## Re: San Joaquin Be Well Behavioral Health Campus Project, San Joaquin County

Dear Ms. Starr:

A record search of the Native American Heritage Commission (NAHC) Sacred Lands File (SLF) was completed for the information you have submitted for the above referenced project. The results were negative. However, the absence of specific site information in the SLF does not indicate the absence of cultural resources in any project area. Other sources of cultural resources should also be contacted for information regarding known and recorded sites.

Attached is a list of Native American tribes who may also have knowledge of cultural resources in the project area. This list should provide a starting place in locating areas of potential adverse impact within the proposed project area. I suggest you contact all of those indicated; if they cannot supply information, they might recommend others with specific knowledge. By contacting all those listed, your organization will be better able to respond to claims of failure to consult with the appropriate tribe. If a response has not been received within two weeks of notification, the Commission requests that you follow-up with a telephone call or email to ensure that the project information has been received.

If you receive notification of change of addresses and phone numbers from tribes, please notify me. With your assistance, we can assure that our lists contain current information.

If you have any questions or need additional information, please contact me at my email address: [Pricilla.Torres-Fuentes@nahc.ca.gov](mailto:Pricilla.Torres-Fuentes@nahc.ca.gov).

Sincerely,

**Subject: Project Notification and Invitation to Consult under Senate Bill 18 and CEQA AB52 Native American Consultation for the San Joaquin Be Well Behavioral Health Campus Project in San Joaquin County, California**

Dear Chairperson Nijmeh:

This letter is to notify you of the proposed San Joaquin Be Well Behavioral Health Campus Project in San Joaquin County, California and to formally invite you to request consultation with the County of San Joaquin (County) regarding the project pursuant to Senate Bill 18 ([SB 18] Burton 2004) and formal notification of a proposed project as required under the California Environmental Quality Act, specifically Public Resources Code 21080.3.1 and Chapter 532 Statutes of 2014 (i.e. AB 52). The Native American Heritage Commission (NAHC) identified your tribe as having traditional lands or cultural places in the project vicinity.

The project site is located in the unincorporated community of French Camp, just south of the City of Stockton (Assessor's Parcel Number [APN] 193-05-018). The proposed project is situated on a 19.17-acre parcel that is largely undeveloped. The proposed project would develop a specific plan that would facilitate development of the San Joaquin Be Well Behavioral Health Campus (SJ Be Well Campus). The SJ Be Well Campus would be constructed on land owned by San Joaquin County Health Services.

A Sacred Lands Files search request was submitted to the NAHC on October 11, 2024. The NAHC provided the SLF search results on October 31, 2024. The results were negative.

If you would like to participate in formal consultation for this proposed project, please direct your request in writing by letter or email to Stephanie Stowers, Senior Planner at 1810 E Hazelton Ave, Stockton, CA 95205, or by email at [sstowers@sjgov.org](mailto:sstowers@sjgov.org). You may also call Ms. Stowers at (209) 468-9653 for additional information.

Should your tribe participate in the consultation process, please know that at your request, any sensitive information you share with the County regarding cultural places and/or sacred sites will be kept strictly confidential and will not be divulged to the public. Thank you for your participation in this process.

