Project Applicant: Double Golden Eagle, LLC

Project Location - Specific:

20907 Roscoe Boulevard, Canoga Park, CA 91304 / Roscoe Blvd and De Soto Ave

Project Location - City: Canoga Park

Project Location - County: Los Angeles

Description of Nature, Purpose and Beneficiaries of Project:

Retail sales of commercial cannabis products under State and local law.

Name of Public Agency Approving Project: City of Los Angeles, Department of Cannabis Regulation

Name of Person or Agency Carrying Out Project: Double Golden Eagle, LLC

Exempt Status: **(check one):**

- ☐ Ministerial (Sec. 21080(b)(1); 15268);
- ☐ Declared Emergency (Sec. 21080(b)(3); 15269(a));
- ☐ Emergency Project (Sec. 21080(b)(4); 15269(b)(c));
- ☒ Categorical Exemption. State type and section number: CEQA Sections 15301 & 15332/Class 1 & 32
- ☐ Statutory Exemptions. State code number: _____

Reasons why project is exempt:

Environmentally benign infill project consistent with the General Plan, Zoning requirements and consistent with the criteria for a Class 1 & Class 32 Categorical Exemption pursuant to CEQA Guidelines Section 15301 & 15332 and does not require further analysis based on the exceptions in CEQA Guidelines Section 15300.2, and thus, DCR finds that no further CEQA analysis is required.

RECOMMENDATION REPORT FOR RETAIL WITH ON-SITE SALES COMMERCIAL CANNABIS LICENSE

Pursuant to Los Angeles Municipal Code (LAMC) Section 104.06, the following application for commercial cannabis activity is complete and the Department of Cannabis Regulation (DCR) has determined the Applicant meets the requirements for the issuance of an Annual License for the commercial cannabis activity listed below. DCR recommends that the Cannabis Regulation Commission approve the issuance of an Annual License. DCR also has determined this project is categorically exempt from the requirements of the California Environmental Quality Act (CEQA) pursuant to the Class 1 and Class 32 categorical exemptions.

DCR Core Record No.:	320093
Applicant Name:	Double Golden Eagle, LLC
DCR Record No. / Activities Requested:	LA-R-24-320093-ANN / Retail w/ on-site sales (Type 10)
Proposed Project:	The Applicant seeks an Annual License for the Type 10 Retail Storefront with on-site sales commercial cannabis activity pursuant to LAMC section 104.06 et. al.
Business Premises Address/ Project Location:	20907 Roscoe Boulevard Canoga Park, CA 91304
Council District: Closest Neighborhood Council (NC): Business Improvement District: Community Plan Area: Zoning:	3 Canoga Park None Chatsworth - Porter Ranch C2-1L
LAMC Section / "Phase":	LAMC 104.06.1 / Phase 3 Retail Round 2
Evidence of Offer to Meet with NC:	Yes
Complaint Portal Entry: Recent Compliance Inspection:	No Yes
Social Equity Applicant / Ownership %:	Yes / 81%
Environmental Analysis/Clearance: ENV-320093-ANN	Notice of Exemption pursuant to the Class 1 and Class 32 categorical exemptions (tit. 14, Cal. Code Regs., §§ 15301, 15332)

BACKGROUND:

The Business Premises is located at 20907 Roscoe Boulevard, Canoga Park, CA 91304, a parcel zoned for Neighborhood Office Commercial purposes. The Applicant has not been issued Temporary Approval by DCR. The Applicant has adhered to the requirements of the Los Angeles Municipal Code (LAMC) and DCR's Rules and Regulations, and completed all requirements for the issuance of an Annual License. The Applicant currently possesses a State provisional License, C10-0001519-LIC, to conduct Retail with on-site sales Commercial Cannabis Activity, which is active through November 22, 2025. The Applicant is subject to the requirements of LAMC Section 104.20 for the Social Equity Program.

Social Equity Applications are evaluated for compliance with the Equity Share requirements under LAMC 104.20. To comply with the Equity Share requirements, Social Equity Individual Applicants (SEIAs) must possess unrestricted ownership of their share of the Social Equity Applicant (business), a proportional right to vote and to the profits, and include certain language mandated by LAMC 104.20 in their agreements, among other requirements. As part of the application process, DCR reviewed the corporate and ownership documentation provided for this Applicant and determined that the Applicant met the minimum Equity Share requirements at that time.

DEPARTMENT ANNUAL LICENSING RECOMMENDATION:

DCR recommends approving the Annual License for the Applicant based on the following factors:

- The Applicant has met the Application requirements under LAMC Section 104.03.
- The Business Premises location meets the requirements under LAMC Section 105.02.
- The Application does not contain any grounds for denial under LAMC Section 104.04.
- The Applicant has met the requirements under LAMC Section 104.20.

COMMUNITY INPUT:

On or about January 17, 2025, DCR provided notice of the community meeting and Cannabis Regulation Commission meeting by mail to the owners and occupants of all property within 700 feet of the property line of the Business Premises. Notice was also provided to the nearest Neighborhood Council, Business Improvement District, and Council Office.

