MEMORANDUM

Date: March 4, 2025

To: Office of Land Use and Climate Innovation, State Clearinghouse

From: Gary Mills, Chief Planner, Environmental Planning Division

Subject: Replacement of MND to remove confidential information, SCH# 2025021051

To Whom It May Concern:

Tulare County Resource Management Agency (RMA) uploaded the Mitigated Negative Declaration (MND) for Foxtail Hybrid Solar Project (PSP 24-065), SCH# 2025021051, to the State's CEQAnet on February 26, 2025. The MND was published on the CEQAnet on February 27, 2025. Since then, RMA has become aware that the MND contains a confidential document that was inadvertently included as an Attachment to the MND. As such, RMA has amended the MND to remove this confidential document and respectfully requests that the MND currently available on the CEQAnet be removed; so, we as the county can replace the amended MND by uploading to CEQAnet as it is too large to send through email.

Thank you.
