GEOLOGIC ENERGY MANAGEMENT DIVISION

## California Environmental Quality Act Notice of Exemption

**To:** Office of Land Use and Climate Innovation  
State Clearinghouse  
1400 Tenth Street, Room 113  
Sacramento, CA 95814

**From:** Department of Conservation  
11000 River Run Blvd  
Bakersfield, CA 93311

**Contact:** CalGEMCentral@conservation.ca.gov

**Project Title:** 698178\_CRPC\_UIC

**Project Applicant:** California Resources Production Corporation (CRPC)

**Project Location:** Kern County, Mount Poso; Sec. 21, Twn. 27S, Rng. 28E, Base MD;  
Latitude: 35.5620078, Longitude: -118.9612197

### Project Description:

Job Details:

CRPC proposes to rework Union Glide WD464 in the Mt Poso field to improve well performance and/or condition.

Program Summary: MIRU Completion Rig, N/U & Test BOPE. POOH with kill string. RIH with 7" Inner Casing String & Cement in place to +/-2020' MD. Conduct CalGEM witness SAPT. Drill out cement shoe. RIH with 4.5" tubing and 7" packer and set packer within 100' from top perf. Turnover to surface operations to install choke/tree and RTI.

Equipment: Temporary equipment such as pumps and return bins may be needed. No permanent facilities will be constructed. No expansion of associated facilities will be required. Various mobile temporary equipment will be used including, but not limited to, workover rig, etc., and vehicles to transport personnel and materials to/from the site. There will not be new ground surface disturbance associated with this project. Any waste materials will be properly disposed of in accordance with all applicable laws and regulations.

Project Location: County: Kern, Field: Mt Poso, Section 21, Township 27S, Range 28E, B&M: MD,

Surface Location Latitude: 35.56200790/ Longitude -118.96121979. The proposed project is on an existing wellpad.

Environmental Setting: The current existing land use (and surrounding land use) of the proposed project is in an active oil field consisting of oil and gas wells.

Department of Conservation

Notice of Exemption

The proposed project consists of the California Department of Conservation, Geologic Energy Management Division (CalGEM) approving 1 permit for California Resources Production Corporation to rework the well(s) listed below, in the Mount Poso Oil Field, to address well integrity issues.

API #	Well Name
0402947374	Glide WD464

**Exempt Status:** As the Lead Agency, CalGEM has determined that the proposed project is exempt from full environmental review requirements of the California Environmental Quality Act (CEQA), pursuant to the specified exemptions marked in the section below. CalGEM further finds that the proposed project would not result in a significant adverse impact to the environment, or that any of the exceptions to the application of the exemptions apply (14 CCR § 15300.2).

Exemption Type		Statute (PRC)	Regulation (14 CCR)	
<input type="checkbox"/>	<b>Statutory Exemption:</b>			
<input type="checkbox"/>	Ongoing Project ( <i>pre-CEQA approval on April 5, 1973</i> )	21169	15261 (b)	
<input type="checkbox"/>	Ministerial	21080 (b)(1)	15268	
<input type="checkbox"/>	Declared Emergency	21080 (b)(3)	15269 (a)	
<input type="checkbox"/>	Emergency Projects	21080 (b)(4)	15269 (b) or (c)	
<input checked="" type="checkbox"/>	<b>Categorical Exemption:</b>	21084		
<input checked="" type="checkbox"/>	<b>Class 1:</b> Existing Facilities		15301	1684.1
<input checked="" type="checkbox"/>	<b>Class 2:</b> Replacement or Reconstruction		15302	
<input type="checkbox"/>	<b>Class 3:</b> New Construction/Conversion of Small Structures		15303	
<input checked="" type="checkbox"/>	<b>Class 4:</b> Minor Alterations to Land		15304	1684.2
<input type="checkbox"/>	<b>Class 7:</b> Protection of Natural Resources		15307	
<input type="checkbox"/>	<b>Class 8:</b> Protection of the Environment		15308	
<input type="checkbox"/>	<b>Class 11:</b> Accessory Structures		15311	
<input type="checkbox"/>	<b>Class 21:</b> Enforcement Actions to revoke a permit		15321	
<input type="checkbox"/>	<b>Class 30:</b> Minor Actions to Prevent, Minimize, Stabilize, Mitigate, or Eliminate a Release (Actual or Threat) of Hazardous Substances (Waste or Material)		15330	
<input type="checkbox"/>	<b>Class 33:</b> Small Habitat Restoration Projects		15333	
<input type="checkbox"/>	<b>General Exemption</b> ("common sense")		15061 (b)(3)	
<input type="checkbox"/>	<b>Not a "Project" subject to CEQA</b>		15378 (b)(2)	
<p><b>CEQA Exceptions to the Exemptions (14 CCR § 15300.2):</b> where project is located (e.g., sensitive environment); Cumulative Impact; Significant Effect due to Unusual Circumstances; Scenic Highways; Hazardous Waste Sites; Historical Resources.</p>				