The virtual community meeting was held on February 13, 2025. During the meeting, members of the public were afforded two minutes each to speak about the Application. DCR also accepted online written input through the date of the community meeting. Two representatives of the company spoke about the cleanliness of the premises, good products, and good prices leading to happy clientele

Number of Comments In Favor of the Application	2
Number of Comments Against the Application	0
Total Number of Comments	2

The Applicant provided timely proof to DCR that it contacted the nearest Neighborhood Council and offered to appear before the Neighborhood Council in accordance with LAMC Section 104.06(b)(1)(ii).

COMPLIANCE REVIEW:

As part of its progressive enforcement strategy, DCR performs compliance checks and/or inspections of Applicants and Licensees for operational compliance under the Rules and Regulations for Cannabis Procedures ("Regulations"). There are at least 85 potential violations in the Regulations. For most of these violations, DCR's compliance program aims to provide Licensees with the opportunity to cure before facing significant penalties, denial, suspension, or revocation. DCR's discovery of violations of the Regulations may result in a Notice to Correct ("NTC"), Notice of Violation ("NOV") with administrative penalties, Notice of Suspension ("NOS"), Notice of Revocation ("NOR"), or Notice of Administrative Hold, depending on the severity of the findings. (LAMC § 104.13.)

In most circumstances, when a violation is discovered, DCR's first step is to issue a NTC. If, after the issuance of a NTC, an applicant does not correct violations, DCR may issue a NOV with significant administrative penalties. (LAMC § 104.013(c)(2).) Failure to comply with a NOV may result in a second escalating NOV, denial of a License renewal, imposition of more restrictive License conditions or suspension or revocation of a license. (LAMC §§

104.13(d)(5), 104.13(e)(2).) DCR may also immediately suspend a business without a hearing if there is an imminent threat to life or public safety, the Applicant operates without all necessary permits or clearances from another agency, or the Applicant does not have an active State license for that Commercial Cannabis Activity.

For this Applicant, DCR performed a compliance check of the Business Premises on or about February 5, 2025. During the compliance check, DCR discovered a number violations including:

1. **Regulation 5(A)(1)(viii) - Use of DBA. “Dr. Green Thumbs”** is not registered as a Fictitious Business Name (FBN) or DBA, with DCR. (VT Minor)
2. **Regulation 5(A)(2)(i) - Display of License.** The DCR Temporary Approval License was not posted for public viewing. (VT Minor)
3. **Regulation 5(A)(3)(i) - No Physical Changes without Approval.** The camera locations on the Business Premises Diagram do not match the camera locations on site. (VT Moderate)
4. **Regulation 5(A)(4)(i)(C) - Security Measures Security Measures.** There was a discrepancy with the video surveillance timestamp. The time displayed was approximately 40 minutes behind the actual time. Additionally, the surveillance recording for 90 days was not maintained. A request for the recordings of December 1, 2024, which is approximately 64 days from the date of the request, could not be produced. (VT Moderate)
5. **Regulation 5(B)(1)(i)(B) - Record Retention.** Personnel records were not provided during the compliance inspection as requested.(VT Minor)
6. **Regulation 5(C)(9) - Product Inventory and Sales.** DCR identified inventory and sale transaction discrepancies in the Track and Trace System (Metrc). In Metrc, there should be a total count of 4 ‘Green Crack’ Stiiizy Live Liquid Resin Diamonds on the Business Premises; however, only 1 ‘Green Crack’ Stiiizy Live Resin Diamonds was found on the floor. Additionally, in Metrc, the record of the unit price sale, “Romulan 28.4g Flower”, on February 2, 2025 at 7:35pm, was \$44.16, but according to the on-site point-of-sales, the unit price sale amount was \$44.40. (VT Minor)

The Licensee’s representative was debriefed by DCR following the inspection and was informed of the deficiencies found.

As a result, DCR issued a NTC to the Applicant on February 19, 2025. The Applicant has 30 days to correct the violations and/or deficiencies listed in the NTC. DCR anticipates the Applicant will continue to be forthcoming and cooperative, but reserves the right to take escalating enforcement action, if necessary.

Therefore, it is DCR’s position that this compliance check did not reveal any serious concerns that impacted DCR’s ability to recommend this Applicant for licensure. The violations may be remedied within 30 days without jeopardizing public safety. Moreover, this Applicant shall be subject to multiple, further inspections by DCR and other agencies prior to the receipt of an Operating Permit.

THERE ARE NO EXISTING REASONS TO DENY AN ANNUAL LICENSE:

DCR or the Cannabis Regulation Commission may deny an Annual Application for the reasons stated in LAMC section 104.04. These denial reasons include, but are not limited, to:

- The Business Premises is substantially different from the diagram of the Business Premises submitted by the Applicant or Licensee;
- Denying DCR employees or agents access to the Business Premises;
- Procuring a License by fraud or deceit, making a material misrepresentation, false statement, or knowingly failing to disclose a material fact;
- Failing to timely to provide DCR with requested information, forms or documents;
- Denial of a license, permit or other authorization to engage in Commercial Cannabis Activity by any state or other local licensing authority;
- Creation of a significant public safety problem as documented by a law enforcement agency;
- Failure to adhere to the requirements of this article or the Rules and Regulations;
- Engaging in unlicensed Commercial Cannabis Activity in violation of Section 104.15;
- Revocation of Temporary Approval;
- Failing a Business Premises inspection by DCR, another City agency, or the Los Angeles County Department of Public Health; or
- Failing to comply with any requirement in LAMC Section 104.20;
- The Business Premises was the site of a utility disconnect, padlocking or certain criminal convictions for a period of 5 years from the date of the conviction, padlock or disconnect;
- Improper zoning or distancing of the Business Premises from Sensitive Uses under LAMC Section 105.00 *et seq.*;
- An Owner is an individual who holds office in, is employed by any agency of the State of California and any of its political subdivisions when the individual's duties include the enforcement or regulation of Commercial Cannabis Activity or any other penal provisions of law of the State of California prohibiting or regulating Commercial Cannabis Activity; and,
- An Owner is an entity incorporated outside of the United States.

