NOTICE OF EXEMPTION

Project Title:

Lease Renewal for Multicultural Radio Broadcasting at Kiefer Landfill Buffer Lands

Control Number:

PLER2025-00029

Project Location:

13051 Kiefer Boulevard, Rancho Murieta, CA 95683

APN:

126-0090-022

Description of Project:

The project consists of a ten-year lease renewal for an existing AM radio transmitter located on a 20-acre portion of the 150-acre Kiefer Landfill Buffer Lands property. The existing project consists of four 240-foot antennas with FAA red warning lights and a 20-foot by 20-foot equipment shelter. The facility is operated by Multicultural Radio Broadcasting and the existing lease is set to expire on May 31, 2025. No changes to the existing AM transmitter facilities are proposed.

Name of Public Agency Approving Project:

Sacramento County – ceqa@sacounty.gov

Person or Agency Carrying out Project:

Sacramento County Department of General Services
Attn: John Dito
9660 Ecology Lane, Sacramento, CA 95827
(916) 876-6216
ditoj@sacounty.gov

Exempt Status:

Categorical Exemption (PRC Section 21084; CEQA Guidelines Sections 15300-15333):

- CEQA Guidelines Section 15301 – Existing Facilities

Reasons Why Project is Exempt:

Class 1 consists of the operation, repair, maintenance, permitting, leasing, licensing, or minor alteration of existing public or private structures, facilities, mechanical equipment, or topographical features, involving negligible or no expansion of existing or former use. This project consists of the renewal of an existing lease for an existing AM transmitter tower. No changes are proposed and is exempt from the provisions of CEQA.

Section 15300.2-Exceptions

Section 15300.2 of the CEQA Guidelines, Exceptions, provides conditions under which categorical exemptions are inapplicable. Review of the Project indicates that it will not violate any of the exceptions, as described in the following section.

1. *For Classes 3, 4, 5, 6, and 11, will the project have an impact on an environmental resource of hazardous or critical concern where designated, precisely mapped, and officially adopted pursuant to law by federal, state, or local agencies?*

The project exemption is not one of the above classes and this exception does not apply.

2. *Will cumulative impacts be considerable because successive projects of the same type will occur at the same place over time?*

As it stands, the project will not result in potentially significant impacts. Therefore, no cumulative impacts will result from the project and successive projects of the same type and at the same place over time.

3. *Is there a reasonable possibility that the activity will have a significant effect on the environment due to unusual circumstances?*

There are no known unusual circumstances that will have a significant effect on the environment.

4. *Will the project result in damage to scenic resources, including but not limited to trees, historic buildings, rock outcroppings, or similar resources within a highway officially designated as a scenic highway?*

River Road/ Highway 160 (from the Sacramento City Limits at the northern edge of Freeport to the southern tip of the Delta at Antioch Bridge) is a designated State Scenic Highway. The Project is not located within the vicinity of this scenic highway. Therefore, the project will not result in damage to scenic resources or similar resources within a highway that is officially designated as a scenic highway.

5. *Is the project located on a site which is included on any list compiled pursuant to Section 65962.5 of the Government Code?*

The project site is not included on any list compiled pursuant to Section 65962.5 of the Government Code. Therefore, implementation of the project will not have an impact related to being located on a hazardous waste site.

6. *Will the project cause a substantial adverse change in the significance of a historic resource?*

The project site does not contain any historical resources.
