**Present Land Use/Zoning/General Plan Designation:**

Commercial

**Project Description:** (please use a separate page if necessary)

The Project would involve an amendment to the Old Poway Specific Plan that would provide a Music Overlay District that would allow existing local restaurants and similar commercial establishments near Old Poway Park a way to host modest outdoor live music performances during daytime or evening hours that are predicted to be compatible with current City noise ordinance requirements for exterior noise level exposure.

Note: The State Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in.