At present, DCR is not aware of any existing facts or circumstances to deny this Annual License for the reasons in LAMC Section 104.04. Thus, DCR recommends the Commission approve the issuance of this Annual License.

CALIFORNIA ENVIRONMENTAL QUALITY ACT (CEQA) PROJECT DESCRIPTION:

The Applicant seeks conversion of an existing Retail Storefront (Type 10) Temporary Approval to an Annual License to be located on an existing site zoned for Neighborhood Office Commercial, C2-1L at 20907 Roscoe Boulevard, Canoga Park, CA 91304 (Assessor's Parcel Number 2779-007-011). The Project-Specific Information (LIC-4013-FORM) submitted by the Applicant states that existing structures will remain with no expansion proposed (Exhibit A). Existing City sewer service is provided to the project site, and water and electricity are provided by the City of Los Angeles Department of Water and Power. Operations would be seven days per week from 7:30 a.m. to 10:00 p.m. Pre-application review has found the project to be consistent with planning and zoning. Further project site information is provided in the Project Parcel Profile Report from the City's Zone Information and Map Access System (ZIMAS) (Exhibit A). Compliance with Los Angeles Municipal Code Sections 104.00 *et seq.* and 105.00 *et seq.*, as well as DCR's Rules and Regulations, does not waive or otherwise circumvent any other City or State requirements or necessary permits from the City, State, or other public agencies, such as the Los Angeles Department of Building and Safety, the Los Angeles Fire Department, or the Los Angeles County Public Health Department. Full compliance with all applicable regulations for the proposed cannabis use(s) are assumed in this analysis.

CEQA PROJECT ANALYSIS & FINDINGS:

Land Use/Zoning Designations

Neighborhood Office Commercial/C2-1L

Surrounding Land Use/Zoning Designations

Neighborhood Office Commercial / P-1L

Community Commercial / [Q]C2-1VL

General Commercial / [Q]C1-1VL

Subject Property

The subject site is a fully developed lot within the Chatsworth - Porter Ranch Community Plan Area. The lot is approximately 155 feet deep and a width of 152 feet along Roscoe Boulevard. The site is currently developed with a Commercial - Shopping Center (Neighborhood, Community) - One Story building, built in 1980 proposed to be maintained.

The site has a Neighborhood Office Commercial land-use designation and is zoned C2-1L. The site is located within Council District 3, Canoga Park Neighborhood Council, and the lot is flat and contains a pre-existing building to be used by the Applicant.

Abutting Properties

Abutting uses include Neighborhood Office and Community Commercial, uses within 200 feet of the site. The immediate area along Roscoe Boulevard is predominantly developed with Neighborhood Office Commercial uses, zoned P-1L, Community Commercial, zoned [Q]C2-1VL and, General Commercial uses, zoned [Q]C1-1VL. (See Exhibit A)

CEQA Findings

CEQA Guidelines, Sections 15301 & 15332, Class 1 & Class 32, consists of projects characterized as in-fill development meeting the following 5 conditions: (a) The project is consistent with the applicable general plan designation and all applicable general plan policies as well as with the applicable zoning designation and regulations; (b) The proposed development occurs within city limits on a project site of no more than five acres substantially surrounded by urban uses; (c) The project site has no value as habitat for endangered, rare or threatened species; (d) Approval of the project would not result in any significant effects relating to traffic, noise, air quality, or water quality; and (e) The site can be adequately served by all required utilities and public services.

These conditions are met as follows: The project is consistent with the applicable general plan designation and all applicable general plan policies as well as with the applicable zoning designation and regulations for the requested commercial cannabis activities.

a) The site is comprised of one lot totaling approximately 22,420 gross square feet, zoned C2-1L with a Commercial - Shopping Center (Neighborhood, Community) - One Story building originally constructed in 1980. No relief has been requested from any applicable provision or requirement of the Los Angeles Municipal Code.

b) The subject site is wholly within the City of Los Angeles, on an approximately 22,420 gross square foot property (i.e., less than five acres), and is substantially surrounded by urban uses. The surrounding area is zoned Neighborhood Office Commercial, and Community Commercial developed with a mix of Neighborhood Office and Community Commercial, buildings along Roscoe Boulevard between De Soto Avenue and Variel Avenue.

c) The project site has no value as habitat for endangered, rare or threatened species. The project is located within an established, fully developed, neighborhood. The project site has no value as habitat for endangered, rare or threatened species. The project does not propose the removal of any trees on-site and/or within the adjacent public right-of-way.

d) Approval of the project would not result in any significant effects relating to traffic, noise, air quality, or water quality.

e) The site can be adequately served by all required utilities and public services. The project site will be adequately served by all required public utilities and services, given that the site is currently served by the City's Department of Water and Power, the City's Bureau of Sanitation, the Southern California (SoCal) Gas Company, the Los Angeles Police Department, the Los Angeles Fire Department, Los Angeles Unified School District, Los Angeles Public Library, and other public services. Compliance with Regulatory Compliance Measures as enforced through the Department of Building and Safety permitting process will ensure that any needed improvements are made in order to provide adequate delivery of utilities and services to the proposed project.

CEQA Section 15300.2: Exceptions to the Use of Categorical Exemptions. The City has further considered whether the proposed project is subject to any of the exceptions set forth in State CEQA Guidelines Section 15300.2, that would prohibit the use and reliance on the categorical exemptions. None of the exceptions are triggered. As the proposed project will result in no physical changes to the site, the project would not have physical impacts to the environment. As such, it would not have a combined impact with other projects in the area that would result in cumulative impacts. There are no unusual circumstances associated with the project, which is proposed in general plan designation and zoning classification that allow the proposed use. The project will not physically change the site or the existing structures. Therefore, the project would have no impact on scenic resources, historic building(s), and the site is not on the lists that satisfy Government Code Section 65962.5, commonly referred to as the "Cortese List," as being affected by hazardous wastes or clean-up problems.

Based on the analysis above, the proposed project is consistent with the criteria for Class 1 and Class 32 categorical exemptions (tit. 14, Cal. Code Regs., §§ 15301, 15332) and does not require further analysis based on the exceptions in CEQA Guidelines Section 15300.2, and thus, DCR finds that no further CEQA analysis is required.

In conclusion, since the project meets all of the requirements for categorical exemption as set forth at CEQA Guidelines, Sections 15301 & 15332, and none of the applicable exceptions to the use of an exemption apply to the project, it is appropriate to determine this project is categorically exempt from the requirements of CEQA.

DEPARTMENT OF CANNABIS REGULATION RECOMMENDED ACTIONS:

That the Cannabis Regulation Commission:

1. Determine, based on the whole of the administrative record, that the project is exempt from the California Environmental Quality Act (CEQA) pursuant to Article 19, Section 15301, Class 1, and Article 19, Section 15332, Class 32 of the State CEQA Guidelines (tit. 14, Cal. Code Regs., §§ 15301, 15332), and there is no substantial evidence demonstrating that an exception to a categorical exemption pursuant to CEQA Guidelines Section 15300.2 applies;
2. Pursuant to Los Angeles Municipal Code Section 104.06(b)(2), approve the Annual License for Type 10 Storefront Retail Commercial Cannabis Activity at the Business Premises location; and,
3. Adopt DCR's Project Analysis & Findings as the Commission's report on the subject.

Categorical Exemption Evaluation Form

Instructions: Before the Department of Cannabis Regulation (DCR) can grant an Annual License, DCR must independently evaluate the document prepared for the project in compliance with the California Environmental Quality Act (CEQA), or documentation provided by the Applicant as evidence of exemption from CEQA. To conduct this evaluation, DCR must have a complete description of the proposed project that provides information about the project site, including existing conditions and facilities, proposed facilities and improvements, and the construction methods and operations practices of the proposed project. DCR can complete its review more quickly and efficiently when applicants provide as much of the information needed by DCR to complete an independent evaluation of the proposed project as is available.

Please provide detailed responses. If more space is needed, additional pages may be added. Missing, incomplete, or inconsistent information may delay the processing of your Annual License Application.

Project Description: *Insert project description information or reference where this information is located.*

The proposed use is strictly licensed cannabis retail. There will be a reception area for age and identity verification, a counter for customers to speak with retail associates about product selections and check out. There is a back office for secure inventory storage, cash counting, etc. and a restroom with exterior parking for employees and delivery vehicles. The project is located on Roscoe Blvd. in Canoga Park in a busy commercial shopping center.

Categorical Exemption Evaluation Form

Class 1: Existing Facilities

1. Is the project site currently operating as a cannabis activity site or a similar use, or has it recently operated for this purpose? ☐ Yes ☒ No

Provide details of current or prior operation(s). Cite source(s) of information.

The project is not currently operating as a licensed, compliant medical and adult use commercial retail cannabis business. Prior to this operation, the business operated as a walk in laundromat. Sources: Department of Cannabis Control, Google.

2. Does the project involve an expansion of existing structures that would be considered negligible or no expansion of existing or former use? (If no, skip to Question 6) ☐ Yes ☒ No

Provide expansion details, if applicable. Cite source(s) of information.

The project does not involve any expansions.

3. Project Expansion: _____
Size of expansion in square feet: _____

Cite source(s) of information.

- a. Would the expansion be less than or equal to 2,500 square feet or 50 percent of the floor area before expansion? (If yes, skip to Question 6.) ☐ Yes ☐ No

Cite source(s) of information.

- b. Would the expansion be more than 2,500 square feet or 50 percent of the floor area before expansion? (If yes, skip to Question 4.) ☐ Yes ☐ No

Cite source(s) of information.

- c. Would the expansion be greater than 10,000 square feet? ☐ Yes ☐ No

Cite source(s) of information.

4. Is the project site served by all public services sufficient to serve the project (e.g., water, sewer, electricity, gas)? ☐ Yes ☐ No

Describe which public services serve the project site. Cite source(s) of information.

5. Is there evidence that the project site is located in an environmentally sensitive area?

☐ Yes ☐ No

Describe the environmentally sensitive area (if applicable). Cite source(s) of information, if available.

