RE: MEMORANDUM FOR MITIGATED NEGATIVE DECLARATION FOR GENERAL
PLAN AMENDMENT NO. 21-0424/ /WILLIAMSON ACT CANCELLATION 25-0001
DATED JULY 23, 2025, STATE CLEARINGHOUSE NUMBER [2025031371](#)

Dear Ashley Knight

The Department of Toxic Substances Control (DTSC) reviewed and submitted a [Comment Letter](#) on the Mitigated Negative Declaration (MND) for the General Plan Amendment No. 21-0424 on April 7, 2025. Since the recommendations within the comment letter were not addressed in the latest version of the proposed Project, DTSC wants to reiterate that the comments provided to the updated proposed Project (i.e. General Plan Amendment No. 21-0424/ /Williamson Act Cancellation 25-0001) and DTSC respectfully requests those comments be reflected for the record. Although the Project description has changed to document the cancellation of the Williamson Act, the Project itself has not, and therefore the recommendations still apply.

Thank you for your assistance in protecting California's people and environment from the harmful effects of toxic substances. If you have any questions or would like clarification on this memorandum or DTSC's comments for the Project, please respond to this letter or via our [CEQA Review email](#) for additional guidance.