**Reasons Why Project is Exempt:** The basis for CalGEM's determination that the project is exempt from the requirements of CEQA is provided in the brief explanation below.

**Class 1, Existing Facilities (14 CCR §§ 15301, 1684.1):**

Class 1 consists of the "operation, repair, maintenance, or minor alteration of existing public or private structures, facilities, mechanical equipment, or topographical features involving negligible or no expansion of use beyond that existing previously." This includes "remedial, maintenance, conversion, and abandonment work on oil, gas, injection, and geothermal wells involving the alteration of well casing, such as perforating and casing repair, removal, or replacement; installation or removal of downhole production or injection equipment, cement plugs, bridge plugs, and packers set to isolate production or injection intervals." (14 CCR § 1684.1.) The proposed project would make minor alterations to the well(s), resulting in negligible expansion of use beyond that existing previously. The proposed project and related permit approval is consistent with the laws

that govern the operations, including statutory and regulatory provisions that protect public health, safety, and the environment.

**Class 2, Replacement or Reconstruction (14 CCR § 15302):**

Class 2 consists of the “replacement or reconstruction of existing structures and facilities where the new structure will be located on the same site as the structure replaced and will have substantially the same purpose and capacity as the structure replaced[.]” (14 CCR § 15302.) The proposed project would reconstruct the casing and wellbore(s) of existing wells. The work would take place on the existing wellbore(s) and well pads. The proposed work involves negligible change in use of the wells. The proposed project and related permit approval is consistent with the laws that govern the operations, including statutory and regulatory provisions that protect public health, safety, and the environment.

**Class 4, Minor Alterations to Land (14 CCR §§ 15304, 1684.2):**

Class 4 consists of “drilling operations that result only in minor alterations with negligible or no permanent effects to the existing condition of the land, water, air, and/or vegetation.” (14 CCR § 1684.2; see also 14 CCR § 15304.) The proposed project involves negligible or no vegetation removal, expansion of the existing well pads, and ground disturbance. Therefore, there would be no surface disturbance related activities that would significantly disturb the surrounding environment. The proposed project and related permit approval is consistent with the laws that govern the operations, including statutory and regulatory provisions that protect public health, safety, and the environment.

**Exceptions to Exemptions:** CalGEM further finds that there are no exceptions to the application of the categorical exemptions (PRC § 21084; 14 CCR § 15300.2) referenced above. For example, there is no substantial evidence that there are any “unusual circumstances” associated with the proposed project that create a reasonable possibility that the activity will have a significant effect on the environment, and that there are no significant “cumulative impacts” resulting from successive projects of the same type in the same place. Therefore, reliance on the exemptions is appropriate.

A copy of this NOE (as required by 14 CCR § 15062(a)) and all other related materials can be made available to the public by contacting the CalGEM District office, located at District office address here; by calling District phone number here; or an electronic copy of these documents may be requested by contacting District email address here.
