Please delete this published document with SCH 2025050006 for the encroachment permit 07-725-6US-056. As mentioned in my email earlier today, my colleague had already requested a filing with SCH 2025050009 for the same permit. WE can not have two NOE filed for one permit. Please delete SCH 2025050006.

Sincerely,

Mojgan Abbassi