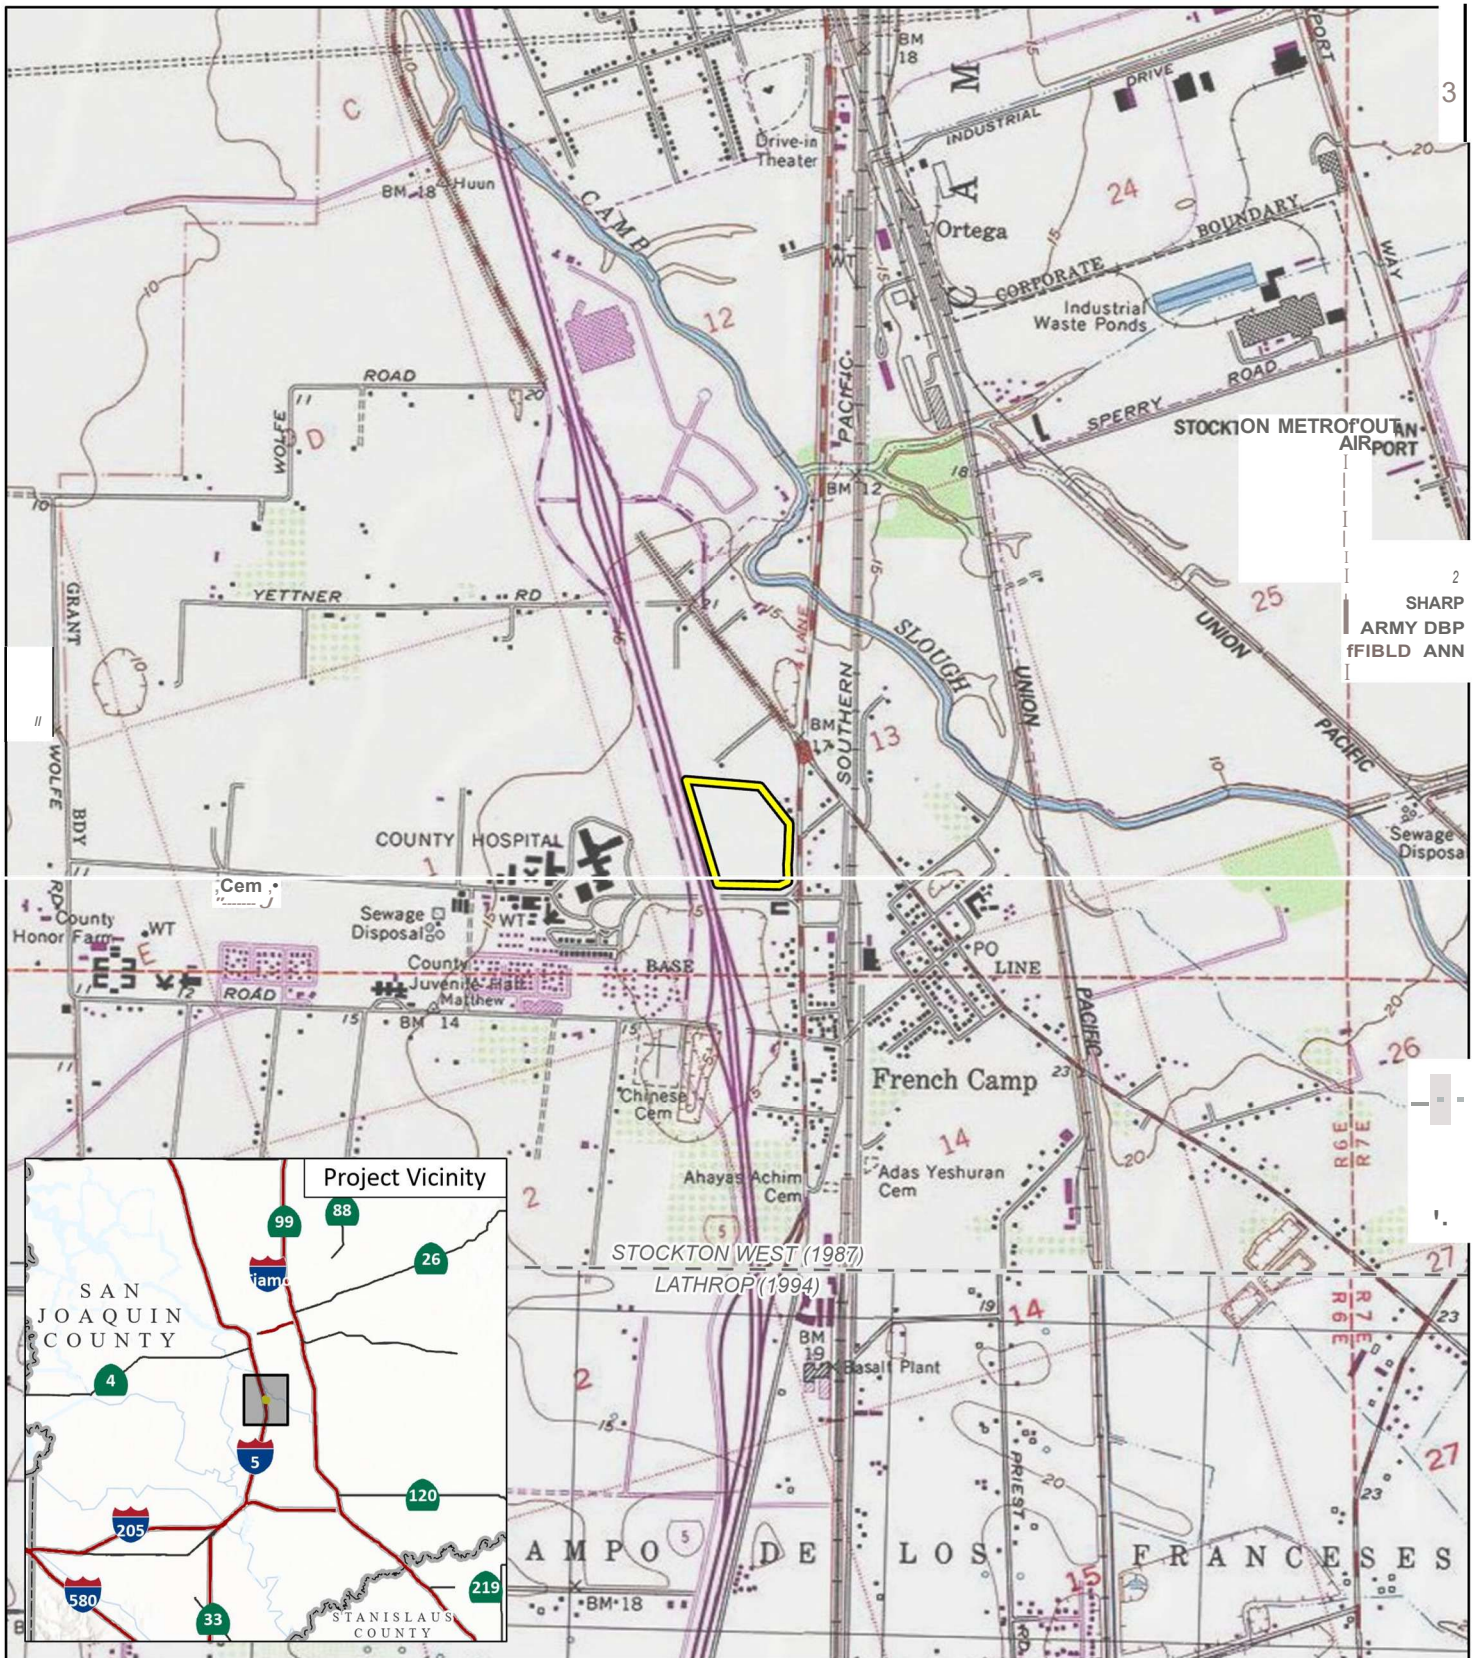

Sincerely,

**Subject: Project Notification and Invitation to Consult under Senate Bill 18 and CEQA AB52 Native American Consultation for the San Joaquin Be Well Behavioral Health Campus Project in San Joaquin County, California**

Dear CA Tribal TANF Partnership:

This letter is to notify you of the proposed San Joaquin Be Well Behavioral Health Campus Project in San Joaquin County, California and to formally invite you to request consultation with the County of San Joaquin (County) regarding the project pursuant to Senate Bill 18 ([SB 18] Burton 2004) and formal notification of a proposed project as required under the California Environmental Quality Act, specifically Public Resources Code 21080.3.1 and Chapter 532 Statutes of 2014 (i.e. AB 52). The Native American Heritage Commission (NAHC) identified your tribe as having traditional lands or cultural places in the project vicinity.

The project site is located in the unincorporated community of French Camp, just south of the City of Stockton (Assessor's Parcel Number [APN] 193-05-018). The proposed project is situated on a 19.17-acre parcel that is largely undeveloped. The proposed project would develop a specific plan that would facilitate development of the San Joaquin Be Well Behavioral Health Campus (SJ Be Well Campus). The SJ Be Well Campus would be constructed on land owned by San Joaquin County Health Services.

A Sacred Lands Files search request was submitted to the NAHC on October 11, 2024. The NAHC provided the SLF search results on October 31, 2024. The results were negative.

