Project Location: City of Sacramento - along 24th Street between H Street and N Street, and on K Street, between 24th Street and 25th Street.

County: Sacramento

Project Description: The project consists of the construction and operation of a replacement sanitary sewer pump station, and other necessary facilities. The proposed project site is located in along 24th Street between H Street and N Street, and on K Street, between 24th Street and 25tti Street. The proposed project would install 2,900 linear feet of 120-inch pipe to provide additional underground storage for the combined sewer system. Project improvements will also include an installation of a sewer pump station, asphalt concrete paving, and roadway striping.

This is to advise that the City of Sacramento, City Council, approved the above-described project on July 1, 2025, and has made the following determination regarding the above-described project:

1. The project will not have a significant effect on the environment.
2. An Initial Study/Mitigated Negative Declaration was prepared for this project pursuant to the provisions of the California Environmental Quality Act (CEQA) (Master EIR).
3. Mitigation Measures were made a condition of approval of the project (adoption policies of the 2040 General Plan).
4. Findings were made pursuant to the provisions of CEQA.

This is to certify that the Initila Study/Mitigated Negative Declaration with comments and responses is available to the general public on the City website at:

https://www.cityofsacramento.gov/community-development/planning/environmental/impact-reports
