Project Title: Truckee Wash Rack Sewer Connection

Project Applicant: California Department of Transportation - District 3, Marysville

Project Location (include county): Nevada County

Project Description: The California Department of Transportation (Caltrans) proposes a maintenance project at the Truckee Maintenance Station (MS) in Nevada County. The project proposes to connect the existing wash rack to the municipal sewer system. The scope of work includes creating a trench drain to collect wash water and installing an electrical diversion valve and a sand-oil separator. The three way valve would be installed at the outlet of the trench drain and would determine whether the discharge from the wash rack goes to the storm drain or the sand-oil separator. When the wash rack is in use for a vehicle wash, the valve would divert the wash water to the sand-oil separator and then to the sewer system. When the wash rack is not in use, the valve would direct stormwater to the storm drain. Additionally, a sampling port would be installed so maintenance staff can collect samples of the wash water entering the sewer system.

This is to advise that the Caltrans - District 3, Marysville (Lead Agency or Responsible Agency) has approved the above described project on 7/18/2025 and has made the following determinations regarding the above described project.

1. The project [will will not] have a significant effect on the environment.
2. An Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA.
 A Negative Declaration was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures [were were not] made a condition of the approval of the project.
4. A mitigation reporting or monitoring plan [was was not] adopted for this project.
5. A Statement of Overriding Considerations [was was not] adopted for this project.
6. Findings [were were not] made pursuant to the provisions of CEQA.

This is to certify that the final EIR with comments and responses and record of project approval, or the Negative Declaration, is available to the general public at: Caltrans