If you would like to participate in formal consultation for this proposed project, please direct your request in writing by letter or email to Stephanie Stowers, Senior Planner at 1810 E Hazelton Ave, Stockton, CA 95205, or by email at [sstowers@sjgov.org](mailto:sstowers@sjgov.org). You may also call Ms. Stowers at (209) 468-9653 for additional information.

Should your tribe participate in the consultation process, please know that at your request, any sensitive information you share with the County regarding cultural places and/or sacred sites will be kept strictly confidential and will not be divulged to the public. Thank you for your participation in this process.

Sincerely,

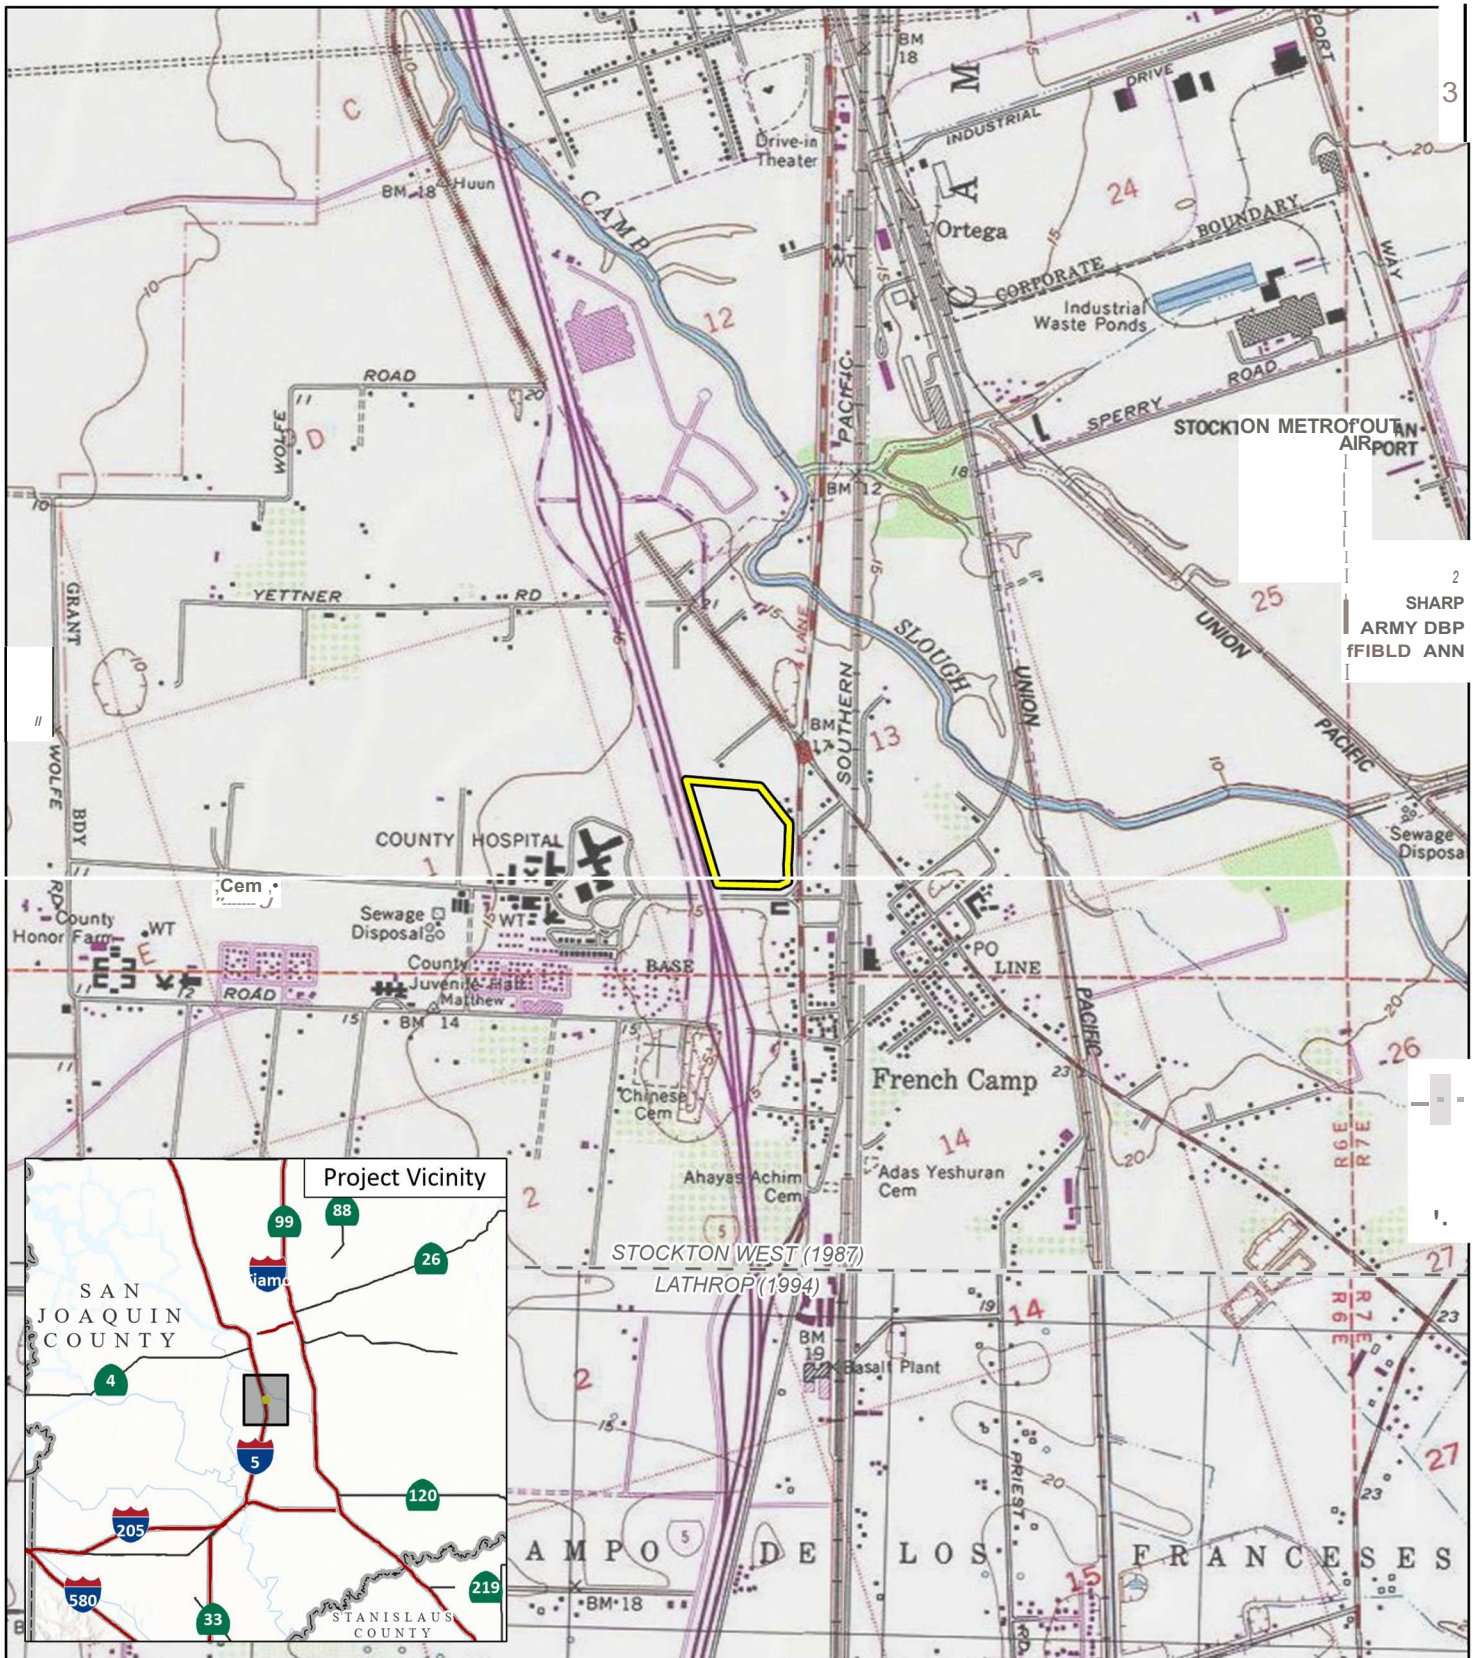

A handwritten signature in blue ink, appearing to read "Stephanie Stowers".
