The Port’s use of services with the County of Los Angeles Department of Public Work’s under the City of Long Beach General Services Agreement No. 36907 for as-needed bridge assessments, maintenance, and to address urgent repairs and potential safety issues consists of negligible or no expansion of existing use.

The Port has determined that none of the exceptions to the exemptions in the California Environmental Quality Act (CEQA) Guidelines Section 15300.2 foreclose the use of the categorical exemption CEQA Guidelines Section 15301 (Class 1.