6. Does the project require a water right permit or another environmental permit that could result in physical changes to the environment? (If yes, see instructions.)

☐ Yes ☒ No

List permits required and any potential physical changes that could occur. Cite source(s) of information.

The project does not require a water right permit or another environmental permit.

7. Does the project require demolition and removal of individual small structures (e.g., one single-family residence, a duplex or similar multifamily structure, a store, motel or restaurant or accessory structures)?

☐ Yes ☒ No

Describe size of structure to be demolished and location.

The project does not require demolition or removal of any structures.

Categorical Exemption Evaluation Form**Class 2: Replacement or Reconstruction**

1. Does the project involve the replacement or reconstruction of an existing structure on the same site as the structure being replaced or reconstructed? ☐ Yes ☒ No

Describe both the existing structure and replacement structure, including the location on the site. Cite source(s) of information.

N/A

2. Would the new structure have substantially the same purpose and capacity as the existing structure? ☐ Yes ☐ No

Provide information on the purpose of both the existing and replacement structures to ensure they are the same. Cite source(s) of information.

N/A no new structures are planned.

3. Does the project require a water right permit or another environmental permit that could result in physical changes to the environment? (If yes, see instructions.) ☐ Yes ☒ No

List permits required and any potential physical changes that could occur. Cite source(s) of information.

N/A no water rights or environmental permits are required.

Categorical Exemption Evaluation Form

Class 3: New Construction or Conversion of Small Structures

1. Does the project involve the conversion of existing small structures including only minor modifications, or the installation of small equipment and facilities in small structures? ☐ Yes ☒ No

Provide information regarding the nature of modifications to existing small structures, if applicable. Cite source(s) of information.

No structures will be converted.

2. Does the project involve the construction of new small structures? ☐ Yes ☒ No

Provide information regarding the size and purpose of the proposed new structures, if applicable. Cite source(s) of information.

No structures will be constructed.

Please check instructions for directions on how to proceed, based on answers to Questions 1 and 2.

3. Is the project within an urbanized area? (If no, skip to [Question 9.](#)) ☐ Yes ☒ No

Cite source(s) of information.

zimas, google

FOR SITES IN URBANIZED AREAS

4. Does the project involve the construction of four or fewer structures totaling 10,000 square feet or less?

☐ Yes ☐ No

Provide information regarding size of new structure(s), if applicable. Cite source(s) of information.

5. Is the parcel zoned for the proposed use?

☐ Yes ☐ No

Cite source(s) of information.

6. Does the project involve the use of significant amounts of hazardous substances?

☐ Yes ☐ No

Provide details of any hazardous substances used including amount of product(s), if applicable. Cite source(s) of information.

7. Are all necessary public services and facilities available to the project?

☐ Yes ☐ No

List all services and facilities provided. Cite source(s) of information.

8. Do either the project site or the surrounding lands contain a sensitive environmental area? (If no, skip to Question 11.)

☐ Yes ☐ No

Provide information on the nature of any sensitive environmental areas. Cite source(s) of information, if available.

FOR SITES NOT IN URBANIZED AREAS

9. Does the project involve the construction of a single structure totaling 2,500 square feet or less?

☐ Yes ☒ No

Provide information regarding size of new structure, if applicable. Cite source(s) of information.

No construction is planned.

10. Does the project involve the use of significant amounts of hazardous substances?

☐ Yes ☒ No

Provide list of any hazardous substances used, including amount of product(s), if applicable and available. Cite source(s) of information.

No hazardous substances are used or will be used.

FOR ALL SITES

11. Does the project require a water right permit or another environmental permit that could result in physical changes to the environment? (If yes, see instructions.)

☐ Yes ☒ No

List permits required and any potential physical changes that could occur. Cite source(s) of information.

No water right or environmental permits are required.

Categorical Exemption Evaluation Form

Class 4: Minor Alterations to Land

1. Does the project involve the removal of healthy, mature, scenic trees (except for forestry and agricultural purposes)? ☐ Yes ☒ No

Provide details, if needed. Cite source(s) of information.

No trees or vegetation will be removed.

2. Does the project involve alterations to land, water, or vegetation that would be considered minor? ☐ Yes ☒ No

Provide details, if needed. Cite source(s) of information.

No land, water or vegetation alterations are required.

3. Would the alterations consist of grading on lands of 10 percent slope or steeper? ☐ Yes ☒ No

Provide details, if needed. Cite source(s) of information.

No grading will occur.

4. Would the alterations consist of grading in an area determined to be a wetland? ☐ Yes ☒ No

Cite source(s) of information.

N/A

5. Would the alterations consist of grading in a scenic area officially designated by a federal, state, or local agency?

☐ Yes ☒ No

Provide name of scenic area (if applicable). Cite source(s) of information.

No grading in any areas, nor any scenic areas are planned.

6. Would the alterations consist of grading in an officially mapped area of severe geologic hazard, such as an Alquist- Priolo Earthquake Fault Zone, or within an official Seismic Hazard Zone designated by the State Geologist?

☐ Yes ☒ No

Provide the name of the zone (if applicable). Cite source(s) of information.

No alterations are planned.

7. Does the project require a water right permit or another environmental permit that could result in physical changes to the environment? (If yes, see instructions.)

