- Emergency Project [PRC, Sec. 21080(b)(4); CCR, § 15269(b)(c)]
- Categorical Exemption:** [Class 1 Categorical Exemption, CCR §15301, Class 32 Categorical Exemption, CCR §15332]
- Statutory Exemptions: [State code section number]
- General Rule [CCR, § 15061(b)(3)]

Reasons Why Project is Exempt:

The Department of Cannabis Control has determined that the project is a Class 1 and Class 32 Categorical Exemption project.

Class 1 Categorical Exemptions consist of the operation, repair, maintenance, permitting, leasing, licensing, or minor alterations to existing public or private structures, facilities, mechanical equipment, or topographical features, involving negligible or no expansion of use beyond that existing at the time of the lead agency's determination. None of the exceptions to this exemption defined in Section 15300.2 apply.

Class 32 consists of projects characterized as in-fill development meeting the following conditions:

- (a) The project is consistent with the applicable general plan designation and all applicable general plan policies as well as with applicable zoning designation and regulations.
- (b) The proposed development occurs within city limits on a project site of no more than five acres substantially surrounded by urban uses.
- (c) The project site has no value, as habitat for endangered, rare or threatened species.
- (d) Approval of the project would not result in any significant effects relating to traffic, noise, air quality, or water quality.
- (e) The site can be adequately served by all required utilities and public services.

This is to certify that the final environmental document, comments and responses, and the record of project approval are available to the public at the following location:
