Project Title: California State University Monterey Bay Stadium Expanded Use Project

Lead Agency: Board of Trustees of California State University on behalf of CSUMB

Contact Name: Matthew McCluney

Email: fm@csumb.edu

Phone Number: (831) 582-4721

Project Location: Seaside
City

Monterey
County

Project Description (Proposed actions, location, and/or consequences).

Implementation of the proposed project would include two (2) components at the existing CSUMB Stadium: 1) an expansion of existing programming at the CSUMB Stadium by CSUMB and the Monterey Bay Football Club (MBFC); and 2) the construction and operation of two (2) new locker room facilities, two (2) new restroom buildings, and a gated event storage and staging area just north of the stadium.

Identify the project's significant or potentially significant effects and briefly describe any proposed mitigation measures that would reduce or avoid that effect.

The proposed project would have potentially significant impacts to Biological Resources and Cultural and Tribal Cultural Resources that would be reduced to a less than significant level with implementation of the mitigation measures identified in the EIR. Please refer to the Draft EIR to review these measures.

The proposed project would have significant and unavoidable impacts with respect to Greenhouse Gas Emissions, Noise and Vibration, and Transportation.

If applicable, describe any of the project's areas of controversy known to the Lead Agency, including issues raised by agencies and the public.

There are no known areas of controversy.

Provide a list of the responsible or trustee agencies for the project.
