Project Title: Airport Facility Maintenance Project FY 2025-2026 and 2026-2027

Project Location – Specific: 6751 Woodrum Circle and 2600 Gold Street

Project Location – City: Redding **Project Location – County:** Shasta

Description of Project: The City of Redding proposes to conduct ongoing general maintenance and repair activities at the Redding Municipal Airport and Benton Airpark. As required by the Federal Aviation Administration, maintenance and repair activities will be conducted on the airport buildings, structures, fences, and property. Work will involve minor interior and exterior building/structure repair, painting, fence repair, access road repair, and vegetation removal for public safety and security purposes. The vegetation will be chipped and used on-site or transported to a City disposal facility. All work will be conducted on City property.

Name of Public Agency Approving Project: City of Redding

Name of Person or Agency Carrying Out Project: Andrew Solsvig, Airports Manager

Exempt Status: *(check one)*

- Ministerial [Section 21080(b)(1); 15268]
- Declared Emergency [Section 21080(b)(3); 15269(a)]
- Emergency Project [Section 21080(b)(4); 15269(b)]
- Statutory Exemptions. State code number:
- Common Sense Exemption (This project does not fall within an exempt class, but it can be seen with certainty that there is no possibility that the activity may have a significant effect on the environment (14 CCR 15061[b][3]).
- Categorical Exemption. State type and section number: Section 15301. Existing Facilities
- No exceptions apply that would bar the use of a categorical exemption (PRD 21084 and 14 CCR 15300.2).

Reasons why project is exempt: Class 1 exemptions include the operation, repair, maintenance, or minor alteration of existing public structures and facilities. The airport facilities will be undergoing general maintenance over the course of fiscal years 2025-2026 and 2026-2027; however, the maintenance activities will result in negligible or no expansion of use. The action area does not have significant values for wildlife habitat or other environmental resources and the project has no potential to have a significant effect on the environment.
