Subject: **State Clearinghouse No. 2025050077**: Requesting Changes to Published Notice of Preparation and Notice of Compliance for Scoping Period Extension: Nicasio Spillway Modification Project

Attachments: Notice of Preparation of Environmental Impact Report for the Nicasio Spillway Modification Project; Notice of Completion & Environmental Document Transmittal for the Nicasio Spillway Modification Project

In response to comments received to date, Marin Municipal Water District (Marin Water) is extending the comment period for the Nicasio Spillway Modification Project Notice of Preparation and adding another public scoping meeting to obtain suggestions and information from agencies, the public, and other interested parties on the content and scope of issues to consider in developing the Environmental Impact Report. Attached to this memo we are submitting a revised Notice of Preparation and Notice of Completion that reflect the following changes (additions are shown as underlined text, deletions are shown ~~as strikethrough~~ text):

- **Notice of Preparation:** Pages 1 and 8 have been revised to reflect the close of the public review period being extended from June 4, 2025 to August 4, 2025 and a third virtual scoping meeting being added on July 15, 2025 from 1:00 to 3:00 p.m.

- **Notice of Completion:** Page 1 has been revised to include the Project's State Clearinghouse number and page 2 has been revised to reflect the close of the public review being extended from June 4, 2025 to August 4, 2025.

Sincerely,

Alex Anaya
Director of Engineering, Marin Municipal Water District
