Project Title: George Izay Park Irrigation Modernization Project

Project Location – Specific: George Izay Park, 1111 W. Olive Avenue

Project Location / City: Burbank

Project Location / County: Los Angeles

Description of Project: The George Izay Park Irrigation Modernization Project will replace the existing outdated irrigation system throughout George Izay Park with a modern, efficient system. The scope of work includes installing new mainline piping, isolation and irrigation valves, valve boxes, sprinklers, quick couplers, lateral line piping, and wiring to connect the system to the existing WeatherTRAK master valve and flow sensor. The improvements will support sustainable landscaping practices, enhance water efficiency, reduce maintenance needs, and extend the longevity and usability of the park.