☐ Yes ☒ No

List permits required and any potential physical changes that could occur. Cite source(s) of information.

No water right or environmental permits are required.

Categorical Exemption Evaluation Form

Class 11: Accessory Structures

1. Does the project include the construction or placement of accessory structures? ☐ Yes ☒ No

Describe new and/or replacement accessory structures. Cite source(s) of information.

No accessory structures are planned.

2. Does the project require a water right permit or another environmental permit that could result in physical changes to the environment? (If yes, see instructions.) ☐ Yes ☒ No

List permits required and any potential physical changes that could occur. Cite source(s) of information.

No water right or environmental permits are required.

Categorical Exemption Evaluation Form**Class 32: Infill Development Projects**

1. Is the project consistent with the general plan designation, all applicable general plan policies, and zoning designation and regulations for the site? ☒ Yes ☐ No

Cite source(s) of information.

The existing general plan and land use zoning surrounding the proposed project location are general commercial and community commercial on Roscoe Blvd., including retail businesses, liquor stores, restaurants, grocery stores, medical and veterinary offices, drug stores and residential occupancy. The project is consistent with other retail uses in the area.

2. Project Size and Location

- a. Is the project site 5 acres in size or less? ☒ Yes ☐ No

Indicate the size of the project site, in acres. Cite source(s) of information.

The lot on which the project is located is 22,420 square ft. The total floor area of the project is approximately 2200 square feet.

- b. Is the project site substantially surrounded by urban uses? ☒ Yes ☐ No

Describe the uses of the surrounding properties. Cite source(s) of information.

The uses of the surrounding properties are all commercial and residential. The area primarily consists of shopping centers, strip malls, grocery and big box stores, small chain establishments, freestanding retail buildings, restaurants, and residential homes and apartments.

3. Does the project site have value as habitat for endangered, rare, or threatened species? ☐ Yes ☒ No

Describe any habitat for endangered, rare, or threatened species identified on or near the project site (if applicable). Cite source(s) of information.

There are no habitats for endangered, rare or threatened species on or near the project site.

4. Would the project have significant impacts related to traffic, noise, air quality, or water quality?

☐ Yes ☒ No

Describe potential impact(s) and evidence (if applicable). Cite source(s) of information.

The existing general plan and land use zoning surrounding the proposed project location are general commercial and community commercial on Roscoe Blvd., including retail businesses, liquor stores, restaurants, grocery stores, medical and veterinary offices, drug stores and residential occupancy. The project is consistent with other retail uses in the area. There are no significant changes to traffic, noise, air quality or water quality presented by this project. Given the prior use as a laundromat, there will likely be improvements to the air and water quality presented by this project.

5. Can the project site be adequately served by all required utilities and public services?

☒ Yes ☐ No

Describe which utilities and public services serve the project site. Cite source(s) of information.

The project is served by LADWP and Republic Services. Sources: ladwp.com and google.com

6. Does the project require a water right permit or another environmental permit that could result in physical changes to the environment? (If yes, see instructions.)

☐ Yes ☒ No

List permits required and any potential physical changes that could occur. Cite source(s) of information.

No water right or other environmental permits are required.

Exceptions to Exemptions**1. Scenic Highways**

- a. Is the project visible from an official State Scenic Highway?

☐ Yes ☒ No

*List State Scenic Highway(s) from which the project is visible (if applicable).
Cite source(s) of information.*

N/A

- b. If yes, would the project result in damage to scenic resources?

☐ Yes ☒ No

*Describe scenic resources and potential damage (if applicable). Cite source(s)
of information.*

N/A

- 2. Is the project located on a site included on any list compiled pursuant to Government Code § 65962.5 (Cortese List)?**

☐ Yes ☒ No

Describe the type of hazardous site (if applicable). Cite source(s) of information.

N/A

- 3. Would the project result in a substantial adverse change in the significance of a historical resource?**

☐ Yes ☒ No

*List the historic resource(s) potentially affected and describe the potential effects
(if applicable). Cite source(s) of information.*

N/A

4. **Is there evidence of the potential for the project to contribute to a significant cumulative impact?**

☐ Yes ☒ No

Describe the potential cumulative impact(s) and evidence (if applicable). Cite source(s) of information.

There is no evidence for the project to contribute to a significant cumulative impact. The use is consistent with other businesses in the City that have contributed no significant impact. Sources: DCC, Rand, google

5. **Is there evidence of a reasonable possibility of a significant environmental impact due to unusual circumstances?**

☐ Yes ☒ No

Describe the potential impact(s), circumstances, and evidence (if applicable). Cite source(s) of information.

There is no evidence of a reasonable possibility of a significant environmental impact due to unusual circumstances. Commercial cannabis businesses have operated in California for many years with no impact due to unusual circumstances.

6. **Would the project impact an environmental resource of hazardous or critical concern?**

☐ Yes ☒ No

Provide details, if needed. Cite source(s) of information.

N/A

7. **Does the project involve the removal of healthy, mature, scenic trees (except for forestry and agricultural purposes)?**

☐ Yes ☒ No

Provide details, if needed. Cite source(s) of information.

No vegetation or tree removal is required.

CEQA Exemption PetitionClass: 1 Category: Existing facilities

Explanation of how the project fits the CEQA exemption indicated above:

This building has been used as a walk in retail business for many years. The proposed project creates no new environmental impact. The proposed use is consistent with other commercial uses in the area, and is consistent with historical uses at this specific location.

