Subject: Elective Reposting; SCH Number 2025020912

To Whom It May Concern:

Long Beach Unified School District (District) is requesting extension of the public review period due to clarifications in the Project Description for the Polytechnic Transformation Project (SCH Number 2025020912). Please see posted NOI-updated for details associated with clarifications to the Project Description. The requested extension of the public review period is not required per CEQA as the clarifications in the Project Description do not in any way impact the analysis contained in the Draft IS/MND; however, in good faith and full transparency, the District has decided to extend the public review period two weeks (14 calendar days) to allow for additional public comment. See below for details regarding the extended public review and posted NOI-updated for clarifications on the Project Description. The NOI-update has also been posted with the Los Angeles County Clerk.

Original Public Review start date: 2.24.2025

Original Public Review end date: 3.25.25

Elective extension of Public Review start date: 4.4.25

Elective extension of Public Review end date: 4.18.25

Comments: Any person who wishes to comment on the District's intent to adopt the Draft MND must submit written comments no later than 5:00 p.m. on April 18, 2025. Written comments may be sent to Dana Grudem and emailed to CEQA@lbschools.net.
