Submit any other relevant CEQA documentation or information that will assist the Department in determining CEQA compliance (e.g., any environmental impact analysis prepared by a consultant).*

8. Permits Required: *List all other required federal, state, and local permits required, including, but not limited to, all entitlements required for this project by a planning commission, local air district, or regional water board. Identify whether the commercial cannabis business(es) is licensed by or has applied for licensure from the Department, or one of the prior state cannabis licensing authorities:*

- ☒ California Department of Cannabis Control
- ☒ Los Angeles Fire Department
- ☐ Los Angeles Department of Building and Safety
- ☐ California Department of Fish and Wildlife
- ☐ State Water Resources Control Board / Regional Water Quality Control Board
- ☐ County of Los Angeles Public Health Permit
- ☐ Local Air District
- ☐ Streambed Alteration Agreement
- ☐ Water quality protection program
- ☐ Los Angeles Department of Water and Power
- ☐ Los Angeles Department of Public Works, Bureau of Sanitation

**Partial List of Categorical Exemptions under CEQA**

*Certain commercial cannabis activities (projects) may be exempt from further environmental review pursuant to the California Environmental Quality Act (CEQA) because they fall within a class of projects determined not to have significant effect on the environment. (Cal. Code Regs., tit. 14, § 15300 et seq.) Common exemptions that may apply have been identified below.*

<b>Class</b>	<b>Category</b>	<b>Description</b>
Class 1	Existing Facilities	Consists of the operation, repair, maintenance, permitting, leasing, licensing, or minor alteration of existing public or private structures, facilities, mechanical equipment, or topographical features, involving negligible or no expansion of use beyond that existing at the time of the lead agency's determination. (Cal. Code Regs., tit. 14, §15301.)
Class 2	Replacement or Reconstruction	Consists of replacement or reconstruction of existing structures and facilities where the new structure will be located on the same site as the structure replaced with a new structure of substantially the same size, purpose, and capacity. (Cal. Code Regs., tit. 14, § 15302.)
Class 3	New Construction or Conversion of Small Structures	Consists of construction and location of limited numbers of new, small facilities or structures; installation of small new equipment and facilities in small structures; and the conversion of existing small structures from one use to another where only minor modifications are made in the exterior of the structure. (Cal. Code Regs., tit. 14, § 15303.)
Class 4	Minor Alterations to Land	Consists of minor public or private alterations in the condition of land, water, and/or vegetation which do not involve removal of healthy, mature, scenic trees except for forestry and agricultural purposes. (Cal. Code Regs., tit. 14, § 15304.)
Class 11	Accessory Structures	Consists of construction, or placement of minor structures accessory to (appurtenant to) existing commercial, industrial, or institutional facilities. (Cal. Code Regs., tit. 14, § 15311.)
Class 32	In-Fill Development Projects	Consists of projects characterized as in-fill development meeting the conditions described in Cal. Code Regs., tit. 14, § 15332.

## CASE SUMMARIES

Note: Information for case summaries is retrieved from the Planning Department's Plan Case Tracking System (PCTS) database.

Case Number:	CPC-2018-6402-CPU
Required Action(s):	CPU-COMMUNITY PLAN UPDATE
Project Descriptions(s):	ADOPTION OF COMMUNITY PLAN POLICY DOCUMENT; GENERAL PLAN AMENDMENTS, AND ZONE CHANGES TO APPLY NEW ZONING CODE.
Case Number:	CPC-2015-1462-CA
Required Action(s):	CA-CODE AMENDMENT
Project Descriptions(s):	A CODE AMENDMENT TO CREATE A CLEAN UP GREEN UP (CUGU) SUPPLEMENTAL USE DISTRICT AS AN OVERLAY AND IMPLEMENT IT OVER PARTS OF PACOIMA/SUN VALLEY, BOYLE HEIGHTS, AND WILMINGTON IN ADDITION TO TWO CITYWIDE AMENDMENTS.
Case Number:	CPC-2010-1238-CRA
Required Action(s):	CRA-COMMUNITY REDEVELOPMENT AGENCY
Project Descriptions(s):	PRELIMINARY PLAN FOR A PROPOSED AMENDMENT TO THE LOS ANGELES HARBOR INDUSTRIAL CENTER REDEVELOPMENT PLAN.
Case Number:	CPC-2007-5738-ICO
Required Action(s):	ICO-INTERIM CONTROL ORDINANCE
Project Descriptions(s):	INTERIM CONTROL ORDINANCE TO REGULATE RESIDENTIAL-ONLY PROJECTS ON COMMERCIAL PROPERTIES ADJACENT TO THE FOLLOWING STREETS: PACIFIC COAST HIGHWAY BETWEEN ALAMEDA STREET AND THE CITY BOUNDARY WITH LOMITA, ANAHEIM STREET BETWEEN ALAMEDA STREET AND THE 110 FREEWAY, AVALON BOULEVARD BETWEEN SANDISON STREET AND THE PORT OF LOS ANGELES IN THE WILMINGTON-HARBOR CITY COMMUNITY PLAN AREA .
Case Number:	CPC-2005-8252-CA
Required Action(s):	CA-CODE AMENDMENT
Project Descriptions(s):	AN ORDINANCE ESTABLISHING PERMANENT REGULATIONS IMPLEMENTING THE MELLO ACT IN THE COASTAL ZONE.
Case Number:	CPC-2005-3351-ICO
Required Action(s):	ICO-INTERIM CONTROL ORDINANCE
Project Descriptions(s):	ICO TO RESTRICT OPEN STORAGE USES IN THE AREA BOUNDED BY LOMITA BLVD., ALAMEDA STREET, HARRY BRIDGES BLVD., 110 FREEWAY
Case Number:	CPC-2003-2505-ICO
Required Action(s):	ICO-INTERIM CONTROL ORDINANCE
Project Descriptions(s):	ICO TO RESTRICT OPEN STORAGE USES IN THE AREA BOUNDED BY LOMITA BLVD., ALAMEDA STREET, HARRY BRIDGES BLVD., 110 FREEWAY
Case Number:	CPC-1986-833-GPC
Required Action(s):	GPC-GENERAL PLAN/ZONING CONSISTENCY (AB283)
Project Descriptions(s):	AB-283 PROGRAM - GENERAL PLAN/ZONE CONSISTENCY - WILMINGTON-HARBOR CITY-COMMUNITY WIDE ZONE AND GENERAL PLAN CHANGES TO BRING THE PLAN AND ZONING INTO CONSISTENCY. INCLUDES CHANGES OF HEIGHT AS NEEDED. REQUIRED BY COURT AS PART OF SETTLEMENT IN HILLSIDE FEDERATION LAWSUIT (TAYLOR-PARKER)
Case Number:	CPC-1957-8051