1. **Source(s) of Information:** Identify Sources: *Indicate the document(s) or other sources of information reviewed to complete this form.*

Zimas, landowner and former tenant information, google business search and google maps.

2. **Project Location and Surrounding Land Use.**

- (a) Describe Project Location: *Provide detailed information about the project location and any other physical description that clearly indicates the project site location.*

The project is located at 20907 Roscoe Blvd. in Canoga Park in a small strip mall that includes a Domino's Pizza, a liquor store, a donut shop and features a large parking area and drive way in front of the commercial premises for customer and staff parking.

- (b) Existing Land Uses/Zoning: *Describe the current land uses on the project site and any existing buildings and structures. Describe the surrounding land uses and zoning designations within a one-half mile radius of the project and list all abutting land uses.*

The existing general plan and land use zoning surrounding the proposed project location are general commercial on Roscoe Blvd., including retail businesses, liquor stores, restaurants, grocery stores, , drug stores and residential occupancy. The project is consistent with other retail uses in the area.

- (c) Previous Use: Describe the previous use of the Project site or facility, if known. Include an estimate of the time such previous operations ceased, if such information is available.

The building was previously used for a laundromat.

- (d) Was the site previously used for a similar use? The key consideration is whether the project involves negligible or no expansion of an existing use.

Yes, the site has previously been used as a walk in retail business.

- (e) Maps to be Included: Provide a vicinity map and aerial image to show the project location. Include photographs, not larger than 8½ by 11 inches, of existing visual conditions as observed from publicly accessible vantage point(s).

3. Project Operations/Description. Provide the following information about project operation and maintenance activities. If more than one type of cannabis activity is occurring on-site, provide a description of the project operations for each activity. This should include the following relevant information.

- (a) Activities Occurring Onsite: Describe the activities included in the project application and identify any other commercial cannabis activity or activities occurring at the proposed premises, including other proposed cannabis activities occurring on the property. Describe the cannabis business operation methods and activities (e.g. cultivation methods, manufacturing and/or distribution operations).

The proposed use is strictly licensed cannabis retail. There will be a reception area for age and identity verification, a counter for customers to speak with retail associates about product selections and check out. There is a back office for secure inventory storage, cash counting, etc. and a restroom with exterior parking for employees and delivery vehicles.

- (b) Cannabis Operation Activities Owned by the Same or Different Businesses: *Describe any additional cannabis operation activities existing or proposed either owned by the same or different businesses on the property.*

There are no other commercial cannabis operations existing or proposed to be used at the same premises at this time.

- (c) Project Size: *Quantify the project size (total floor area of the project), and the lot size on which the project is located, in square feet.*

The lot on which the project is located is 22420 square ft. The total floor area of the project is approximately 2200 square feet.

- (d) State License: *Identify whether the applicant is licensed by, or has applied for licensure from, the California Department of Cannabis Control to engage in commercial cannabis activity at the proposed premises.*

The applicant has applied to the California Department of Cannabis Control to engage in retail commercial cannabis activity.

- (e) Hours of Operation/Work Shifts: *Identify the hours of operation/work shifts for the project.*

Hours of operation are 7:30 am - 10:30 pm. Hours open to the public are 8am - 10pm. There will be two work shifts for the project, an opening shift that commences at 7:30 am and ends at 4pm, and a closing shift that begins at 3:30pm and ends at 10:30pm.

- (f) Number of employees (total and by shift): *Estimate the number of anticipated employees onsite and occupancy during operating hours.*

We estimate the total number of employees not to exceed 10, with 2-3 employees per shift. The occupancy during business hours will vary depending on time of day and day of the week, and is estimated to range from 10-50 people onsite during operating hours.

- (g) Estimated Daily Trip Generation: *Estimate the frequency of deliveries or shipments originating from and/or arriving to the project site. Identify the approximate number of vehicle trips per day to be generated by the project and information regarding the days and times most trips are expected to occur.*

We estimate that the number of deliveries and shipments will increase over time, beginning with 1-2 per day and ramping up to 10-20 vehicle trips per day. We expect most trips to occur between 10 am and 8pm, Mon. - Friday.

- (h) Source(s) of Water: *Name all sources of water, and indicate whether a new or amended water right must be obtained from the State Water Resources Control Board.*

LADWP is the water source. No water rights are required as this project is retail only.

- (i) Wastewater Treatment Facilities: *Describe the facilities for treatment of wastewater (e.g., leach field, City wastewater collection facilities).*

LADWP provides water services for the facility. City wastewater collection is the wastewater treatment facility.

4. Environmental Setting:

- (a) Describe natural characteristics on the project site:

The project site is a preexisting commercial strip mall that is surrounded by other free standing commercial buildings. The project site does not contain any landscaping or elements of nature.

- (b) General Topographic Features (slopes and other features):

The topography of the site is flat.

- (c) Natural characteristics (general vegetation types, drainage, soil stability, habitat, etc.):

There is no soil or vegetation onsite. There is no natural habitat for any species onsite.

- (d) Identify whether there are any watercourses and riparian habitats within 150- feet of the proposed premises (e.g., drainage swales, stream courses, springs, ponds, lakes, creeks, tributary of creeks, wetlands):

There are no watercourses or riparian habitats within 150 ft of the proposed premises.

