Project Title: 2025 Regional Transportation Plan/Sustainable Communities Strategy

Project Applicant: Tahoe Regional Planning Agency

Project Location (include county): El Dorado, Placer, Washoe, Douglas counties, city of South Lake Tahoe

Project Description:

The purpose of the 2025 RTP/SCS is to provide a clear vision of the regional transportation goals, objectives, and policies in the Lake Tahoe Basin. The RTP provides short-term and long-term transportation strategies for implementation, which includes realistic and fiscally constrained alternatives. The purpose of the SCS is to demonstrate the integration of land use, housing, and transportation for the purpose of reducing GHG emissions from passenger vehicles.

This is to advise that the Tahoe Regional Planning Agency has approved the above (Lead Agency or Responsible Agency)

described project on July 23, 2025 and has made the following determinations regarding the above described project.

- 1. The project will not have a significant effect on the environment.
2. An Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA. A Negative Declaration was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures were made a condition of the approval of the project.
4. A mitigation reporting or monitoring plan was adopted for this project.
5. A statement of Overriding Considerations was adopted for this project.
6. Findings were made pursuant to the provisions of CEQA.

This is to certify that the final EIR with comments and responses and record of project approval, or the negative Declaration, is available to the General Public at:
