

NOTICE OF EXEMPTION

TO: Office of Planning and Research
P.O. Box 3044
Sacramento, CA 95811-3044

FROM: CA. Dept. of Water Resources
Northern Region Office
2440 Main Street
Red Bluff, California 96080

PROJECT TITLE: CalSIP Stream Gage Installation Project - Lower Tule River

SCH#: 2025050153

PROJECT SPONSOR: Lower Tule River Irrigation District

PROJECT SPONSOR CONTACT PERSON: Allison Tristao

PHONE NUMBER: 559-686-4716

PROJECT LOCATION: Multiple locations along Tule River near roads 96, 142, 192

PROJECT DESCRIPTION: The proposed Project involves the installation of four stream gages consisting of two poles, approximately 2 inches in diameter, which will be driven into the ground to support the necessary measuring equipment. Additionally, a small line will run to the bottom of the river in a trench (1.5' w x 3' d) excavated with hand tools. The installation is expected to be completed in a one-week period during dry creek conditions. No in-water work would be conducted.

NAME OF PUBLIC AGENCY APPROVING PROJECT: California Dept. of Water Resources (DWR)

PUBLIC AGENCY CONTACT PERSON: Brian Humphrey

EXEMPT STATUS: (check one)

- Ministerial (Sec. 21080(b)(1); 15268)
- Declared Emergency (Sec. 21080(b)(3); 15269(a))
- Emergency Project (Sec. 21080(b)(4); 15269(b)(c))
- Categorical Exemption. State type and section number(s): 15303(d)(e), 15304(f), 15306
- Statutory Exemptions. State code number(s):
- Other:

REASONS WHY PROJECT IS EXEMPT:

Installation of the four stream gages would involve minor trenching and backfilling, where the ground surface would be restored and no in-water work. Proposed installation of stream gages qualify for categorical exemptions 15303 (new construction or conversion of small structures), 15304 (minor alterations to land), and 15306 (information collection) because proposed activities would result in temporary, minor ground disturbance, collect important hydrologic data, and not result in a significant effect on the environment.