- (e) Identify whether the property contains natural features of scenic value of rare or unique characteristics (e.g., rock outcroppings, mature trees):

The property doesn't contain any natural features of scenic value of rare or unique characteristics.

- (f) Identify whether the property has any historic designations or archeological remains onsite:

The property does not contain any historic designations or archaeological remains onsite.

- (g) Identify whether the property contains habitat for special status species:

The property does not contain habitat for special status species.

- (h) Identify the location, type, and quantity of hazardous materials, as defined by Health and Safety Code section 25260, that are stored, used, or disposed of at the project site and a copy of the Hazardous Material Business Plan (HMBP) prepared for the proposed premises, if any:

There are no hazardous materials as defined by Health and Safety Code section 25260 that will be stored, used or disposed of at the project site. Thus, a HMBP is not required.

- (i) Discuss whether the project will increase the quantity and type of solid waste, as defined by Public Resources Code section 40191, or hazardous waste, as defined by Health and Safety Code section 25117, that is generated or stored onsite:

The project is not expected to increase the quantity or type of solid waste or hazardous waste that is generated or stored onsite.

- ④ Describe the project's anticipated operational energy needs, identify the source of energy supplied for the project and the anticipated amount of energy per day, and explain whether the project will require an increase in energy demand and the need for additional energy resource:

The project anticipates minimal operational energy needs. All energy supplied for the project is supplied by LADWP. The anticipated amount of energy per day is 2000 kw per day. The project is not expected to increase the energy demand or create a need for additional energy.

5. Explain whether any of the project activities will expand the existing footprint of the proposed facility beyond the current structural or parcel boundaries, increase the amount of impervious surface, or reduce any natural habitat. If the project is part of a larger project, attach a separate sheet to briefly describe the larger project.

The project will not expand the existing footprint of the proposed facility beyond the existing structural or parcel boundaries, nor will it increase impervious surface, or reduce natural habitat.

6. Environmental Commitments: *List any environmental commitments agreed to by the applicant to the protection of biological or cultural resources, energy efficiency, water efficiency, noise abatement, lighting, or other aspects of the project that may reduce impacts on the environment.*

The applicant is not bound by any environmental commitments to the protection of biological or cultural resources, energy efficiency, water efficiency, noise abatement, lighting or other aspects of the project that may reduce environmental impact, however the applicant uses all eco friendly cleaning materials, LED lighting, and uses minimal water strictly for cleaning and handwashing.

7. Other Relevant CEQA Information: *Submit any other relevant CEQA documentation or information that will assist the Department in determining CEQA compliance (e.g., any environmental impact analysis prepared by a consultant).*

N/A

8. **Permits Required:** *List all other required federal, state, and local permits required, including, but not limited to, all entitlements required for this project by a planning commission, local air district, or regional water board. Identify whether the commercial cannabis business(es) is licensed by or has applied for licensure from the Department, or one of the prior state cannabis licensing authorities:*

- ☒ California Department of Cannabis Control
- ☐ Los Angeles Fire Department
- ☐ Los Angeles Department of Building and Safety
- ☐ California Department of Fish and Wildlife
- ☐ State Water Resources Control Board / Regional Water Quality Control Board
- ☐ County of Los Angeles Public Health Permit
- ☐ Local Air District
- ☐ Streambed Alteration Agreement
- ☐ Water quality protection program
- ☐ Los Angeles Department of Water and Power
- ☐ Los Angeles Department of Public Works, Bureau of Sanitation

Partial List of Categorical Exemptions under CEQA

Certain commercial cannabis activities (projects) may be exempt from further environmental review pursuant to the California Environmental Quality Act (CEQA) because they fall within a class of projects determined not to have significant effect on the environment. (Cal. Code Regs., tit. 14, § 15300 et seq.) Common exemptions that may apply have been identified below.

Class	Category	Description
Class 1	Existing Facilities	Consists of the operation, repair, maintenance, permitting, leasing, licensing, or minor alteration of existing public or private structures, facilities, mechanical equipment, or topographical features, involving negligible or no expansion of use beyond that existing at the time of the lead agency's determination. (Cal. Code Regs., tit. 14, §15301.)
Class 2	Replacement or Reconstruction	Consists of replacement or reconstruction of existing structures and facilities where the new structure will be located on the same site as the structure replaced with a new structure of substantially the same size, purpose, and capacity. (Cal. Code Regs., tit. 14, § 15302.)
Class 3	New Construction or Conversion of Small Structures	Consists of construction and location of limited numbers of new, small facilities or structures; installation of small new equipment and facilities in small structures; and the conversion of existing small structures from one use to another where only minor modifications are made in the exterior of the structure. (Cal. Code Regs., tit. 14, § 15303.)
Class 4	Minor Alterations to Land	Consists of minor public or private alterations in the condition of land, water, and/or vegetation which do not involve removal of healthy, mature, scenic trees except for forestry and agricultural purposes. (Cal. Code Regs., tit. 14, § 15304.)
Class 11	Accessory Structures	Consists of construction, or placement of minor structures accessory to (appurtenant to) existing commercial, industrial, or institutional facilities. (Cal. Code Regs., tit. 14, § 15311.)
Class 32	In-Fill Development Projects	Consists of projects characterized as in-fill development meeting the conditions described in Cal. Code Regs., tit. 14, § 15332.
