Linda Vista Elementary TK Restrooms Project

Project Title

5600 Ohio Street (Assessor's Parcel Numbers 348-401-01 and 348-401-02)

Project Location - Specific

Yorba Linda

Orange

Project Location - City**Project Location - County**

The project involves minor improvements to the existing Linda Vista Elementary School. The proposed improvements include:

- Interior renovations, including new boys' and girls' restrooms to the interior of the existing classroom building to support use by Transitional Kindergarten (TK) students.
- Minimal site improvements, including new for Americans with Disabilities Act access and crosswalks in the parking lot.

Description of Nature, Purpose, and Beneficiaries of Project

Name of Person or Agency Carrying Out Project

Exempt Status: Categorical Exemption. CEQA Guidelines Section 15301 (Class 1, Existing Facilities), Section 15302 (Class 2, Replacement or Reconstruction), Section 15304 (Class 4, Minor Alterations to Land), and Section 15314 (Class 14, Minor Additions to School)

Class 1 applies to the Project because it entails minor alterations of: (1) an existing classroom building to construct new restroom facilities for TK students and (2) existing school pathways and parking lot to ensure access is ADA-compliant. The Project would not increase the square footage of school buildings, nor would it expand school or community uses or operations of the existing District facilities.

Class 2 applies to the Project because the Project would result in the replacement/reconstruction of the existing school pathways and parking lot to provide ADA-compliant access, which would not result in an increase in physical space or school enrollment capacity and would have the same purpose as the existing school facilities being replaced/reconstructed.

Class 4 applies to the Project because Project would entail minor alterations to existing pavement to improve ADA access; however, the Project would not involve removal of healthy, mature, scenic trees, and the Project's grading activities would be limited to grading on land with a slope of less than 10 percent, would not grading in a waterway, wetland, officially designated (by federal, state, or local government action) scenic area, or officially mapped area of severe geologic hazard such as an Alquist-Priolo Earthquake Fault Zone or within an official Seismic Hazard Zone, as delineated by the State Geologist.

Class 14 applies to the Project because it consists of minor additions to Linda Vista Elementary School within existing school grounds, and the Project would not increase the original student capacity by more than 25 percent or school size by 10 or more classrooms.

None of the exceptions listed in CEQA Guidelines Section 15300.2 apply to the Project.
