Project Title: Campus Drive Sidewalk Project

Project Applicant: City of Hayward

Project Location - Specific:
Along Campus Drive between 2nd Street and University Court in the City of Hayward

Project Location - City: Hayward Project Location - County: Alameda

Description of Nature, Purpose and Beneficiaries of Project:

The purpose of the project is to enhance the existing bicycle and pedestrian facilities along a stretch of Campus Drive by adding sidewalk on one side of Campus Drive (about 2,620 linear feet). The project includes demolishing the existing concrete, asphalt, landscaping, and pavers and installing new concrete sidewalks, curb ramps, gutter, driveway aprons, and landscaping along both sides of Campus Drive. The project also includes minor utility and signage replacements. All work will be within the City's right of way. The project will include best management practices and avoidance and minimization measures to avoid impacts to the nearby Ward Creek and nesting birds within the project area.

Name of Public Agency Approving Project: City of Hayward

Name of Person or Agency Carrying Out Project: City of Hayward

Exempt Status: **(check one):**

- ☐ Ministerial (Sec. 21080(b)(1); 15268);
- ☐ Declared Emergency (Sec. 21080(b)(3); 15269(a));
- ☐ Emergency Project (Sec. 21080(b)(4); 15269(b)(c));
- ☒ Categorical Exemption. State type and section number: 15301 (Class 1)
- ☐ Statutory Exemptions. State code number: _____

Reasons why project is exempt:

The Section 15301 (Class 1) exemption applies to the repair, maintenance, or minor alteration of existing public facilities involving negligible or no expansion of the existing use. Section 15301(c) specifically includes "existing highways and streets, sidewalks, gutters, bicycle and pedestrian trails, and similar facilities." The project is consistent with the Class 1 exemption because it will consist of adding pedestrian facilities (sidewalks) along both sides of Campus Drive within the project site. The project would not expand the existing use of street, it would only enhance safety for bicyclists and pedestrians.

Lead Agency
Contact Person: Sundaresh Begur Area Code/Telephone/Extension: (510) 538-4767

If filed by applicant:
