Sanitation District No. 2 of Los Angeles County
1955 Workman Mill Road
Whittier, CA 90601

NOTICE OF EXEMPTION

To: County Clerk, County of Los Angeles
12400 East Imperial Highway
Room 2001
Norwalk, CA 92650

Project Title: San Jose Creek Emergency Generator Switchgear Control System Upgrades

Project Location: The project is located at 1971 workman Mill Road in the City of Whittier.

Project Description: The existing CAT-ISO control system for the generator switchgear includes a number of obsolete components that need to be replaced. In addition, the existing control system is a proprietary system based on Modicon control system which is not the Districts' standard. The Upgrades will replace the control system with an Allen-Bradley PLC based control system. The standardized platform will increase the ability of Districts' staff to maintain and upgrade the control hardware and troubleshoot operational issues since they are already trained on this system. The project will also include some temporary power and portable generators during construction.
