Project Description: (please use a separate page if necessary)

The Sacramento Metropolitan Fire District has applied to Sacramento County (County) for the above entitlements to allow for the development of the Vineyard Springs Fire Station in the unincorporated Vineyard community. The project site is near the southeast corner of the Vintage Park Drive/Bradshaw Road intersection, on the east side of Bradshaw Road. Project-related construction activities would occur throughout the proposed development area, which comprises approximately 1.5 acres of the 4.6-acre project site. The remaining 3.1 acres of the project site would not be developed as part of it. The proposed project would include a new 10,300-square-foot fire station that would accommodate three apparatus bays, eight dormitories, general living areas, office, storage improvements, emergency standby generator, covered truck wash, storage building, and public and secured parking areas.

Note: The State Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in.

Reviewing Agencies Checklist

Lead Agencies may recommend State Clearinghouse distribution by marking agencies below with an "X".
If you have already sent your document to the agency please denote that with an "S".
